Shake T. W. Sherman, 2016-12-21 Shakir Shake Rollins wants to give up on life He has lost it all his family his faith and seemingly his whole future The only way he sees out of his predicament is the easy way which is death by his own hands But then he stumbles upon an assassination and meets Greek a drug lord with a questionable past Soon Shake finds out that life is more than dark allies and chasing the next high He finds out that life can offer much more than is expected and that love and hate are always around the next corner He has to come out of the shadows so he dives headfirst into Greek's empire and learns the true meaning of friendship family and ultimate sacrifice Nothing is as it seems and the past is never far from the present When everything he's worked so hard for is threatened he must find a way to bring the past the present and the future together in order to win the war against Dago The only problem is that secrets are a way of life for everyone around him Perception doesn't always reflect reality
