

# Work

A person wearing a traditional conical hat and a dark long-sleeved shirt is walking through a field. They are carrying a long wooden pole across their shoulders, with several large, round bundles of harvested rice or grain tied to it. The person is barefoot and is walking on a path that appears to be a mix of dirt and grass. The background is a soft-focus landscape with greenery and a hazy sky. The overall tone is peaceful and industrious.

My dreams become true  
Yet it takes work before they do  
My hope gives a start  
Yet without work my dreams depart

Visions take action  
And the work brings satisfaction  
The goal pulls me through  
The vital work that I must do

I let my work flow  
For this primary truth I know  
Dreams with work combined  
Bring wealth and a happy mind
