empower and encourage its readers to seek God fiercely and independently every day We are in a spiritual warfare yet too many believers are complacent deceived and prisoners of war We live in a time when preachers are afraid to speak against sin while church members live precariously in their lust and pride The global Beast system is upon us and has reached every aspect of our lives especially in the realm of religion This ancient and unrestricted warfare rages on each day but God is mobilizing His people in such a way that no matter how fierce the persecution may be there will always be a people who will stand up against the status quo Is it any wonder that many firm believers have left the modern day church Many were compelled to leave by God s invisible hand moving protecting and preparing His people We can no longer rely solely on church leaders We must get a hold of God for ourselves We must hear His voice and obey His will without compromise We are not just called to be the watchmen of this generation we are called to be warriors fully engaged in the good fight of faith We are called to be overcomers until the end so that when the Son of man comes to find faith on the earth He will not be disappointed The author s prayer is that we will be counted among those who are faithful eager and waiting for His Return In His Presence provokes believers to pray more intensely study His word more thoroughly and live a life that is holy unto Him

*There Is Power in the Spoken Word of God* Gladys Conteh,2021-05-21 God s spoken Word is complete with all His fullness with all power to accomplish what it is sent forth to do There is supernatural power in the spoken Word of God All things came into being through the power in the spoken Word of the Father As the rain and the snow come down from heaven and do not return to it without watering the earth and making it bud and flourish so that it yields seed for the sower and bread for the eater so is My Word that goes out from My mouth it will not return to Me empty but will accomplish what I desire and achieve the purpose for which I sent it Declares the Lord God Isaiah 55 10 11 NIV God s spoken Word will never return void without fulfilling its purpose but will yield forth and produce results that are pleasing in His sight God s spoken Word is true and with infinite power it has been tried tested and purified Believe in the unchanging and powerful Word of God because all things are possible to them that believe *The Holy Word for Morning Revival - Crystallization-study of Colossians, Volume 1* Witness Lee,2017-06-16 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Summer Training held June 28 July 3 2004 in Anaheim California on the crystallization study of Colossians Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **Follow the Son** Sandie Beckman,2021-03-24 Follow the Son By Sandie Beckman Author Sandie Beckman s spirit sensed the urgency and desperation to reach out in compassion to receptive hearts that wanted the intimacy and the power of the Lord A fresh vision and revelation is needed to be delivered from the spiritual darkness that is growing at a fast pace This means we need to break out of the status quo of Christianity and be energized by the Holy Spirit It s time to make the End Time church a place of God s power God wants to release his power but only after

He establishes an intimate bridal partnership with his church Without this intimacy his church will not handle the fullness of his power If we are distracted by other things over time our hearts will burn out like a field burned out and it then becomes hard to grow anything Follow the Son will help us to understand God s heart his ways and unconditional love and acceptance for all of mankind and his desire to share intimacy with us Our spiritual journey should be one with enthusiasm expectancy a journey of truth and blessings an adventure of fulfilling inspiration and rewarding If you want to conquer the heart of Jesus it will take devotion a determination obedience and heartfelt prayer and quality time spent with the Lord and waiting and worshiping upon Him It will be a rewarding experience God is looking for people as such But the hour is coming and now is when the true worshipers will worship the Father in spirit and truth for the Father is seeking such to worship Him John 4 23 If this is you break free of the fear of being branded as too fanatical or always having to apologize for your spiritual lifestyle be the bridal partner Jesus desires so come on Follow the Son *In His Presence* YWAM Publishing,2003 From the classic writings of giants of the church including Charles Spurgeon Joseph Parker George Muller Hudson Taylor George MacDonald and John Wesley Lance Wubbels has compiled and edited the very best of the best of their inspirational insights on the Gospel of Matthew Following the biblical text through the entire life of Christ here are 366 devotional readings packed with profound biblical commentary brilliant wisdom and practical application to a Christian s daily walk with God **Prayer Book Parallels Volume 1** Paul V. T. Jackson, Etc** Thomas Jackson,1673 **Early in His Presence** Joyce A. Harris,2015-05-11 Early in His Presence is a devotional book designed to encourage Christians and non Christians to devote at least two hours and forty minutes a day for reading the Bible and prayer for spiritual growth and maturity The time mentioned was derived from the twenty four hours a day that God gives to each of us Its like the tithing principle 10 percent of all your income to be given to the Lord If God gives us twenty four hours a day giving Him 10 percent of our time is two hours and forty minutes a day Dont

try to do it all at once but gradually grow into it a little at a time until you can do it Keep track of the time you spend with the Lord even if its only fifteen minutes Gradually keep adding on to it until you have accomplished your goal These devotionals should encourage you to desire a closer walk with the Lord and to develop a closer personal relationship with Him Before you begin your quiet time in His presence pray and ask God to open your heart and mind to receive what He has for you each day I am confident you will be inspired revived recharged and blessed as you spend time Early In His Presence **Jeanne Guyon's Mystical Perfection through Eucharistic Suffering** Jeanne de la Mothe Guyon,2020-09-22 Madame Jeanne Guyon 1648 1717 a woman of great wisdom and worship was filled with the richness of God s grace as she endured hardships and abuse in her married life Blessed with children and great earthly wealth she suffered physically mentally emotionally and spiritually at the hands of her spiritual leaders imprisoned unjustly for her simple yet solid faith in Christ her Divine Confidant Trusting in her Lord she expressed her insights in commentaries concerning the Scriptures seeing in them the mysteries of the holy Eucharist the sacrificial presence of her merciful Savior Through her intercession we are inspired to adore the Lord uniting our suffering to his as she did *A soliloquy on the art of man-fishing. Repr* Thomas Boston,1840

**The Light That Is Given** Patricia Dallmann,2024-06-28 Speaking from the traditional Quaker claim of inward knowledge of Christ the Light the author shows her accord with early Friends writings and the Scriptures they affirmed Promptings arising from daily readings and personal interactions provide the starting point for many of the book s essays Other genres including interviews and dialogues also present a perspective that largely has been lost to modern day forms of the faith Though not allowing authoritative texts to displace the prerogative of Spirit the author often cites both Scriptures and seventeenth century Friends to support her themes with their good sense and authority and thus she demonstrates the unity of the faith from century to century from millennium to millennium **Everything We Need for Life and Godliness** Sara E. Gulino,2012-06-19 Why do we read the Psalms We read them because we find comfort in them We identify ourselves with the ups and downs of the writer his feelings and emotions They show the struggles of the writer with Gods activities how long before you The psalmist says and our cry to the Lord mixes with his They show his fears when he writes though I walk through the valley of the shadow of death and our fear becomes one with his The theologian reads them because of their prophetic and Messianic teachings But do we ever read them because they teach us how we relate to God See how the Psalms teach us what a person in a right relationship with God does in his relationship with Him Experience a thrilling growing and often convicting journey in God while being richly blessed as you learn what it means He establishes the work of our hands and see the Apostle Pauls example We know that our times are in Gods hands and see how God created time for our salvation and why He determines our days We consider all precepts right and see the problems of the pick and choose theology We are devoted to God and see how were little burning bushes walking the streets of this world We trust in God and see how little we doand much more Liahona ,1910 *The Church School Journal* ,1899 **For Glory and Virtue** Tim
