Fools On The Hill:

Fools on the Hill Dana Milbank, 2024-09-24 From the halls of Congress New York Times bestselling author Dana Milbank exposes the chaotic incompetent and dysfunctional state of the current Republican House a confederacy of dunces united by paranoia and conspiracy theories blundering from one self inflicted crisis to the next When Republicans took control of the House in the 2022 midterm elections with a historically slim majority mayhem began immediately Failed completely Can't govern Broken Lunatics Embarrassing Bunch of idiots And that's how House Republicans described themselves Take it from Marjorie Taylor Greene who said in May 2024 that many Americans in general are sick and tired and fed up with a feckless useless Republican Party a conference that does nothing This is the House of George Santos and Jim Jordan of Lauren Boebert and Matt Gaetz They investigated space aliens and Hunter Biden's art dealer They punched and they groped They championed Confederates and insurrectionists while disparaging the military and sabotaging the economy They tied up the House so often with far right fantasies that they produced what was arguably the least effective session of Congress in history Dana Milbank widely read Washington Post columnist spent a year reporting from inside the Capitol watching the circus from the front row The result Fools on the Hill is simultaneously horrifying and laugh out loud funny Sadly it is all true

Do You Hear What I Hear? Anthony Monzo, 2023-03-07 God speaks to us in many different ways The Bible of course is His primary source but if you focus on what you are seeing and hearing in the world around you you can find spiritual messages in so many different sources as God uses us as vessels to convey His message of salvation to the world This includes through the visions of creation the fragrances of nature the sounds of the singing birds the thunder of the clouds the roars of the oceans the amazing sunsets the glorious sunrises and even in the quiet and dark star filled nights As Paul wrote in Romans 1:20 NIV For since the creation of the world God's invisible qualities his eternal power and divine nature have been clearly seen being understood from what has been made so that people are without excuse He also speaks to us through music and film in ways that we don't realize unless we are really paying attention This book presents a taste of how popular music and movies and even art as displayed on the cover can convey a message of hope and love to all those who have ears to hear and eyes to see what God is trying to tell them Some of the interpretations are based on what I perceive these songs or movies to be about which may not necessarily be what the writer intended Yet if you open up your heart you can find a message of love and hope in so many songs and movies and this message is what the gospel is all about Jesus gave a new commandment when he said in John 13:34 NLT Love each other Just as I have loved you you should love each other And the hope that we have is the confident anticipation of spending eternity with the Lord in His eternal kingdom and not just wishful thinking which is nothing but a worldly hope
