Caribbean Australia India and Africa The coverage is broad from the classics of English literature to the best of modern writing Additionally the Guide has a wealth of entries on literary movements groups or schools in literature and criticism literary magazines genres and sub genres critical concepts and rhetorical terms People of Today ,2006 **Somerset House Gazette, and Literary Museum; Or, Weekly Miscellany of Fine Arts, Antiquities, and Literary Chit Chat ...** William Henry Pyne,1824 **The Bookseller** ,1895 **Scents and Sensibility** Catherine Maxwell,2017-10-20 This lively accessible book is the first to explore Victorian literature through scent and perfume presenting an extensive range of well known and unfamiliar texts in intriguing and imaginative new ways that make us re think literature s relation with the senses Concentrating on aesthetic and decadent authors *Scents and Sensibility* introduces a rich selection of poems essays and fiction exploring these texts with reference to both the little known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent s carefully cultivated identity personality or sensibility A key theme is the emergence of the olfactif the cultivated individual with a refined sense of smell influentially represented by the poet and critic Algernon Charles Swinburne who is emulated by a host of canonical and less well known aesthetic and decadent successors such as Walter Pater Edmund Gosse John Addington Symonds Lafcadio Hearn Michael Field Oscar Wilde Arthur Symonds Mark Andr Raffalovich Theodore Wratislaw and A Mary F Robinson This book explores how scent and perfume pervade the work of these authors in many different ways signifying such diverse things as style atmosphere influence sexuality sensibility spirituality refinement individuality the expression of love and poetic creativity and the aura of personality dandyism modernity and memory A coda explores the contrasting twentieth century responses of Virginia Woolf and Compton Mackenzie to the scent of Victorian literature *Selfishness and Selflessness* Linda L. Layne,2020-04-09 We are said to be suffering a narcissism epidemic when the need for collective action seems more pressing than ever The traits of Selfishness and selflessness address the proper and improper relationship between one s self and others The work they do during periods of social instability and cultural change is probed in this original interdisciplinary collection Contributions range from an examination of how these concepts animated the eighteenth century anti slavery campaigners to a dissection of the way middle class mothers experiences illustrate gendered struggles over how much and to whom one is morally obliged to give **Percy Shelley For Our Times** Omar F. Miranda,Kate Singer,2024-03-14 Two centuries after Percy Shelley s death this volume explores his continuing collaborations with audiences across spaces and times Paul Muldoon Tim Kendall,Peter McDonald,2004-01-01 The essays in this book testify to the fascination of Paul Muldoon s poems and also to their underlying contentiousness The contributors see Muldoon from many different angles biographical formal literary historical generic but also direct attention to complex moments of creativity in which an extraordinary amount of originality is concentrated and on the clarity of which a lot depends In their different ways all of the essays return to the question of

what a poem can tell us whether about its author about itself or about the world in which it comes into being The contributors even in the degree to which they bring to light areas of disagreement about Muldoon's strengths and weaknesses continue a conversation about what poems and poets can tell us

**The Oxford Handbook of Contemporary British and Irish Poetry** Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty-eight chapters of ground-breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors' enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as *Moby Dick* *Song of Myself* *Walden* *The Great Gatsby* *The Waste Land* *Their Eyes Were Watching God* *Death of a Salesman* and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study
