Emanciper La Francophonie:

ÉMANCIPER LA FRANCOPHONIE Boutros Boutros-Ghali, 2002-10-15 Boutros Boutros Ghali durant son mandat de premier Secrétaire général de la francophonie s'est fixé trois objectifs : faire de la francophonie une institution internationale reconnue, largir le concept de développement économique et social dans l'espace francophone, faire de la diversité culturelle et du dialogue des cultures un instrument au service du règlement pacifique des conflits et de la promotion d'une culture de paix. Cet ouvrage qui est un florilège des discours, messages et articles produits par Boutros Boutros Ghali aide mieux à cerner cette Francophonie devenue une organisation internationale part entière.

Peace Operations in the Francophone World Bruno Charbonneau, Tony Chafer, 2014-05-09 This book critically examines peacebuilding, humanitarian intervention and peace operation practices and experiences in francophone spaces. Francophone Africa as a specific space is relatively little studied in the peace and security literature despite the fact that almost half of all peacekeepers are deployed or were deployed in this part of Africa during the last decade. It is an arena for intervention that deserves more serious attention if only because it provides fertile ground for exploring the key questions raised in the peacekeeping and peacebuilding literature. For instance, in 2002 a French operation Licorne was launched and in 2003 a UN force was deployed in Côte d'Ivoire alongside the French force there. Filling a gap in the current literature, *Peace Operations in the Francophone World* critically examines peacekeeping and peacebuilding practices in the francophone world, including but not limited to conflict prevention and resolution, security sector reform, SSR, francophone politics and North-South relations. The book explores whether peace and security operations in francophone spaces have exceptional characteristics when compared with those carried out in other parts of the world and assesses whether an analysis of these operations in the francophone world can make a specific and original contribution to wider international debates about peacekeeping and peacebuilding. This book will be of much interest to students of peacekeeping, peacebuilding, peace and conflict studies, African politics, security studies and IR in general.

Dictionary of African Biography Emmanuel Kwaku Akyeampong, Professor Henry Louis Gates, Jr., 2012-02-02 From the Pharaohs to Fanon, *Dictionary of African Biography* provides a comprehensive overview of the lives of the men and women who shaped Africa's history. Unprecedented in scale, DAB covers the whole continent from Tunisia to South Africa, from Sierra Leone to Somalia. It also encompasses the full scope of history from Queen Hatshepsut of Egypt (1490-1468 BC) and Hannibal the military commander and strategist of Carthage (243-183 BC) to Kwame Nkrumah of Ghana (1909-1972), Miriam Makeba and Nelson Mandela of South Africa (1918).
