heartrending detail Cart shares how Ben developed an incurable autoimmune condition that was manageable and under control one minute and threatened to kill him the next landing him in the ICU as the Covid pandemic closed the world down Thrust into the role of nurse and caregiver Sarah joined the ranks of 39 million Americans who champion and care for an ailing loved one In addition to confronting doubts fears and endless setbacks aggravations and red tape she also had to consent to daunting procedures on Ben s behalf Too there were the months long Covid era restrictions on hospital visitations and the post surgery snafus with home healthcare personnel Thank goodness for the heartfelt communiques with family and friends all of which reflect the faith fortitude grit and grace that sustained her While readers will identify with Sarah s anxieties and be moved by hers and Ben s strength they will also learn the questions to ask the notes to take the signs to never overlook and the self care necessary should they ever find themselves in her shoes On My Way Back to You is a profoundly inspirational account of one couple s medical odyssey and the patience determination and love that ultimately helped them find their way back to one another
