Elmas Children:

The Battle of Kokkina Nejla Clements, 2018-08-21 The riveting true story of the 13 year battle for the village of Kokkina in Northern Cyprus The first book in English to detail this story Written by someone who not only lived through but also participated in these events The Battle of Kokkina is the English Translation of Erenk y ve Hayat which is the extraordinary autobiography of Fadil Elmasoglu It is a compulsive read describing how Mr Elmasoglu lead a motley crew of men to form a resistance group that helped defend their coastal village in Northern Cyprus The vivid descriptions of day to day life of a besieged community and their courage and determination to survive the state s attempts to annihilate them are riveting Amongst all the mayhem of various battles the village folk some of whom lived in caves for shelter still pursued a normal life The isolation of Kokkina continued for thirteen years but not once did the inhabitants consider giving up Normal cultural practices still continued socialising matchmaking weddings babies being born educating their young All this while men concentrated on fighting the armed attacks on their village from the hills behind them and the sea to their front Not to mention the gathering and ceremonial burying of their dead during the fighting There are details of numerous gun smuggling trips to Turkey how these were organised and put into action the incredible risks taken by the men who participated and the perils of the sea when sailing in a small arms laden boat There is humour too Like the time when Mr Elmasoglu after years of walking around almost barefoot was given a pair of boots by a journalist one of many who periodically descended into Kokkina His description of how he felt he could fly although touching does not contain any self pity only delight and amazement

Lion Woman's Legacy Arlene Voski Avakian, 2016-01-01 A vivid and engrossing narrative of one woman s journey from shame and internal conflict to becoming a liberated confident and proud lesbian Kirkus Reviews The descendant of survivors of the Armenian genocide Arlene Avakian was raised in America where she could live free But even with that freedom she found herself a prisoner of both her family and society denying her heritage along with her true sexuality After marriage and motherhood Arlene found herself exploring the growing women s lib movement of the 1970s coming to embrace the strength of her grandmother known as the Lion Woman and realizing her full potential and personhood Inspired by her passionate feminism and strengthened by a loving lesbian relationship Avakian recollects and re examines her personal history and the story of her courageous grandmother revealing a legacy of radical politics fierce independence and a powerful affirmation of ethnic identity in this extremely readable and often painfully honest book Library Journal

In Honor of Fadime Unni Wikan, 2008-09-15 In 2002 young Fadime Sahindal was brutally murdered by her own father She belonged to a family of Kurdish immigrants who had lived in Sweden for almost two decades But Fadime s relationship with a man outside of their community had deeply dishonored her family and only her death could remove the stain This abhorrent crime shocked the world and her name soon became a rallying cry in the struggle to combat so called honor killings Unni Wikan narrates Fadime s heartbreaking story through her own eloquent words along with the testimonies

of her father mother and two sisters What unfolds is a tale of courage and betrayal loyalty and love power and humiliation and a nearly unfathomable clash of cultures Despite enduring years of threats over her emancipated life Fadime advocated compassion for her killer to the end believing him to be trapped by an unyielding code of honor Wikan puts this shocking event in context by analyzing similar honor killings throughout Europe Canada and the United States She also examines the concept of honor in historical and cross cultural depth concluding that Islam itself is not to blame indeed honor killings occur across religious and ethnic traditions but rather the way that many cultures have resolutely linked honor with violence In Honor of Fadime holds profound and timely insights into conservative Kurdish culture but ultimately the heart of this powerful book is Fadime s courageous and tragic story and Wikan s telling of it is riveting **Double Vision** Ben H. Bagdikian,1997-04-30 This dramatic memoir by one of America s most respected journalists and media critics takes us from the author s narrow escape from a Turkish massacre of Armenians as a young child to his secret acquisition of the Pentagon Papers to the transformation of American journalism over the last half century BEYOND TURKEY'S BORDERS Advocates of Silenced Turkey,2023-05-25 BEYOND TURKEY S BORDERS UNVEILING GLOBAL PURGE TRANSNATIONAL REPRESSION ABDUCTIONS is an enthralling expose on the grave human rights violations carried out by the current Turkish government This gripping report unveils a hidden world of abductions enforced disappearances and torture under the regime of President Recep Tayyip Erdo an This report is not merely a recounting of events but a powerful call to action for every reader who values justice and human rights Every page is replete with compelling evidence eyewitness accounts victims testimonies and a thorough examination of the aftermath of abductions It unveils the regime s strategy of denying involvement while deliberately silencing opposition voices It offers an enlightening portrayal of how dissidents are abducted tortured and coerced into confessions while the regime celebrates these actions as achievements The narrative does not stop at Turkey s borders The report brings to light the regime s daring kidnappings from abroad the victims harrowing experiences and the Turkish government s audacious denials This report breaks the silence around this inhumane treatment of dissidents who are forced to withdraw their complaints under relentless pressure This crucial report provides a human face to the victims of these oppressive practices making it an emotional journey as well as an educational one It uncovers how Turkey s actions starkly violate fundamental human rights and international laws Yet it goes beyond documenting these wrongs it makes an impassioned plea for justice and the urgent need to protect human rights The report is a must read for everyone who seeks to understand the current human rights landscape in Turkey and for those inspired to take action against these atrocities By reading this report you re not just gaining insight into a hidden crisis you re joining a global movement committed to upholding human rights and championing justice This isn t just a report it s a call to action Stand with AST as we strive for a future where respect for human rights rule of law and democratic principles are upheld in Turkey ensuring the protection and well being of all its citizens Get your copy now and take your first step towards making a

difference **Never to Die** George Mouradian,2005-01-11 Never To Die is a novel about the quest to find Noah's Ark on Mt Ararat and also about the historical account of Armenia Alternating chapters revert back and forth starting from a young Armenian American engineer joining a French archaeological team seeking to find the ark Succeeding chapters take the reader from the initial signs of civilization in the Ararat region to the founding of the Armenian nation to Armenia's status in the Soviet Union The text includes fictional characters who contact real life great chronicled personalities Historical events are accurately conveyed by the characters as the narrations progress from chapter to chapter The volume also relates on the burden of the young Armenian American who feels he has the deep responsibility of maintaining the memories of those who have been martyred In essence the book covers the trials and tribulations of both the ark exploration team and Armenia's growth in her 10 000 year history **In the Shadow of the Fortress** Bertha Nakshian Ketchian,1988 Genocide survivor memoirs

Seven Sleeper Series Gilbert Morris,1997-05-01 This set includes all ten books of the Seven Sleeper Series Flight of the Eagles The Gates of Neptune The Sword of Camelot The Caves Time Forgot Winged Raiders of the Desert Empress of the Underworld Voyage of the Dolphin Attack of the Amazons Escape with the Dream Maker and The Final Kingdom Go with Josh and his friends as they are sent by God their spiritual leader on dangerous and challenging voyages to conquer the forces of darkness in the new world Ages 10 14 *History of Page County, Iowa* W. Women and Turkish Cinema Eylem Atakav,2013 Since 2000 there has been a considerable effort in Turkish cinema to come to terms with the military's intervention in politics and subsequent national trauma It has resulted in an outpouring of cinematic texts This book focuses on women and Turkish cinema in the context of gender politics cultural identity and representation The central proposition of this book is that enforced depoliticisation introduced after the coup is responsible for uniting feminism and film in 1980s Turkey The feminist movement was able to flourish precisely because it was not perceived as political or politically significant In a parallel move in the films of the 1980s there was an increased tendency to focus on the individual on women's issues and lives in order to avoid the overtly political Women and Turkish Cinema provides a comprehensive view of cinema's approach to women in a country which straddles European and Middle Eastern cultural conceptions identities and religious values and will be an invaluable resource for students and scholars of Film Studies Gender Studies and Middle East Studies amongst others

Swallows and Armenians Karen Babayan,2019-03-09 The fictional Walker children are much loved characters in Arthur Ransome's Swallows and Amazons a quintessentially English family in an archetypal English children's classic However it was an Anglo Armenian family from Aleppo who were the catalyst and inspiration Swallows and Armenians is a book of short stories and essays which firmly re-establishes the connection using newly appraised correspondence and diaries With her beautifully researched complement to Arthur Ransome's classic and still best selling series Karen Babayan has opened a much loved children's adventure epic set in the iconically British Lake District to an enriching cross cultural re worlding By revealing the Anglo Armenian identity of the

children who inspired the gripping tale of sailing piracy and intrigue she has created new stories resonant in our own times of conflict displacement and dangerous nationalisms Unveiling Ransome's anglicization of the Altounyan children Karen Babayan restores them to their central place in British literature She also links their crossing of Syrian Aleppo and Armenian cuisine with a once Viking Cumbria to her own bi-cultural identity and traumatic familial experience of displacement and migration loss and adaptation all shadowed by the terror of the Armenian genocide 1915-17 By creative storytelling Swallows and Armenians intervenes as much in diasporic Armenian as British cultural memory by vibrantly reanimating the voices of these extraordinary children who speak back across her pages from a past she has recreated to a present that needs them now Professor Griselda Pollock Laureate of the Holberg Prize for Arts and Humanities 2020 **Genealogy of the Wells**

Family, of Wells, Maine Charles Kimball Wells, 1874 **The Interrogation and Other Short Stories** M. Hüsni Özkurt, 2022-12-05 If you dare to explore the dark and twisted depths of the supernatural then this collection of bone-chilling tales is for you Set in a world of murder mystery and horror this book follows the story of the powerful and wicked witch Honulku as she leaves a trail of terror and suspense in her wake From a hard-boiled homicide detective caught in a supernatural nightmare to a clairvoyant hell-bent on revenge these stories will have you on the edge of your seat as you experience the thrilling and sometimes heartbreaking journey of each character If you enjoyed Neil Gaiman's *The Sandman* you'll love this collection of tales that will keep you up late at night Get your copy today **Androniké** Stephanos Th Xenos, 1897 **Critical Approaches to Genocide** Hülya Adak, Fatma Müge Göçek, Ronald Grigor Suny, 2023-09-28 The study of genocide has been appropriate in emphasizing the centrality of the Holocaust yet other preceding episodes of mass violence are of great significance Taking a transnational and transhistorical approach this volume redresses and replaces the silencing of the Armenian Genocide Scholarship relating to the history of denial comparative approaches in the deportations and killings of Greeks and Armenians during the First World War and women's histories during the genocide and post-genocide proliferated during the centennial of the Armenian Genocide in 2015 Collectively however these studies have not been enough to offer a comprehensive account of the historical record documentation and interpretation of events during 1915-1916 This study seeks to bridge the gap by unsettling nationalist narratives and addressing areas such as aesthetics gender and sexuality By bringing forward various dimensions of the human experience including the political socioeconomic cultural social gendered and legal contexts within which such silencing occurred the essays address the methodological silences and processes of selectivity and exclusion in scholarship on the Armenian Genocide The interdisciplinary approach makes *Critical Approaches to Genocide* a useful resource for all students and scholars interested in the Armenian Genocide and memory studies **Conflicts in Interreligious Education** Martina Kraml, Zekirija Sejdini, Nicole Bauer, Jonas Kolb, 2022-01-19 Whenever people from different cultural and religious backgrounds converge it produces tension and ambivalence This study delves into conflicts in interreligious educational processes in both theory and practice presenting

the results of empirical research conducted at schools and universities and formulating ground breaking practical perspectives for interreligious collaboration in various religious pedagogical settings , **Understanding and Responding to Terrorism** Huseyin Durmaz,2007 Concerns three main topics Dynamics of effective international cooperation against terrorism Facilitators and barriers Law enforcement response to terrorism in different countries and regions and Emergency management lessons for Homeland Security **Bride Price (Inspector Ikmen Mystery 24)** Barbara Nadel,2022-05-12 Barbara Nadel s gripping Ikmen mysteries are the inspiration behind The Turkish Detective BBC Two s sensational eight part TV crime drama series out now Every relationship comes at a cost in this tense and gripping Turkish mystery from award winning crime writer Barbara Nadel and featuring Ikmen one of modern crime fiction s true heroes The Times When jeweller Fahrettin Muftugolu is found dead in his apartment in the Istanbul district of Vefa it looks like suicide Searching the jeweller s home Inspector Mehmet Suleyman and his team come across a hoard of extraordinary artefacts including solid gold religious relics and a mummified human head But are they real and if so who owns these priceless possessions As his colleagues begin their investigation Suleyman is distracted by troubles of his own His wedding to Gonca Serekoglu is days away but when Gonca receives her bridal bedcover from a Roma haberdasher and discovers that it is covered in blood she sees this as a curse on their marriage Suleyman asks his old friend Cetin Ikmen to help him uncover the truth but the task is not that simple Meanwhile as the stories swirling around Muftugolu become increasingly sinister the dead man s wife appears laying claim to his valuables and Suleyman is drawn into a dark and dangerous world of smuggling and savagery **Flight Of The Eagles** Gilbert Morris,1994-02-09 Josh Adams 14 awakes from a 50 year sleep Ancient prophecy commands him and the other Sleepers to unite in battle against the evil priests and combat the doubt that threatens their faith

Elmas Children Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elmas Children has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elmas Children has opened up a world of possibilities. Downloading Elmas Children provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elmas Children has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elmas Children. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elmas Children. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elmas Children, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elmas Children has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
