## **For All Peoples All Nations:**

**For All Peoples and All Nations** John Nurser, 2005 In this new century born in hope but soon thereafter cloaked in terror many see religion and politics as a volatile if not deadly mixture *For All Peoples and All Nations* uncovers a remarkable time when that was not so when together those two entities gave rise to a new ideal universal human rights John Nurser has given life to a history almost sadly forgotten and introduces the reader to the brilliant and heroic people of many faiths who out of the aftermath of World War II and in the face of cynicism dismissive animosity and even ridicule forged one of the world's most important secular documents the United Nations's Universal Declaration of Human Rights These courageous persistent visionary individuals notable among them an American Lutheran Seminary professor from Philadelphia O Frederick Nolde created the Commission on Human Rights Eventually headed by one of the world's greatest humanitarians Eleanor Roosevelt the Universal Declaration has become the touchstone for political legitimacy As David Little says in the foreword to this remarkable chronicle Both because of the large gap it fills in the story of the founding of the United Nations and the events surrounding the adoption of human rights and because of the wider message it conveys about religion and peacebuilding *For All Peoples and All Nations* is an immensely important contribution We are all mightily in John Nurser's debt If religion and politics could once find common ground in the interest of our shared humanity there is hope that it may yet be found again *A Great Revealing for All Peoples & All Nations* Ernest Reagan Clark II, 2019-08-16 After many years of study and research the author came to the realization that what most Christians believe contradicts the very WORD of GOD This is a major cause for all the angst in the world today as well as in America Seminaries and preachers contradict the very WORD of GOD every Sunday He recently shared a copy of this with a seminary degreed missionary preacher that spent about 35 years on the mission field in South America Three weeks later he got a phone call from the man He confessed that he had been taught a lie in seminary and also confessed that his eyes had been opened to truth The man said that he would like to call the author father but that he would take the admonishment of Jesus to call no man on earth father seriously He said that he would be considered least in the kingdom of God for all of time due to what he had taught and preached for many decades Are you ready to be set free from the chains that bind *From Every People and Nation* J. Daniel Hays, 2016-02-10 With this careful nuanced exegetical volume in the New Studies in Biblical Theology J Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ **Feasting on the Word: Year A, Volume 4** David L. Bartlett, Barbara Brown Taylor, 2011-04-12 With this twelve volume series Westminster John Knox Press offers one of the most extensive and well respected resources for preaching on the market today The twelve volumes cover all of the Sundays in the three year lectionary cycle along with moveable occasions The page layout is truly unique For each lectionary text preachers will find brief essays one each on the exegetical theological pastoral and homiletical challenges of the text Each volume also contains an index of biblical passages so that

nonlectionary preachers may make use of it      **Colossians** David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey      **The Prophetic Call to Love and Justice** Arnold H. De Graaff,2025-06-20 Scripture s compelling message of

love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives      *The Gnostic Luciferian New Age Babylon Revisited* Gregory Lessing

Garrett,2019-09-30 The Gnostic Luciferian New Age Utopia will be based upon a Mystery Babylon re visitation of tolerance for all behaviors narcissistically self indulgent sexually perverse psychoactively induced and sinfully decadent with self worship and self adulation as the highest pinnacle of religious zeal Additionally utilizing the trickery and artifice of an Alien Antichrist Messiah Deception the Luciferian Elite seek to obliterate Christianity and replace it with a Gnostic Pantheistic Cosmogenesis narrative where Ancient Aliens are our true genetic origins and Cosmic Evolution with Mankind in tow is the Grand Design of the Universe Since this is a very real situation which effects all the world in the direst sort of way the contents of this book are relevant to all citizens of the world This book bravely explores the various guises that this repackaged Babylonian Gnostic Luciferianism has taken and how it got to this point as well as offers answers to this nefarious situation      **Understanding the Real Jesus** Russell Martin,2006-09 Jesus proclaimed God s imminent universal

kingdom His Jewish followers were faithful to him Paul misunderstood Jesus and subverted his message but succeeded when

the truth was accidentally lost in history      *The Cold War* Priscilla Roberts, 2018-12-07 This detailed two volume set tells the story of the Cold War the dominant international event of the second half of the 20th century through a diverse selection of primary source documents One of the most extensive to date this set of primary source documents studies the Cold War comprehensively from its beginning with the emergence of the world's first communist government in Russia in late 1917 to its end in 1991 All of the key events including the Berlin Blockade the Korean War the Cuban Missile Crisis the Vietnam War and the nuclear arms race are discussed in detail The primary sources provide insight into the thinking of all participants drawing on Western Soviet Asian and Latin American perspectives In *The Cold War Interpreting Conflict through Primary Documents* primary documents are organized chronologically allowing readers to appreciate the ramifications of the Cold War within a clear time frame Extensive interpretive commentary provides in depth background and context for each document This work is an indispensable reference for all readers seeking to become deeply knowledgeable about the Cold War
