Women, Sport and Society in Modern China Dong Jinxia,2004-08-02 Drawing on Chinese sources hitherto unavailable in the West including official documents and interviews with top athletes the author explores the rise of Chinese super sportswomen and their relationship with politics culture and society before and during the Cultural Revolution and through China s transition to a market economy

Routledge Handbook of Sport History Murray G. Phillips,Douglas Booth,Carly Adams,2021-09-19 The Routledge Handbook of Sport History is a new and innovative survey of the discipline of sport history Global in scope it examines the key contemporary issues in sports historiography sheds light on previously ignored topics and sets an intellectual agenda for the future development of the discipline The book explores both traditional and non traditional methodologies in sport history and traces the interface between sport history and other fields of research such as literature material culture and the digital humanities It considers the importance of key issues such as gender race sexuality and politics to our understanding of sport history and focuses on innovative ways that the scholarship around these issues is challenging accepted discourses This is the first handbook to include a full section on Indigenous sport history a topic that has often been ignored in sport history surveys despite its powerful upstream influence on contemporary sport The book also reflects carefully on the central importance of sport history journals in shaping the development of the discipline This book is an essential reference for any student researcher or scholar with an interest in sport history or the relationship between sport and society It will also be fascinating reading for any historians looking for fresh perspectives on contemporary historiography or social and cultural history

Visual Subjectivity in Chinese and American Thought and Literature Guozhong Duan,Ming Dong Gu,2025-10-15 Providing the reader with a systematic study of visual subjectivity in comparative thought and literature this book analyses the role that vision and visuality especially interpersonal visuality plays in the constitution of subject and subjectivity in Chinese and American traditions Examining the formation of visual subjectivity in the philosophical works by major Chinese

and Western thinkers this book provides a comparative study of four masterworks of Chinese and American fiction focusing on *The Plum in the Golden Vase* *The Story of the Stone* *Moby Dick* and *The Scarlet Letter* It demonstrates that there are both psychologically universal and culturally specific factors and features in the visual constitution and representation of self identity subject and subjectivity Offering fresh insights for cross cultural studies of intellectual thought literature ideology and culture through the visual lens this book will appeal to students and scholars engaged in comparative studies of Chinese and American thought literature and narrative theory

Visualising Ethnicity in the Southwest Borderlands Jing

Zhu, 2020-01-29 This book explores the mutual constitutions of visuality and empire from the perspective of gender probing how the lives of China's ethnic minorities at the southwest frontiers were translated into images Two sets of visual materials make up its core sources the Miao album a genre of ethnographic illustration depicting the daily lives of non Han peoples in late imperial China and the ethnographic photographs found in popular Republican era periodicals It highlights gender ideals within images and develops a set of visual grammar of depicting the non Han Casting new light on a spectrum of gendered themes including femininity masculinity sexuality love body and clothing the book examines how the power constructed through gender helped to define order popularise celebrate and imagine possessions of empire

Chinese Women Writers and the Feminist Imagination, 1905-1948 Haiping Yan, 2006-11-22 This book works equally well in the following multiple

fields Gender Studies Literary Cultural Studies Performance Studies Asian and Pacific Studies Chinese Studies Critical Theory and Literary Historiography

The Cold War in Asia Yangwen Zheng, Hong Liu, Michael Szonyi, 2010 The Cold War stayed cold in Europe but it was hot in Asia Its legacy lives on in the region In none of the three dominant historiographical paradigms orthodox revisionist and post revisionist does Asia or the rest of the Third World figure with much significance

What happens to these narratives if we put them to the test in Asia This volume argues that attention to what has been conventionally considered the periphery is essential to a full understanding of the global Cold War Foregrounding Asia necessarily leads to a re assessment of the dominant narratives This volume also argues for a shift in focus from diplomacy and high politics alone towards research into the culture of the Cold War era and its public diplomacy As a whole the essays contribute to enriching our understanding of what was really happening in an era that is too often understood in the catch all framework of the Cold War Akira Iriye Harvard University

Representations of China in British Children's Fiction,

1851-1911 Shih-Wen Chen, 2016-04-08 In her extensively researched exploration of China in British children's literature Shih Wen Chen provides a sustained critique of the reductive dichotomies that have limited insight into the cultural and educative role these fictions played in disseminating ideas and knowledge about China Chen considers a range of different genres and types of publication travelogue storybooks historical novels adventure stories and periodicals to demonstrate the diversity of images of China in the Victorian and Edwardian imagination Turning a critical eye on popular and prolific writers such as Anne Bowman William Dalton Edwin Harcourt Burrage Bessie Marchant G A Henty and Charles Gilson Chen shows how Sino

British relations were influential in the representation of China in children's literature challenges the notion that nineteenth century children's literature simply parroted the dominant ideologies of the age and offers insights into how attitudes towards children's relationship with knowledge changed over the course of the century Her book provides a fresh context for understanding how China was constructed in the period from 1851 to 1911 and sheds light on British cultural history and the history and uses of children's literature

Changing Clothes in China Antonia Finnane, 2023-05-30 Historians have long regarded fashion as something peculiarly Western In this surprising sumptuously illustrated book Antonia Finnane challenges this view which she argues is based on nineteenth and twentieth century representations of Chinese dress as traditional and unchanging Fashions she shows were part of Chinese life in the late imperial era even if a fashion industry was not then apparent In the early twentieth century the key features of modern fashion became evident particularly in Shanghai and rapidly changing dress styles showed the effects The volatility of Chinese dress throughout the twentieth century matched vicissitudes in national politics Finnane describes in detail how the close fitting jacket and high collar of the 1911 Revolutionary period the skirt and jacket blouse of the May Fourth era and the military style popular in the Cultural Revolution gave way finally to the variegated globalized wardrobe of today She brilliantly connects China's modernization and global visibility with changes in dress offering a vivid portrait of the complex subtle and sometimes contradictory ways the people of China have worn their nation on their backs

Women, Sport, Society Roberta Park, Patricia Vertinsky, 2013-09-13 During the last four decades women's and gender history have become vibrant fields including studies of attitudes regarding the limited physical and other abilities of females as well as studies of the accomplishments of notable female athletes We have become increasingly aware that women have made contributions to physical education dance and sport that go far beyond being teachers athletes and coaches They have created and implemented an astonishing variety of programs intended to serve the needs of large numbers of children and youth sometimes organizing student health services as well as chairing departments of physical education They have worked as directors of sport physical education and dance running playgrounds and recreational facilities and have created and or served as important officers of a variety of sporting organizations This book explores the contributions and achievements of women in a variety of historical and geographical contexts which not surprisingly opens opportunities for additions revisions and counter narratives to accepted histories of physical education and sport science It seeks to broaden our understandings about the backgrounds motivations and achievements of dedicated women working to improve health and bodily practices in a variety of different arenas and for often different purposes This book was previously published as a special issue of the *International Journal of the History of Sport*

Routledge Handbook of Sport, Gender and Sexuality Jennifer Hargreaves, Eric Anderson, 2014-03-05 The Routledge Handbook of Sport Gender and Sexuality brings together important new work from 68 leading international scholars that collectively demonstrates the intrinsic interconnectedness of sport gender and sexuality It introduces what is in

essence a sophisticated sub area of sport sociology covering the field comprehensively as well as signalling ideas for future research and analysis Wide ranging across different historical periods different sports and different local and global contexts the book incorporates personal ideological and political narratives varied conceptual methodological and theoretical approaches and examples of complexities and nuanced ways of understanding the gendered and sexualized dynamics of sport It examines structural and cultural forms of gender segregation homophobia heteronormativity and transphobia as well as the ideological struggles and changes that have led to nuanced ways of thinking about the sport gender and sexuality nexus This is a landmark work of reference that will be a key resource for students and researchers working in sport studies gender studies sexuality studies or sociology

Engendering the Woman Question: Men, Women, and Writing in China's Early Periodical Press Yun Zhang, 2020-08-31 In *Engendering the Woman Question* Zhang Yun adopts a new approach to examining the early Chinese women's periodical press Rather than seeing this new print and publishing genre as a gendered site coded as either feminine or masculine this book approaches it as a mixed gender public space where both men and women were intellectually active and involved in dynamic interactions to determine the contours of their discursive encounters Drawing upon a variety of novel textual modes such as polemical essays historical biography public speech and expository essays this book opens a window onto men's and women's gender specific approaches to a series of prominent topics central to the Chinese woman question in the early twentieth century

Culture in Law and Development Lan Cao, 2016 The growth of international law in the post World War II era stemmed partly from the belief that universal norms would make life for the entire world's population safer more equitable and more conducive to each person's acquisition of basic material needs Starting in the sixties and seventies some scholars and activists challenged this assumption and established the school of cultural relativism a model that pays deference to local cultural traditions and favors them over international human rights norms Scholars tried to create and practice a middle ground approach between universalism and relativism whereby the most egregious violations would be prevented through assimilating only jus cogens norms into indigenous groups existing cultural traditions Such efforts at combining a few select international norms with local cultural traditions largely failed *Culture in Law and Development* presents a provocative new solution to the seemingly intractable problem of combining international norms with local cultural traditions by changing culture through law and development In this book Lan Cao demonstrates how the gradual expansion of customary international law CIL provides a model for changing culture in ways that protect and advance local populations The book adopts a holistic view of development and argues that cultural norms that impede the human capabilities of the poor women and other marginal groups should be changed The book reveals how a more conscious coordinated effort on such change can succeed while non violative local traditions are otherwise honored and preserved Cao proposes that cultural change does not have to constitute cultural disrespect and that local societies only benefit by a careful combination of externally wrought change and internally fostered tradition

Sport and Women

Gertrud Pfister, Ilse Hartmann-Tews, 2005-07-26 Although female athletes are successful in all types of sport in many countries sport is still a male domain This book examines and compares the sporting experiences of women from different countries around the world and offers the first systematic and cross cultural analysis of the topic of women in sport Sport and Women presents a wealth of new research data including in depth case studies of 16 countries in North and South America Asia Eastern and Western Europe and Africa In addition the book offers comparative assessments of the extent to which women are represented in global sport and the opportunities that women have to participate in decision making processes in sport The book illuminates a wide range of key international issues in women s sport such as cultural barriers to participation and the efficacy of political action It is therefore essential reading for anybody with an interest in the sociology culture and politics of sport

Beyond Citizenship: Literacy and Personhood in Everyday China, 1900-1945 Di Luo, 2022-09-19 Beyond Citizenship focuses on the role of literacy in building a modern nation state by examining the government provision of adult literacy training in early twentieth century China Based on untapped archives and diaries Di Luo uncovers people s strategic use of literacy and illiteracy in social interactions and explores the impact of daily experiences on the expansion of state power Highlighting interpersonal and intergroup relations Beyond Citizenship suggests a new methodology of studying literacy which foregrounds the agentive role of historical actors and so moves away from a more traditional approach that treats literacy itself as the key factor enabling social change

Women and the Family in Chinese History Patricia Ebrey, 2003-09-02 This is a collection of essays by one of the leading scholars of Chinese history Patricia Buckley In the essays she has selected for this fascinating volume Professor Ebrey explores features of the Chinese family gender and kinship systems as practices and ideas intimately connected to history and therefore subject to change over time The essays cover topics ranging from dowries and the sale of women into forced concubinary to the excesses of the imperial harem excruciating pain of footbinding and Confucian ideas of womanly virtue Patricia Ebrey places these sociological analyses of women within the family in an historical context analysing the development of the wider kinship system Her work provides an overview of the early modern period with a specific focus on the Song period 920 1276 a time of marked social and cultural change and considered to be the beginning of the modern period in Chinese history With its wide ranging examination of issues relating to women and the family this book will be essential reading to scholars of Chinese history and gender studies

The Beijing Young Women's Christian Association, 1927-1937 Aihua Zhang, 2021-11-16 By exploring the interplay among gender religion and modernity this book exposes the part Chinese Christian women played in China s quest for a strong nation in general and in Republican Beijing s modern transformation in particular Focusing on the Beijing Young Women s Christian Association YWCA the author examines how the Association guided by the Christian tenet to serve not to be served tailored its Western models and devised new programs to meet the city s demands Its enterprises ranged from providing women and child oriented facilities to promoting constructive recreational activities and from reforming home and family to

improving public health Through an analysis of these endeavors the author argues that the Chinese YW women s contribution to the city s modernity was a creative embodiment of the then socially targeted missionary movement known as the Social Gospel In the process they demonstrated their distinctive new ideals of womanhood featuring practicality social service and broad cooperation These qualities set them apart from both traditional women and other brands of the New Woman While criticized as trivial their efforts however pioneered modern social service in China and complemented what municipal authorities and other progressive groups undertook to modernize the city
