Following Djuna Women Lovers And The Erotics Of Loss:

Following Djuna Carolyn Allen, 1996 *Following Djuna* reads contemporary novelists in the tradition of Djuna Barnes arguing for the importance of women's fiction in understanding women's erotics emotional and sexual exchanges between women Barnes's *Nightwood* with its experimental form and passionate language has made its mark on contemporary writers and Carolyn Allen argues that Harris Winterson and Brown continue Barnes's explorations of obsession loss excess and power between women lovers Allen stresses the importance of difference in lovers who are like and the influence of memory in the making of desire At the same time she illuminates the ongoing trade offs between passion and comfort and between loss and discovery as crucial to the intensity of women's erotics

Following Djuna Carolyn Allen, 1996-02-22 Allen's book will provide the categories that will deepen our understanding of lesbian relationships and of lesbian fiction Lesbian Review of Books Barnes scholars will want to pick up Carolyn Allen's new book for it not only offers perceptive readings of *Nightwood* and the Little Girl stories but traces the example of Barnes's exploration of lesbian power and loss in the fiction of Jeanette Winterson Rebecca Brown and the underrated Bertha Harris Review of Contemporary Fiction fascinating a fine volume Choice *Following Djuna* is a fascinating analysis of the textual erotics and lyrical seductions of the work of Djuna Barnes and the writers she influences This scintillating genealogy of lesbian intertextuality expands the field of lesbian and feminist literary inquiry and concepts of lesbian literary production Judith Roof As lesbian literary history here is an instant classic Jane Marcus This is an important and necessary book even further speaking as an admirer of the writers and literary works it discusses and as a personal expert on lost love I find *Following Djuna* irresistible Karen Helfrich Lambda Book Report Carolyn Allen argues for the importance of women's fiction in understanding women's erotics emotional and sexual exchanges between women

Angels of Modernism S. Hobson, 2011-10-26 The angel can be viewed as a signal reference to modernist attempts to accommodate religious languages to self consciously modern cultures This book uses the angel to explore the relations between modernist literature and early twentieth century debates over the secular and or religious character of the modern age

Queer Environmentality Robert Azzarello, 2016-04-15 Offering a model for meaningful dialogue between queer studies and environmental studies Robert Azzarello's book traces a queer environmental lineage in American Romantic and post Romantic literature Azzarello challenges the notion that reading environmental literature is unsatisfying in terms of aesthetics and proposes an understanding of literary environmentalism that is rich in poetic complexity With the term queer environmentality Azzarello points towards a queer sensibility in the history of environmental literature to balance the dominant narrative that reading environmental literature is tantamount to witnessing a spectacular dramatization of heterosexual teleology Azzarello's study treats four key figures in the American literary tradition Henry David Thoreau Herman Melville Willa Cather and Djuna Barnes Each of these writers problematizes conventional notions of the strange matrix between the human the natural and the sexual They brilliantly demonstrate the ways in which the queer

project and the environmental project are always connected or put another way show that questions and politics of human sexuality are always entwined with those associated with the other than human world

A Concise Companion to Postwar American Literature and Culture Josephine Hendin, 2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive

Feeling Backward Heather Love, 2009-03-31 Love weighs the costs of the contemporary move to the mainstream in lesbian and gay culture While widening tolerance for same sex marriage and gay themed media brings clear benefits assimilation entails losses hard to identify or mourn since many aspects of historical gay culture are so closely associated with the pain and shame of the closet

The Cambridge History of Modernism Vincent Sherry, 2017-01-11 This Cambridge History of Modernism is the first comprehensive history of modernism in the distinguished Cambridge Histories series It identifies a distinctive temperament of modernism within the modern period establishing the circumstances of modernized life as the ground and warrant for an art that becomes modernist by virtue of its demonstrably self conscious involvement in this modern condition Following this sensibility from the end of the nineteenth century to the middle of the twentieth tracking its manifestations across pan European and transatlantic locations the forty three chapters offer a remarkable combination of breadth and focus Prominent scholars of modernism provide analytical narratives of its literature music visual arts architecture philosophy and science offering circumstantial accounts of its diverse personnel in their many settings These historically informed readings offer definitive accounts of the major work of twentieth century cultural history and provide a new cornerstone for the study of modernism in the current century

Encyclopedia of Feminist Literature Mary Ellen Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors themes and history

Queering the Underworld Scott Herring, 2009-05-15 At the start of the twentieth century tales of how the other half lives experienced a surge in popularity People looking to go slumming without leaving home turned to these narratives for spectacular revelations of the underworld and sordid details about the deviants who populated it In this major rethinking of American literature and culture Scott Herring explores how a key group of authors manipulated this genre to paradoxically evade the confines of sexual identification Queering the Underworld examines a range of writers from Jane Addams and Willa Cather to Carl Van Vechten and Djuna Barnes revealing how they fulfilled the conventions of slumming literature but undermined its

goals and in the process queered the genre itself Their work frustrated the reader's desire for sexual knowledge restored the inscrutability of sexual identity and cast doubt on the value of a homosexual subculture made visible and therefore subject to official control Herring is persuasive and polemical in connecting these writers to ongoing debates about lesbian and gay history and politics and *Queering the Underworld* will be widely read by students and scholars of literature history and sexuality

Modernist Eroticism A. Schaffner, S. Weller, 2012-09-27 This volume explores the impact of sexological and early psychoanalytic conceptions of sexual perversion on the representation of the erotic in the work of a range of major European modernists including Joyce Kafka Lawrence Mann Proust and Rilke as well as in that of some less well known figures of the period such as Dujardin and Jahn

Enacting Past and Present Michaela M. Grobbel, 2009-01-28 Through a discussion of Walter Benjamin Sigmund Freud Mieke Bal and others author Michaela Grobbel focuses on the work three women authors as types of performance which lead to representations of memory These women writers foreground the present but also critically demonstrate the complex relationship of the present to the past Grobbel's work is a critical addition to any discussion of feminism memory and literary modernism

With Her Machete in Her Hand Catrióna Rueda Esquibel, 2009-09-15 With the 1981 publication of the groundbreaking anthology *This Bridge Called My Back* Writings by Radical Women of Color Cherríe Moraga and Gloria Anzaldúa ushered in an era of Chicana lesbian writing But while these two writers have achieved iconic status observers of the Chicana experience have been slow to perceive the existence of a whole community lesbian and straight male as well as female who write about the Chicana lesbian experience To create a first full map of that community this book explores a wide range of plays novels and short stories by Chicana authors that depict lesbian characters or lesbian desire Catrióna Rueda Esquibel starts from the premise that Chicana communities theories and feminisms cannot be fully understood without taking account of the perspectives and experiences of Chicana lesbians To open up these perspectives she engages in close readings of works centered around the following themes *La Llorona* the Aztec Princess Sor Juana Inés de la Cruz girlhood friendships rural communities and history and Chicana activism Her investigation broadens the community of Chicana lesbian writers well beyond Moraga and Anzaldúa while it also demonstrates that the histories of Chicana lesbians have had to be written in works of fiction because these women have been marginalized and excluded in canonical writings on Chicano life and experience

Rebecca Brown: Literary Subversions of Homonormalization Lies Xhonneux, 2014-03-28 Rebecca Brown has been dubbed the great secret of American letters This Seattle based lesbian author is especially known for being a writer's writer although her award winning and widely translated book *The Gifts of the Body* is popular with an international reading audience Unlike her more illustrious lesbian colleagues Sarah Waters and Jeanette Winterson Rebecca Brown has been working in the shadows for the past thirty years to compose a challenging and highly rewarding oeuvre Her writings form a fascinating countervoice to the current trend of homonormalization Brown's unapologetic representations of violent or imbalanced same sex relations and

communities as well as her fictional engagement with a history of homosexual stigmatization and its continuation into the present are of great cultural significance Yet academic investigations of her oeuvre are still largely lacking Thanks to its analysis of identities and identifications this book covers the main areas that are of interest when studying Brown s oeuvre the spheres of the social and the historical In addition the book reveals how literary texts like Brown s can resonate substantiate and inflect queer theory as well as social and psychoanalytic theories on gendered or sexual identifications This book is the first study to examines critically the entire oeuvre of Rebecca Brown It approaches Brown s work from the perspective of queer theory and social theory on identities and identifications This framework is supplemented with critical appropriations of classic psychoanalytic thinking on the related concepts of incorporation melancholia and narcissism Brown s closely considered writings offer an unusually rewarding case study in this respect and require attention to both the spheres of the social and the historical The book explores the processes of identity formation in Brown s work in two social contexts that of biological and queer kinship It examines Brown s demythologization of the nuclear family and argues that in the context of queer kinship too Brown s presentations take the form of a critical examination tackling taboo subjects such as identity formation in positions of extreme dependency The book also explores the historical identifications taking place in Brown s oeuvre addressing their autobiographical nature and contesting a reading of Brown s characters as traditional minority subjects in full possession of their life stories This is an important book for research on women writers queer studies and contemporary literature

Transgressing Boundaries in Jeanette Winterson's Fiction Sonia Front,2009 The subsequent chapters of the book deal with selected questions from Jeanette Winterson s fiction such as gender issues love and eroticism language and time

constituting areas within which Winterson's characters seek their identity. As they contest and repudiate cliché's stereotypes and patterns, their journey of self-discovery is accomplished through transgression. The book analyzes how the subversion of phallogocentric narrative and scenarios entails the reenvisioning of relations between the genders and reconceptualization of female desire. The author attempts to determine the consequences of Winterson's manipulations with gender, sexuality, and time, and her disruption of the binary system.

'I'm Telling You Stories' Helena Grice, Tim Woods, 1998. This is a jubilant and rewarding collection of Winterson scholarship, a superb group of essays from a host of fine authors.

Improper Modernism Daniela Caselli, 2016-12-05. In her compelling reexamination of Djuna Barnes's work, Daniela Caselli raises timely questions about Barnes's biography and feminist criticism, identity and authority, and modernist canon formation. Through close readings of Barnes's manuscripts, correspondence, critically acclaimed and little-known texts, Caselli tackles one of the central, unacknowledged issues in Barnes's intertextuality. She shows how throughout Barnes's corpus, the repetition of texts by other authors, from Blake to Middleton, and by Barnes herself, forces us to rethink the relationship between authority and gender, and the reasons for her marginal place within modernism. All her texts, linked as they are by correspondences and permutations, wage a war against the common sense of the straight mind. Caselli begins by analyzing how literary criticism has shaped our perceptions of Barnes, showing how the various personae assigned to Barnes are challenged when the right questions are posed. Why is Barnes such a famous author when many of her texts remain unread even by critics? Why has criticism reduced Barnes's work to biographical speculations? How can Barnes's hybrid, eccentric, and unconventional corpus be read as part of literary modernism when it often seems to sever itself from it? How can an oeuvre reject the labels of feminist and lesbian literature whilst nevertheless holding at its centre the relationships between language, sexuality, and the real? How can Barnes's work help us to rethink the relation between simplicity and difficulty within literary modernism? Caselli concludes by arguing that Barnes's complex and bewildering work is committed to a high modernist notion of art as a supremely difficult undertaking whilst refusing to conform to standards of modernist acceptability.
