 1984-86** Kieran James, 2017-11-23 This book is the memoir of Kieran James and details his experiences as co-founder of West
 Perth Football Club's unofficial cheer squad from 1984 to 1986 The book details traditional hot support for West Perth
 Football Club among teenaged supporters from middle class and working class backgrounds The book shows how because of
 neo liberal ideologies and the corporatization of football the new national league the expanded VFL AFL relegated the WAFL
 to a second tier league in 1987 This move took place over the heads of ordinary football supporters and two WAFL club
 presidents Moves to bring the game closer to the people in 1984 such as holding the best and fairest award count night at

Pay Dirt James P. Quirk, Rodney D. Fort, 2018-06-05. Why would a Japanese millionaire want to buy the Seattle Mariners baseball team when he has admitted that he has never played in or even seen a baseball game? Cash is the answer: major league baseball, like professional football, basketball, and hockey, is now big business with the potential to bring millions of dollars in profits to owners. Not very long ago, however, buying a sports franchise was a

hazardous investment risked only by die hard fans wealthy enough to lose parts of fortunes made in other businesses What forces have changed team ownership from sports fan folly to big business savvy Why has The Wall Street Journal become popular reading in pro sports locker rooms And why are sports pages now dominated by economic clashes between owners and players cities with franchises and cities without them leagues and players unions and team lawyers and players lawyers In answering these questions James Quirk and Rodney Fort have written the most complete book on the business and economics of professional sports past and present Pay Dirt offers a wealth of information and analysis on the reserve clause salary determination competitive balance in sports leagues the market for franchises tax sheltering arenas and stadiums and rival leagues The authors present an abundance of historical material much of it new including team ownership histories and data on attendance TV revenue stadium and arena contracts and revenues and costs League histories team statistics stories about players and owners and sports lore of all kinds embellish the work Quirk and Fort are writing for anyone interested in sports in the 1990s players players agents general managers sportswriters and most of all sports fans
