

A woman with long blonde hair, wearing a yellow top and a purple and blue skirt, stands in a field of tall grass. She is holding a large rainbow-colored umbrella in her right hand and has her left arm outstretched. She is looking up at the sky with a joyful expression. The background is a bright, cloudy sky.

Embrace The Day:

Sacred Rituals for Every Day Anselm Grün, 2017 Celebrates the unique quality and gift of each day through small rituals

The Light in the Window William Peters, 2011-08-24 the light in the window is 160 pages of Divine Inspiring Poetry This offering promises to carry you away on a flow of inspiration that will sweep your Heart Soul and Mind away As you experience this journey with Bill you will feel his connection to the collective Universal Energies the Soul of the very Earth all of Nature and all People His voice of Love Understanding and Deep Passion for Life and Love are indeed the whisperings of his soul Bill s gift of expression sheds an extraordinary light on those moments in life we so often allow to slip through our fingers let go unnoticed or deem ordinary every day occurrences For Bill there in lie the Treasures If you asked him about his writing he would simply say It s Not Me then he may tell you about a walk in nature a ride on a bus or a moment stuck in rush hour traffic His inspiration seemingly flows from a 4th person or on looker s standpoint He holds on to it only long enough to grab a pen and notebook where another voice takes over and he acts as merely the scribe Thoughtfully and lovingly included in this work are a few selected poems and writings by his children Their hearts are right there on the pages their souls speaking in the clear and concise voice of living and feeling How fortunate we are to hear them Juliette Probst Literary Consultant Artist Midway Utah

Poetic Expressions For The Soul Yvonne Annette Curtis, 2025-03-08 Everyone needs a word of encouragement to go forward to do better to find hope to find peace to find joy and to find happiness Life isn t always an easy journey with some people situations and things that we must endure that cross our path Therefore at times we all need a little spirit uplifting to keep our sanity positive and motivated not only to keep from doing something we may later regret but to maintain our inner peace Death is part of life they go together as well as good times goes with bad times Everything we go through is a struggle not for failure but to keep us holding on to faith to know that every struggle is productive as long as we keep striving and thriving to the end Love is the key to survival love is everything and so is God and so is poetry This collection of poetic expressions is written to inspire and motivate myself and others to live every day but one day at a time being better today than we were yesterday We have no control of what lies ahead or within but we do have control on how we choose to live or go about at what comes our way Don t procrastinate about doing things that could make a difference Life passes you by and so does time Don t be a would have should have could have but didn t These poems are poetic expressions about life death family friendship jobs experiences and so much more for the inner soul
