

"Few men know the golf courses of Scotland and Ireland better than Jim Finegan, and no man writes of them more movingly. . . . Simply a great read!"
—GEORGE PIERCE, author of *Two Runs to St. Andrews*

With a new chapter covering new courses and changes to old favorites.

Brett Cyrgalis

Emerald Fairways And Foam Flecked Seas A Golfers Pilgrimage To The Courses Of Ireland:

Emerald Fairways and Foam-Flecked Seas James W. Finegan, 1996-03-11 Every golfer dreams of making a pilgrimage to the British Isles to play the exhilarating game to be found on the ground that links land and sea Increasingly golfers on this side of the Atlantic have discovered that some of the most magnificent courses in the world and some of the most beautiful countrysides are to be found in Scotland s near neighbor Ireland For the tourist or the dreamer there can be no better guide than James W Finegan A passionate advocate and a charming storyteller Finegan combines a writer s eye a historian s knowledge and a golfer s sense of wonder to provide an impossibly ambitious grand tour of this beautiful land In a loop that begins in the west at Lahinch and continues clockwise through both the Republic and Northern Ireland Finegan covers nearly seventy courses visiting those that have become true shrines of the game the courses that are well known and respected and the little known gems you might otherwise pass right by Now updated with new courses and changes to old favorites *Emerald Fairways and Foam Flecked Seas* is a book to be read savored and tucked away in your suitcase when you finally undertake the journey of your d

Emerald Fairways and Foam-Flecked Seas James W. Finegan, 2007-01-09 A passionate advocate and a charming storyteller Finegan combines a writer s eye a historian s knowledge and a golfer s sense of wonder to provide an impossibly ambitious grand tour of this beautiful land

Historical Dictionary of Golf Bill Mallon, Randon Jerris, 2011-01-21 Golf has been called the greatest of all games but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled Traditional teaching holds that golf originated in Scotland around the 15th century However there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century Over the many centuries of golf s evolution the balls used have changed greatly as have the clubs the holes the courses and the entire game itself The *Historical Dictionary of Golf* presents a comprehensive history of the game through a chronology an introductory essay a bibliography photos and over 300 cross referenced dictionary entries on places teams terminology and people including Arnold Palmer Greg Norman Lee Trevino Jack Nicklaus Annika S renstam Lorena Ochoa Phil Mickelson and of course Tiger Woods Appendixes of the members of the World Golf Hall of Fame the Major Championships of Golf the International Team Events and the Professional Tour Awards are also included

All Courses Great And Small James W. Finegan, 2010-05-11 Every golfer dreams of making a pilgrimage to the British Isles and it sometimes seems as though every golfer is in fact making that pilgrimage especially when you re trying to book a tee time The legendary courses of Scotland and Ireland are magnificent shrines but their fame has obscured the greatness of the golf to be found all across the landscape of England and Wales From the heathland in the north and center to the linksland on the coasts England and Wales present an extraordinary variety of great golf experiences In *All Courses Great and Small* James W Finegan treats the reader to a countries wide survey of these golfing delights some famous like the Open Championship venues of Royal Birkdale Royal Lytham some well known like Sunningdale Wentworth and The Belfry and

some gems that have long been hidden in plain sight like The Addington in suburban London or Southport gives advice about lunch after your round at Sandwich raises a cup of grog at Gog Magog and tackles the playing and pronouncing problems posed by Pwllheli He gives full due to the best known places such as Rye Wentworth Hoylake and the royals but he also declares such lesser known treasures as St Enodoc Sillith on Solway Southerndown and Pennard to be every bit as worthy of your time and attention His books on the courses of Scotland and Ireland Blasted Heaths and Blessed Greens and Emerald Fairways and Foam Flecked Seas have become invaluable companions to thousands of travelers All Courses Great and Small is an irresistible and even more essential addition to the touring golfer's shelf and suitcase **Golf's Holy War** Brett

Cyrgalis, 2021-05-18 The world of golf is at a crossroads As technological innovations displace traditional philosophies the golfing community has splintered into two deeply combative factions the old school teachers and players who believe in feel artistry and imagination and the technical minded who want to remake the game around data In *Golf's Holy War* Brett Cyrgalis takes readers inside the heated battle playing out from weekend hackers to PGA Tour pros At the Titleist Performance Institute in Oceanside California golfers clad in full body sensors target weaknesses in their biomechanics while others take part in mental exercises designed to test their brain's psychological resilience Meanwhile coaches like Michael Hebron purge golfers of all technical information tapping into the power of intuitive physical learning by playing rudimentary games From historic St Andrews to manicured Augusta experimental communes in California to corporatized conferences in Orlando William James to Ben Hogan to theoretical physics the factions of the spiritual and technical push to redefine the boundaries of the game *Sacred Mobilities* Avril Maddrell, Alan Terry, 2016-03-03 This collection draws on the Mobilities

approach to look afresh at notions of the sacred where they intersect with people objects and other things on the move Consideration of a wide range of spiritual meanings and practices also sheds light on the motivations and experiences associated with particular mobilities Drawing on rich situated case studies this multi disciplinary collection discusses what mobility in the social sciences arts and humanities can tell us about movements and journeys prompted by religious more broadly spiritual and secular sacred practices and priorities Problematizing the fixity of sacred places and times as territorially and temporally bounded entities that exist in opposition to profane everyday life this collection looks at the intersection between the embodied emotional spiritual experience of places travel belief practices and communities It is this geographically informed perspective on the interleaving of religious spiritual secular notions of the sacred with the material and more than representational attributes of associated mobilities and related practices which constitutes this volume's original contribution to the field *Be the Pine, Be the Ball* Paul J. Zingg, 2018-04-27 Focusing on the landscapes and memory of golf and examining the game's nature and appeal this collection of seventy two haiku poems and essays aims to lead readers to a fuller appreciation of the culture and history of golf and a deeper awareness of a player's place in the game *Be the Pine Be the Ball* also reveals the compelling beauty and power of haiku the most popular poetic form in the world

Through the brevity of its style precise language and ability to reveal how ordinary moments and elements of our lives are pathways to a better understanding of ourselves and the world around us haiku can have both a meditative and consequential effect on the reader A key to the connection between haiku and golf is that both foster powers of concentration and detailed observation with a related reduction of distractions Both seek to cultivate a more tranquil and disciplined mind and to translate that condition into how a life is lived and a game is played

Aftermaths Marcus Paul Bullock, Peter Yoonsuk Paik, 2009 Aftermaths is a collection of essays offering compelling new ideas on exile migration and diaspora that have emerged in the global age In seeking fresh perspectives on the movement of people and ideas the essays included here look to the power of the aesthetic experience especially in literature and film to unsettle existing theoretical paradigms and enable the rethinking of conventionalized approaches

Rory Land Timothy M. Gay, 2025-05-13 RORY LAND is the unabashed story of Rory McIlroy golf's most compelling icon the caring but conflicted soul from a troubled Irish homeland with a swing that borders on the immaculate Timothy M Gay writes that four time major champion Rory McIlroy is golf's ageless Opie Taylor a freckled superstar whose boyish charm transcends national boundaries and enlivens the game His seemingly effortless swing is so powerful that Tiger Woods is teaching his own son to mimic Rory's action But a charismatic persona and a pretty swing don't necessarily translate into winning major championships Over the past decade Rory has had his heart ripped out as he's failed to win another major and fallen short of achieving the career Grand Slam He's also become a lightning rod getting into a profanity laced smackdown at the 23 Ryder Cup and after his betrayal by PGA Tour brass causing head scratching confusion by going from an impassioned opponent of a deal with the Saudi backed LIV Golf to an outspoken proponent His backtrack on LIV fits a disquieting pattern Gay reveals of Rory's propensity to flip flop on key principles and people McIlroy is from Northern Ireland a geopolitical anomaly where religion and patriotism have been used as bloody cudgels for much of the past century Both sides of his family were battered by the North's sectarian Troubles ugly realities that McIlroy has been loath to acknowledge Rory is Gay believes a man essentially without a country which might explain why he's become so obsessed with the Ryder Cup Gay argues that McIlroy has in effect invented his own fiefdom which the author has dubbed RORY LAND RORY LAND tells the up and down saga of a compassionate and kind hearted superstar living in a world where money has no conscience

Blasted Heaths And Blessed Greens James Finegan, 2012-12-11 In a loop of a thousand miles that begins in Edinburgh and ends across the Firth of Forth in St Andrews Finegan covers some sixty courses visiting the true shrines of the game the courses that are well known and respected and the little known gems you might otherwise pass right by He shares the history of the courses both of their creation and of the most famous matches played there he also writes marvelously about the scenic and strategic charms to be found as you play them yourself And he provides all the information you need to make your arrangements to do just that because unlike most championship courses in the United States the great courses of Scotland are available to the public In addition to his

delightful descriptions of the golf to be found there Finegan gives us his recommendations for places to stay ranging from the most modest bed and breakfast to the most magnificent castle hotel He describes the pleasures to be found off the beaten track the spectacular views from a country road or the ancient cathedral that s worth a stop on the way to the first tee And because all the travel within the country is done by car he spells out the actual routes from town to town and course to course

Yeats Richard J. Finneran,2001 Another volume in the distinguished annual Where Golf Is Great James W. Finegan,2006 Every golfer who s worth his favorite putter knows where golf is great Scotland birthplace of the game and still its most important shrine Whether golfers actually make the pilgrimage or arm chair it Where Golf Is Great is indispensable with its beautiful prose and stunning color photographs Golf **American Book Publishing Record** ,1996 **The British National Bibliography** Arthur James Wells,1998 **Book Review Digest** ,1998 *Subject Guide to Books in Print* ,1996 *Forthcoming Books* Rose Arny,1996-06 **Blasted Heaths and Blessed Green** James W. Finegan,2008-06-30 Every golfer alive knows that he or she has two ancestral homes one s own and Scotland On her rolling shores the game of golf had its origins and to walk the links of St Andrews is to feel at one with the shepherd who decided one day to see how far he could whack a stone with his crook Most serious golfers will make the pilgrimage to Scotland to try to hit the Postage Stamp green at Troon to trace the footsteps of Ben Hogan at Carnoustie and to brave the challenge of the Road Hole at St Andrews all golfers dream of taking such a trip For the tourist or the dreamer there can be no better guide than James W Finegan A passionate advocate of the game that s played on the links between land and sea Finegan combines a writer s eye a historian s knowledge and a golfer s sense of wonder and apprehension to provide an impossibly ambitious grand tour of golf s native land In a loop of a thousand miles that begins in Edinburgh and ends across the Firth of Forth in St Andrews Finegan covers some sixty courses visiting the true shrines of the game the courses that are well known and respected and the little known gems you might otherwise pass right by He shares the history of the courses both of their creation and of the most famous matches played there he also writes marvelously about the scenic and strategic charms to be found as you play them yourself And he provides all the information you need to make your arrangements to do just that because unlike most championship courses in the United States the great courses of Scotland are available to the public In addition to his delightful descriptions of the golf to be found there Finegan gives us his recommendations for places to stay ranging from the most modest bed and breakfast to the most magnificent castle hotel He describes the pleasures to be found off the beaten track the spectacular views from a country road or the ancient cathedral that s worth a stop on the way to the first tee And because all the travel within the country is done by car he spells out the actual routes from town to town and course to course **Blasted Heaths and Blessed Greens** is a book to be read to be savored and to be tucked away in your suitcase when you finally undertake the journey of your dreams *Blasted Heaths and Blessed Greens* James W. Finegan,1996 From tee to green throughout the British Isles seasoned golf writer James Finegan presents a unique look at

the most charming golfing destinations in the world He has also written a companion volume Emerald Fairways and Foam flecked Seas

Golf on the Links of Ireland Robert Kroeger, 2006-03-01 Golf on the Links of Ireland features over 30 golf courses found along the spectacular coastline of Ireland The author is a lucky man he s been blessed with a wonderful wife five children and a great son in law and has been fortunate enough to play on over 300 courses in the British Isles and Ireland With a passion for golf on links courses and with maternal roots lodged in Ireland he s always dreamed of letting his sons see the unique and disarming beauty of this enchanting island So in the summers of 2004 and 2005 two of his sons accompanied him on such a pilgrimage They wanted to discover the soul of Ireland to smell the crispness of an Irish morning on a seaside links to hit that ever intriguing blind shot over a sand dune Dave Mike and their dad played matches on 30 courses some against each other and some against Irish golf club members The author can honestly say that although he s played on all but one of the British Open courses in Scotland and England his most treasured memories are those matches against local club members John Low in a book he wrote in 1903 Concerning Golf described the merits of match play Golf is from the nature of the game a friendly affair eighteen little games eighteen new starts eighteen opportunities and each teeing ground may be a trysting place for fresh avowals of friendship The author comments To taste the salt in the breeze blowing in off the Irish Sea always invigorates me We played The European Club Doonbeg Old Head Waterville Portstewart Ballyliffin and Enniscrone all respectable tests of golf We delighted in the artfully crafted greens of the Alister MacKenzie gem at Lahinch and we took a tripback in time in visiting the remote links of Rosapenna only to find a modern links masterpiece sculpted by Pat Ruddy Some of our most treasured moments came at the wee nine holers at Cruit Island Connemara Isles Bushfoot and Spanish Bay In the these pages you might find a few tips on raising teenagers which as those of you who are parents know is always an interesting challenge Read about how Dave and Mike dealt with playing junior golf and eventually high school golf I have also chronicled a little bit about the relationship with my own father one that hasn t been as ideal as it could have been Many of the courses we played are unknown to the average person And that s good because generally they re not crowded and a three hour round is the norm not the exception M sons learned the essence of Irish golf simple elegance and stark beauty and amazing hospitality Well kept secrets many of these hidden gems showed us breathtaking scenery And while most of these courses will never host a British Open they offer good golf a round under three and a half hours and a chance to play with the Irish So sit down in your easy chair open these pages and join us on the shores of Ireland as we walk down the fairways over the burns and around the dunes Feel the excitement as we battle in our matches Revel in our birdies cringe at our triple bogeys Applaud our victories mourn our losses share our laughter I hope that someday you and yours can take such a trip Indeed I am a lucky man For golfers dreaming of a trip to this fascinating land this book is a must The following are some excerpts from the book Chapter 1 A family photograph taken in 1918 shows mymother at the tender age of two months her mother born to Irish parents in Pennsylvania her mother also born to Irish

parents in Pennsylvania and her mother Catherine Kitty Reed who was born in Dublin in 1827 The name Reed is not Irish so perhaps she had an English father Who knows But I am lucky to still have this photo of four generations of women tracing back our roots to the potato famine in Ireland Kitty would have been 17 when the famine started and she may have left Ireland in a coffin ship bound for America or Canada eventually winding
