My Olympic Moment: Reflections on the Beijing Olympics Roberto Carlos Alvarez-Gallosa,2008-12-23 These are my personal reflections on the Beijing Olympics in 2008 *The Beijing Olympics: Promoting China* Kevin Caffrey,2013-09-13 The Beijing 2008 Olympic ceremonies were spectacular performances and technological accomplishments by the People's Republic of China However the audience in Beijing was only the most overt element of a global audience receiving the message of the Games For this global audience the Beijing performances were a harbinger of wider regional and international ambitions a message of intent that pointed to a larger Chinese plan to a degree not seen since the Ming dynasty New Chinese ambitions embrace both soft power and hard power The actor in this political drama of international scope is the Chinese state and its political ambitions on the world stage The Beijing Olympics can be seen as its opening act and the audience as global Rather than the kind of morality play that is typically used in China to educate the people in politics this new production a production on many levels was one aimed at audiences all around the world and one that was a calculated expression of realpolitik This book was previously published as a special issue of the International Journal of the History of Sport *The Games: A Global History of the Olympics* David Goldblatt,2016-07-26 A people's history of the Olympics New York Times Book Review A Boston Globe Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year The Games is best selling sportswriter David Goldblatt's sweeping definitive history of the modern Olympics Goldblatt brilliantly traces their history from the reinvention of the Games in Athens in 1896 to Rio in 2016 revealing how the Olympics developed into a global colossus and highlighting how they have been buffeted by and affected by domestic and international conflicts Along the way Goldblatt reveals the origins of beloved Olympic traditions winners medals the torch relay the eternal flame and popular events gymnastics alpine skiing the marathon And he delivers memorable portraits of Olympic icons from Jesse Owens to Nadia Comaneci the Dream Team to Usain Bolt
