*Book 4: Soccer Revelations Coaching Knowledge* Bert Holcroft, 2019-05-17

The Holcroft saga is a rugby story the like of which may never have been equaled in the history of the game It begins over a century ago when Mr George Holcroft took charge of Leigh St Peters RLFC in 1889 He married and when his family grew Jack Harry William and Tom all played for local teams They married and George's grandsons Bert and Bill also played Bert Holcroft has been a distinguished servant for the game of rugby all his life He holds coaching certificates from both the Australian and British governing bodies one of only a handful of men to achieve such an honor in the game's history For twenty odd years Bert Holcroft has had one of the unlikeliest jobs in sport teaching Australian rugby coaches how to coach Considering the Australian dominance in the World Rugby in recent years that might seem par with taking coal to Newcastle But make no mistake Bert Holcroft has done as much as anyone to ensure Australia's reemergence as a major rugby power On the face of it Australia wouldn't seem to need any outside help let alone from a Pom Their record of only one test defeat since 1978 speaks for itself But Bert's reputation is nationwide down under quite simply he's one of the best in the business

Bert who played for Leigh between 1950-60 has spent much of his latter years Down Under lecturing to top grade coaches in New South Wales. Born and bred in Cameron Street Leigh, Bert has few peers when it comes to teaching the basics of the 13 a side game. Since migrating in the late 60s, Bert has dedicated his life to coaching and fitness techniques. Teams in Queensland, New South Wales and Sydney have all come under his influence, often with spectacular results. Bert's credentials are impeccable. Last summer he achieved the highest accolade in Australia, his grade 3 certificate personally signed by the then Australian league chairman Kevin Humphreys and the director of coaching Peter Corcoran. Three years earlier, Bert has sailed through his grade 1 and 2 with flying colors. In 1953 he was awarded his senior coaching certificate in England. Bert, who held a number of posts at Hilton Park before immigrating to Australia, has spent a lot of his time heavily involved with rugby in the universities there. He became director of coaching for the University of New South Wales and later coach of the Combined Universities side. He was awarded coaching accreditation by the Australian Institute of Sport, Department of Sport and Recreation, New South Wales and the NSW Rugby League for administration as well as national coaching certificates in both Britain and Australia, being one of only a handful of people to do so. Eventually, the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs.

**Coaching Youth Soccer** Kevin McShane, 2010-06-28. The popularity of youth soccer in the United States has increased dramatically in recent years. The number of players and spectators has risen and soccer now rivals the more traditional American sports of baseball, basketball and football. This is a study of current youth soccer training methods at professional clubs in Europe, where soccer is an extremely competitive sport, and a guide to applying those methods to young people in the United States. The author draws much of his information from personal observation of the FC Barcelona, Newcastle United, Glasgow Celtic, Munich 1860 and Slavia Prague professional teams in Europe and provides an overview of the state of youth soccer in the United States. Chapters cover such topics as facilities, equipment, organization and environment, player evaluation, training timetables and components, coaching and philosophies of youth soccer. Also included are approximately 100 diagrams of soccer training exercises for youth coaches.

*Coach Education in Football* Thomas M. Leeder, 2022-06-09. Association Football is undoubtedly a global sport with millions of individuals participating in more than 200 countries. The need for an educated football coaching workforce to deliver appropriate coaching practices has never been greater. Formal coach education, which is often the primary medium for developing football coaches, is socially constructed, meaning an array of social, cultural and historical factors underpin the design and delivery of any provision. *Coach Education in Football: Contemporary Issues and Global Perspectives* is the first book to explicitly explore these aspects by providing critical insight into football coach education programmes from across the globe. Each chapter, organised via a central theme, highlights a contemporary issue affecting football coach education and development within a specific country, offering insights into the contextual opportunities and challenges. The book covers essential topics including the progression of female football coaches, coaches' perspectives towards current provision.

technological and pedagogical advances and the historical development of formal coach education Each chapter demonstrates the complexities associated with developing football coaches within grassroots and high performance domains while providing recommendations for national governing bodies policy makers and coach developers This book is the first of its kind to explicitly investigate football coach education globally This accessible book is an important read for students academics and practitioners with an interest in sports coaching coach education and football

**Soccer Coaching - Principles of Technical and Tactical Development** Andrew Caruso,2014-01-01 Over twenty million Americans are playing the great game of soccer This guide is for their coaches it will help both the new and the experienced youth and high school coaches develop complete players those who master the three fundamental elements of technique tactics and function There are many technique books on the market and a few tactical books but none which attempt to integrate technique tactics and function with accompanying game activities As in state of the art coaching for all sports this integration is best developed through a system of progressions Building upon a logical progression of exercises activities and shortsided games this guide will help the coach to apply the principles of play to the game of soccer and the development of soccer players Too often these principles are overlooked by coaches yet they are the very foundation of the game Once a coach can view game action from this point of view he is capable of making important relevant suggestions that relate to training and general principles This facilitates player growth and game results
