Goodell,2018-01-17 Excerpt from Followers of the Gleam or Modern Miracles of Grace This book is an attempt to put into lan guage the spiritual experiences of the aver age individual to the end that those who find themselves so circumstanced may hear in their own tongue the wonderful works of God It is the story of those who followed the Gleam which is the Light which lighteth every man that cometh into the world Then too the need of the hour seems to be some inspiration toward the formation of character which shall make reformation un necessary The best treasure house for re ligious experience is the mind that has never lost its purity The more we have known of evil the less our capacity to know God is likely to become The wounds of the soul may be healed but to eradicate the scar is a long process The mind that has shunned evil may not be able to testify to startlingly definite crises but the settled conviction of such a life
