**Quotations from Chairman Mao Tsetung** Zedong Mao, 1990      **A Continuous Revolution** Barbara Mittler, 2020-03-17 Cultural Revolution Culture often denigrated as nothing but propaganda was liked not only in its heyday but continues to be enjoyed today A Continuous Revolution sets out to explain its legacy By considering Cultural Revolution propaganda art music stage works prints and posters comics and literature from the point of view of its longue dur e Barbara Mittler suggests it was able to build on a tradition of earlier art works and this allowed for its sedimentation in cultural memory and its proliferation in contemporary China Taking the aesthetic experience of the Cultural Revolution 1966 1976 as her base Mittler juxtaposes close readings and analyses of cultural products from the period with impressions given in a series of personal interviews conducted in the early 2000s with Chinese from diverse class and generational backgrounds By including much testimony from these original voices Mittler illustrates the extremely multifaceted and contradictory nature of the Cultural Revolution both in terms of artistic production and of its cultural experience      *Afterlives of Chinese Communism* Christian Sorace, Ivan Franceschini, Nicholas Loubere, 2019-06-25 Afterlives of Chinese Communism comprises essays from over fifty world renowned scholars in the China field from various disciplines and continents It provides an indispensable guide for understanding how the Mao era continues to shape Chinese politics today Each chapter discusses a concept or practice from the Mao period what it attempted to do and what has become of it since The authors respond to the legacy of Maoism from numerous perspectives to consider what lessons Chinese communism can offer today and whether there is a future for the egalitarian politics that it once promised      **Encounters** Cynthia Y. Ning, Stephen L. Tschudi, John S. Montanaro, 2016-01-01 Audio program by Cynthia y Ning and the Confucius Institute T p      **Mao's Road to Power** Stuart Schram, Timothy Cheek, Roderick MacFarquhar, 2015-07-16 This eighth volume covers the period 1942 to 1945 when Mao asserted his status as the incarnation and symbol of the Chinese Revolution and the sinification of Marxism Leninism      **The Revival of China [with Pictures]** MAO Min, The book is about the revival of China in the 20th century and the first decade of the 21st century It has eight parts 1 The civil revolution in China 2 The countryside bases 3 The Long March of the Red Army 4 The Anti Japanese War 5 Decisive civil battles before the establishment of the People s Republic of China 6 The Mao Era before the Great Cultural Revolution 7 The Great Cultural Revolution and 8 The Reform and opening up This version of the book is with pictures      The Struggle for Sustainability in Rural China Bryan Tilt, 2009-12-15 Though China s economy is projected to become the world s largest within the next twenty years industrial pollution threatens both the health of the country s citizens and the natural resources on which their economy depends Capturing the consequences of this reality Bryan Tilt conducts an in depth ethnographic study of Futian Township a rural community reeling from pollution The industrial township is located in the populous southwestern province of Sichuan Three local factories a zinc smelter a coking plant and a coal washing plant produce air and water pollution that far exceeds the standards set by the World Health

Organization and China's Ministry of Environmental Protection Interviewing state and company officials factory workers farmers and scientists Tilt shows how residents cope with this pollution and how they view its effects on health and economic growth Striking at the heart of the community's environmental values he explores the intersection between civil society and environmental policy weighing the tradeoffs between protection and economic growth Tilt ultimately finds that the residents are quite concerned about pollution and he investigates the various strategies they use to fight it His study unravels the complexity of sustainable development within a rapidly changing nation

**When They Go Low, We Go High** Philip Collins, 2018-07-17 Can a good speech save democracy Anyone interested in the past present and future of speeches and speechwriting will find this a fascinating read The Spectator When First Lady Michelle Obama approached the podium at the 2016 Democratic National Convention nobody could have predicted that her rousing line When they go low we go high would become the motto for the political left and an anthem for opponents of oppression worldwide It was a speech with the kind of emotional pull rarely heard these days joining a long list of addresses that have made history But what was it that made this speech so great When They Go Low We Go High explores the most notable speeches in history analyzing the rhetorical techniques to uncover how the right speech at the right time can profoundly shape the world Traveling across continents and centuries political speechwriter Philip Collins reveals what Thomas Jefferson owes to Cicero and Pericles who really gave the Gettysburg Address and what Elizabeth I shares with Winston Churchill In telling the stories of famous and sometimes infamous speeches including those from Lincoln Woodrow Wilson JFK Martin Luther King Jr Disraeli Hitler Elie Wiesel Margaret Thatcher and Barack and Michelle Obama Collins breathes new life into words you thought you knew well telling the story of democracy Whether it's the inaugural addresses of presidents or the revolutionary writings of Castro Pankhurst and Mandela Collins illuminates and contextualizes these moments with sensitivity and humor When They Go Low We Go High examines the power of public speaking and serves as an urgent reminder that words can change the world Hits on three unassailable truths rhetoric and democracy must go hand in hand democracy for all of its flaws is superior to tyranny and democracy is currently under assault Paste Collins understands intimately the mechanics of rhetoric He believes that we as human beings possess the capacity to extract ourselves from the swamp in which we have sunk The Times

Socrates in Sichuan Peter J. Vernezze, 2011-04-30 When Peter J Vernezze took a leave of absence from his position as a philosophy professor to serve as a Peace Corps volunteer in China he supplemented his main task teaching English with leading a weekly philosophical discussion group with Chinese undergraduate and graduate students at Sichuan Normal University in Chengdu In each session the students debated topics as diverse as the status of truth the meaning of life the reality of fate the definition of sanity the necessity of religion and the value of romantic love Each of the twenty five chapters focuses on the topic of one evening's discussion which was always in the form of a question How are ancient conceptions of virtue holding up in a society overrun by capitalism Are traditionally conservative sexual values going the way of the rickshaw Can an

atheistic country even have a sense of morality This unprecedented portrait of the Chinese mind allows the up and coming generation known as the ba ling hou or post 1980s generation to express its unique perspective on China and America In addition the book provides the reader with a crash course in Chinese culture both ancient and modern as students discuss everything from Confucius to the Edison Chen scandal a Chinese pop star whose sexually explicit pictures found their way onto the Internet from classical Chinese poetry to the Super Boy and Super Girl competitions Chinese versions of American Idol Throughout the author provides the intellectual and historical context necessary to appreciate and understand today s China

Pilgrimage Ian S. McIntosh,2020-05-11 This is a book about pilgrimage peace building and being here in the future Sacred journeys are by far the most peaceful mass rituals that humankind has yet devised for itself Can these journeys contribute to ending the poverty racial inequality and intractable conflict so common on the world stage today In a radical rethinking of the nature and definition of pilgrimage anthropologist Ian McIntosh describes this ancient practice as a handy tool in the peace builder s toolkit In a range of case studies he shows how pilgrimage provides geographically and historically separated peoples with a strong sense of their membership in a global community facing global challenges The text includes autobiographical accounts of the author s experience of pilgrimage in Aboriginal Australia Communist China multi faith Sri Lanka and the embattled Gaza Strip There are also academic papers that advance the proposed link between pilgrimage and peace building from Canada India Kenya Pakistan Russia and elsewhere The common thread in all these sacred journeys is a vision of peace justice and sustainability We are all in this together For humankind to survive on this planet pilgrimage in all its rich diversity will undoubtedly play a critical role

*Mao's Little Red Book* Alexander C. Cook,2014-03-06 Mao Zedong s Little Red Book Quotations from Chairman Mao a compilation of the Chinese leader s speeches and writings is one of the most visible and ubiquitous symbols of twentieth century radicalism Published for the first time in 1964 it rapidly became the must have accessory for Red Guards and revolutionaries from Berkeley to Bamako Yet despite its worldwide circulation and enduring presence there has until now been no serious scholarly effort to understand this seminal text as a global historical phenomenon Mao s Little Red Book brings together a range of innovative scholars from around the world to explore the fascinating variety of uses and forms that Mao s Quotations has taken from rhetoric art and song to talisman badge and weapon The authors of this pioneering volume use Mao s Quotations as a medium through which to re examine the history of the twentieth century world challenging established ideas about the book to reveal its remarkable global impact
