Don't Be Cruel These were the years of his improbable self-invention and unprecedented triumphs when it seemed that everything that Elvis tried succeeded wildly There was scarcely a cloud in sight through this period until in 1958 he was drafted into the army and his mother died shortly thereafter The book closes on that somber and poignant note Last Train to Memphis takes us deep inside Elvis' life exploring his lifelong passion for music of every sort from blues and gospel to Bing Crosby and Mario Lanza his compelling affection for his family and his intimate relationships with girlfriends mentors band members professional associates and friends It shows us the loneliness the trustfulness the voracious appetite for experience and above all the unshakable almost mystical faith that Elvis had in himself and his music Drawing frequently on Elvis' own words and on the recollections of those closest to him the book offers an emotional complex portrait of young Elvis Presley with a depth and dimension that for the first time allow his extraordinary accomplishments to ring true Peter Guralnick has given us a previously unseen world a rich panoply of people and events that illuminate an achievement a place and a time as never revealed before *Elvis Presley* Music Book Services, Dave Roberts, 1994-10-01
