**Discourses of Empire and Commonwealth** Sandra Robinson, Alastair Niven, 2016-11-01 In Discourses of Empire and Commonwealth a range of prominent writers and critics reflect on the legacy of imperialism and the role of writers in forging a new more cosmopolitan identity The contributors writing about a wide range of countries affirm the freedom of the human spirit even within unjust or oppressive social systems They show the power of words to illuminate injustices and unite different peoples Salman Rushdie famously declared that Commonwealth Literature has had its day this book provides a vital antidote to this idea Editors Sandra Robinson and Alastair Niven have put together this mixture of personal reflections critical overviews historical re evaluations and creative works to illustrate the vitality of this genre

**Marc Blitzstein** Howard Pollack, 2012-10-18 Award winning music historian Howard Pollack s new biography of Marc Blitzstein deftly captures the fascinating life and career of an American composer who was openly gay and Marxist at a time when neither was acceptable to the American public The first biographer to deal with Blitzstein s music as well as his life Pollack delves deeply into the Blitzstein s life uncovering new details about his marriage to novelist Eva Goldbeck and his compositional process Beautifully written and meticulously researched this book is a must have for any fan of Broadway or American music

**The Hidden Places of Devon** Joanna Billing, 2003 This is the 6th edition of the very popular Hidden Places of Devon and has been completely redesigned to include a new cover and new page layouts The Hidden Place of Devon is printed in full colour and includes detailed directional maps eye catching photographs and is packed with places to eat drink and stay The book includes all the main tourist attractions as well as concentrating on the less well known visitor

attractions in this beautiful county Devon is a county of sheer beauty and delight and is endowed with stunning green rolling hills bright fresh streams tumbling through wooded valleys and picturesque little villages The county of Devon is home to the National Parks of Dartmoor and Exmoor which it shares with Somerset two areas of outstanding natural beauty both spectacularly eye catching they consist of bleak uplands and isolated moorland that stretch out towards a rugged coastline The book is packed with information covering the more secluded and little known venues for food accommodation and places of interest as well as the more enduring attractions of the region The new edition includes a stunning redesigned cover that incorporates an eye catching photograph of Willmead Farm in Bovey Tracey      **Rabindranath Tagore** Rabindranath

Tagore,1989-06-18 Tagore a Bengalese writer artist and thinker won the 1913 Nobel Prize for Literature and became an international celebrity These essays arose from an international Tagore Conference held in London in 1986 which aimed to reassess the range of his achievement and the catholicity of his thought      **Gropius** Fiona MacCarthy,2019-04-30 Fiona MacCarthy challenges the image of Walter Gropius as a doctrinaire architectural rationalist bringing out the vision and courage that carried him through a politically hostile age Approaching the Bauhaus founder from all angles she offers a poignant personal story one that reexamines the urges that drove Euro American modernism as a whole      **The Making of**

**Indian Secularism** N. Chatterjee,2011-01-26 A unique study of how a deeply religious country like India acquired the laws and policies of a secular state highlighting the contradictory effects of British imperial policies the complex role played by Indian Christians and how this highly divided community shaped its own identity and debated that of their new nation

**The Gate of Heavenly Peace** Jonathan D. Spence,1982-10-28 A milestone in Western studies of China John K Fairbank In this masterful highly original approach to modern Chinese history Jonathan D Spence shows us the Chinese revolution through the eyes of its most articulate participants the writers historians philosophers and insurrectionists who shaped and were shaped by the turbulent events of the twentieth century By skillfully combining literary materials with more conventional sources of political and social history Spence provides an unparalleled look at China and her people and offers valuable insight into the continuing conflict between the implacable power of the state and the strivings of China s artists writers and thinkers      *Europe Meets America* Gaia Caramellino,2016-08-17 An analysis of the New York professional milieu between the Wall Street Crash of 1929 and the aftermath of WWII reveals an unexpected scenario in which diverse branches of technical culture and professional and institutional spheres often overlap and initiatives in the field of architecture are characterised by tensions between designers and technicians which pave the way for issues of architects autonomy responsibility and social roles in the New Deal From an initial portrayal of William Lescaze 1896 1969 as an unconventional figure straddling two continents this book challenges a long established interpretation that sees Lescaze exclusively as promoter of the International Style canons in the United States Moving beyond it this book focuses on the role that the Swiss architect played in defining the main features of New York social housing and in the evolution that marks the encounter

between European modernity and an American federal scene still profoundly tied to local conventions From an initially difficult status as an migr to his involvement in decisional processes and bureaucratic organisations Lescaze s professional progress coincides with the gradual acceptance of European forms and models which little by little became part of the institutional language related to public housing which would remain prevalent in New York City until the end of WWII Drawing from yet unpublished archival sources pertaining to two fields housing and architecture which have traditionally been separate in American historiography this book sheds light on many crucial issues in a branch of architecture that is particularly relevant today
