Rubin, 2012-04-27. *Play Based Interventions for Children and Adolescents with Autism Spectrum Disorders* explores the most recognized researched and practical methods for using play therapy with the increasing number of children diagnosed with Autism Spectrum Disorders (ASDs) and shows clinicians how to integrate these methods into their practices. Using a diverse array of play-based approaches, the book brings together the voices of researchers and practicing clinicians who are successfully utilizing play and play-based interventions with children and adolescents on the autism spectrum. It also examines the neurobiological underpinnings of play in children on the autism spectrum and the overall effect of play on neurotypical and neuroatypical development. Finally, through careful integration of theory with real-world clinical case application, each chapter also shows clinicians how to incorporate a particular treatment approach and make it a viable and effective part of their work with this challenging clinical population. *The Spin* Marcus Stroman, 2023-07-11. In this second book in the semi-autobiographical middle grade series from MLB pitcher Marcus Stroman, young Marcus continues to learn hard lessons on and off the baseball field. Everyone knows Marcus Stroman as a baseball player. He loves the sport and yes, he probably has a shot at the pros. But baseball player doesn't totally define him. Why won't anyone also see him as a basketball player or a musician? While he loves being known for what he does well, he's struggling because people are trying to limit him to just one thing. Literally, how high up a mountain does Marcus need to climb to be completely free of what everyone else sees? How can he protect himself from the online zings, the chatter, and the opinions? When you walk out on the field or that court, how much criticism is fair play? With some perspective from a new view, Marcus realizes that no matter what field, court, or classroom he's in, he has to block some shots. **Free Lunch** Rex Ogle, 2019-09-10. Winner of the 2020 YALSA Excellence in Nonfiction Award. Instead of giving him lunch money, Rex's mom has signed him up for free meals. As a poor kid in a wealthy school district, better-off kids crowd impatiently behind him as he tries to explain to the cashier that he's on the free meal program. The lunch lady is hard of hearing, so Rex has to shout. *Free Lunch* is the story of Rex's efforts to navigate his first semester of sixth grade, who to sit with, not being able to join the football team, Halloween in a handmade costume, classmates and a teacher who take one look at him and decide he's trouble, all while wearing secondhand clothes and being hungry. His mom and her boyfriend are out of work, and life at home is punctuated by outbursts of violence. Halfway through the semester, his family is evicted and ends up in government subsidized housing. In view of the school, Rex lingers at the end of last period every day until the buses have left so no one will see where he lives. Unsparring and realistic, *Free Lunch* is a story of hardship threaded with hope and moments of grace. Rex's voice is compelling and authentic, and *Free Lunch* is a true, timely, and essential work that illuminates the lived experience of poverty in America.
