The Last Templar Collection: Volume 2 Michael Jecks, 2019-02-07 THE KNIGHTS TEMPLAR COLLECTION VOLUME 2 brings together three more of Michael Jecks most popular Knights Templar mysteries. Join Sir Baldwin de Furnhill and Baliff Simon Puttock as they journey from England to France and back again in three riveting tales of murder and intrigue. The Templar the Queen Her Lover Queen Isabella wife to Edward II of England has been dispatched to France in an attempt to bring about peace between the two countries and Sir Baldwin de Furnhill must accompany her with his friend Simon Puttock. But the day after their arrival a servant is found murdered with Baldwin's dagger lying next to the body. As Baldwin struggles to prove his innocence the killer strikes again. With so many English enemies gathering in Paris will he be able to expose the culprit in time to protect the diplomats and their mission. The Prophecy of Death It's 1325 and in England turmoil is rife. But could the Prophecy of St Thomas's Holy Oil be the key to saving the ill fated reign of King Edward II. It is believed the one anointed with it will be a lion among men he will conquer France unite Christendom and throw the heathens from the Holy Land. Meanwhile Sir Baldwin de Furnhill Keeper of the King's Peace and his friend Simon Puttock return from France with urgent messages for the King himself. Soon they find themselves at the centre of a deadly court intrigue involving the most powerful and ruthless men in the country who will stop at nothing not even murder to achieve their ambitions. The King of Thieves 1325 Sir Baldwin de Furnhill and his friend Simon Puttock are in France guarding King Edward's son on his perilous journey to meet the French king Charles IV. But they are unaware that King Edward's wife Isabella is disaffected and plotting her revenge. What first appears a simple diplomatic mission is fast becoming lethally dangerous. Meanwhile two murders in Paris are causing alarm. Is there a connection between the killings and the shadowy King of thieves. Simon and Baldwin know the future of the English crown is at risk. And in order to protect it they must put their own lives in jeopardy. What readers are saying about The Knights Templar mysteries Full of twists and turns right up until the end. Superb with a diverse and fantastic cast of characters mixing historical fact with the author's creations and they blend beautifully. Jecks continues to astonish me in adherence to historical accuracy but also in his ability to write a tale so well.

Gunmen and Gangsters Michael Schlossheimer, 2018-08-03 Gangsters such as Al Capone and Lucky Luciano were considered by many people to be the most exciting personalities of the 1920s and 1930s The public was hungry for press coverage about these mysterious and dangerous men Most reports about them were sketchy as the reporters did not want to get on the bad side of the racket bosses Hollywood's response to the public's fascination was to portray the lives of gangsters on the movie screen using actors such as Humphrey Bogart James Cagney and Edward G Robinson Perhaps surprisingly these men received not so favorable reviews from the Academy Award voters and as their popularity grew with the public censorship dictated other actors be brought in to play the roles That's what this book is about the personal and professional lives of William Bendix Charles Bickford Ward Bond Broderick Crawford Brian Donlevy Paul Douglas William Gargan Barton MacLane and Lloyd Nolan second string actors who replaced the big names and did a memorable job A filmography is supplied for each actor
