For Gods Sake Journey Of A Spiritual Artist:

For God's Sake Brenda Sharp,2002-04-15 For God s Sake reveals the simplicity of God through the experiences of a seven year journey My earthly travels took me from deserts to mountaintops to ocean shores I traveled in spirit to the Garden of Heaven a star and through many realms of God Glimmers of the power the magic of God were daily by way of visitations visions and voices These experiences taught me to view life more through the eye of God my soul so I would love more life

The Art of Spiritual Direction W. Paul Jones,2016-06-01 We all need companions and guides on our spiritual journey W Paul Jones believes that spiritual direction is essential for every Christian Along each person s pilgrimage are those who can make one s journey accountable and whose hospitality makes it possible Jones says In *The Art of Spiritual Direction* you ll discover the answers to these questions and more What is spiritual direction What is the difference between spiritual direction and counseling How can you know if you are called to the ministry of spiritual direction What should happen in direction sessions The appendixes feature helpful tools like the Myers Briggs Type Indicator a Theological Worlds Inventory the Enneagram and other resources Whether you are a pastor church leader or a layperson you will benefit from the wealth of information contained in this book *Great Spiritual Masters* John Farina,2002 Six spiritual masters Augustine Ignatius Julian of Norwich Gregory of Nyssa Bonaventure and Dante provide answers to questions we face in modern life

Brokenness and Blessing Frances M. Young,2007-09 Explores biblical spirituality and the challenging gifts of brokenness **The Mathnawí of Jalálu'ddín Rúmí: The translation of the first & second books** Jaláal al-Dáin Ráumái (Maulana),1926 *BEZALEL AND OHOLIAB* Ahmed musa,2024-12-17 The communal aspect of the divine call to create is evident in the story of Bezalel and Oholiab While each of these men had been individually chosen and gifted by God they worked together alongside a community of other craftsmen to build the Tabernacle The Tabernacle itself a place of worship and encounter with the divine was not the work of one person but the result of collective effort each person contributing their unique skills and talents for the common good In the same way the work of the artist today whether in a church in a studio or in a community project should be viewed as part of a larger ongoing work that involves the entire body of Christ Artists are called to contribute to the Church s mission of making disciples promoting justice and restoring beauty in a world marred by sin **The Art of Interfaith Spiritual Care** Walter Blair Stratford,2016-06-23 Relationships between people are frequently compromised as a result of religious viewpoints but appropriate spiritual care requires bridges to understanding that will allow for trust and justice to become visible The pattern for this book is shaped on the recognition that while religious expressions differ markedly in their presentation we can discern at the core of all religious expressions a supposition of sacred presence It is therefore helpful for us all in the daily events of our lives that we approach people of other faiths with a degree of humility recognizing that neither we nor they have a final answer to the question of faith The book is divided into four parts each part containing some chapters in which elements of interfaith care are considered Part

one explores the complexities of interfaith engagement Part two discusses ways for caring for each other in the search for meaning Part three claims that spirituality is most difficult if not impossible to define but can be visible in a variety of experiences The fourth part explores ways in which all that has gone before may be put into practice as spiritual care
