The Footprints of Elephant Bill Susan Williams, 1975      The Footprints of Elephant Bill [i.e. James Howard Williams]. [With Plates, Including Portraits.] Susan WILLIAMS (Wife of James Howard Williams.), 1962      *The Footprints of Elephant Bill* Susan Margaret Rowland Williams, 1966 The story of a year in the Burmese jungle by the widow of Elephant Bill

Elephant Bill Lt.-Col. J. H. Williams O.B.E., 2016-07-26 A book comes along like this once in a lifetime You read it as a small child or even an adult and never forget the images it conjures up of a wonderful Englishman who lives in the mysterious forests of faraway Burma and of the kind native people who teach him about their lovely country But most of all you never forget the elephants For this is a story about those magnificent creatures Though he was officially known as Lt Colonel J H Williams the author was known to the world at large as Elephant Bill That is because he spent 25 years living with the elephants in the mountains and forests of Burma There he trained them to haul teak logs out of the isolated jungles Yet this is also a story of great courage because when the Second World War struck it also came to Burma The Japanese Imperial Army planned to confiscate the Burmese elephants drafting them to make the bridges and railways they needed to invade India When he learned of these plans to put his beloved animals to a war like purpose Elephant Bill knew what had to be done The mighty kings of the jungle had to be evacuated to safety This is thus the story not only of the peaceful days in the jungle starting in 1921 but also the story of the largest elephant rescue in history It tells the amazing account of how Elephant Bill along with his friends and family rode 45 of the great beasts across the mountains of Burma before reaching safety in faraway India A classic then A classic now Elephant Bill is a blessing to any library and a literary treasure

Haywood,1929 THE VAGARIES OF SWING (Footprints on the Margate Sands of Time) Mac Carty,2013-05-01 The BBC TV series True Love was the catalyst for this tale portraying various romantic encounters all set by the Margate seaside True love has many forms A passion for cricket can also be a manifestation of love Yet it is impossible to discuss cricket with its broad themes without reflecting on life itself I have set my story broadly in 1965 when a girl lost her life At the time her death meant little to us but such are the vagaries of writing that the more I researched the subject the greater I became drawn in Any discussion on the circumstances surrounding her murder led inevitably to the inclusion of another theme which I have encountered in life violence towards women I still return to Margate regularly and regard it with deep affection It was in danger of becoming a wasteland There are those now some famous some often unsung trying to fashion a resurgence Another form of true love May their guardian angels help them succeed *Large Print Books* State Library of Ohio,1982
