### **Lesbians Over 60 Speak for Themselves** Monika

Kehoe,1989 This pioneering effort is the first attempt to reach a nationwide representation of lesbian elders in order to understand this deeply hidden segment of our population The women in Lesbians Over 60 Speak for Themselves candidly describe their necessarily secret lives in a hostile society how they feel about being different how they cope with the homophobia that surrounds them their most pressing problems how aging has affected them as well as the most intriguing topic their sexual behavior as it was in their youth and as it is now This powerful book provides fascinating demographics about this previously neglected group of women and thoroughly explores their intimate thoughts and feelings about aging and lesbianism

### **Lesbian Friendships** Jacqueline S. Weinstock, Esther Rothblum, 1996-08

Friends as lovers lovers as friends ex lovers as friends ex lovers as family friends as family communities of friends lesbian community These are just a few of the phrases heard often in the daily discourse of lesbian life What significance do they have for lesbians Do lesbians view friends as family and what does this analogy mean What sorts of friendships exist between lesbians What sorts of friendships do lesbians form with non lesbian women or with men These and other questions regarding the kinds of friendships lesbians imagine and experience have rarely been addressed Lesbian Friendships focuses on actual accounts of friendships involving lesbians and examines a number of issues including the transition from friends to lovers and or lovers to friends erotic attraction in friendship diverse identities among lesbians and friendships across sexuality and or gender lines

**The Lesbian Revolution** Sheila Jeffreys, 2018-09-03 The Lesbian Revolution argues that lesbian feminists were a vital force in the Women s Liberation Movement WLM They did not just play a fundamental role in the important changes wrought by second wave feminism but created a powerful revolution in lesbian theory culture and practice Yet this lesbian revolution is undocumented The book shows that lesbian feminists were founders of feminist institutions such as resources for women survivors of men s violence including refuges and rape crisis centres and that they were central to campaigns against this violence They created a feminist squatting movement theatre groups bands art and poetry and conducted campaigns for lesbian rights They also created a profound and challenging analysis of sexuality which has disappeared from the historical record They analysed heterosexuality as a political institution arguing that lesbianism was a political choice for feminists and indeed a form of resistance in itself Using interviews with prominent lesbian feminists from the time of the WLM and

informed by the author's personal experience this book aims to challenge the way the work and ideas of lesbian feminists have been eclipsed and to document the lesbian revolution The book will be of key interest to scholars and students of women's history the history of feminism the politics of sexuality women's studies gender studies lesbian and gay studies queer studies and cultural studies as well as to the lay reader interested in the WLM and feminism more generally

**Lesbian Histories and Cultures** Bonnie Zimmerman, 2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered **BOOK JACKET**

**Identity Politics in the Women's Movement** Barbara Ryan, 2001-08 An essential collection that constructs the arguments of similarity and difference dividing and uniting women In recent years identity has come to be seen as a process rather than a fact or deterministic force Yet recognizable identity traits continue to draw people together and provide them with a sense of empowering commonality Although the plasticity afforded identity has freed up rigid definitions and guidelines for affiliation some believe that nebulous demarcations of identity may deprive women of a solid position from which to effectively contest centers of power Bringing together articles by well known authors and theorists such as Audre Lorde June Jordan Daphne Patai Barbara Smith Marilyn Frye Shane Phelan Leila J Rupp Hazel Carby and Adrienne Rich with lesser known writers and scholars this broad based anthology ranges widely from personal narratives to empirical research The book unpacks issues of race class gender ethnicity sexuality disability and age contributing a m lrange of sharp lively perspectives to current debate In a postmodern era of feminism how do women come to identify organize and mobilize themselves within a complex global network of relationships Identity Politics in the Women's Movement offers critical examination of the inescapable role of identity in academic and activist feminism and the opportunities challenges and conflicts identity politics pose

**Health Care for Lesbians and Gay Men** K Jean Peterson, 2020-03-24 Health Care for Lesbians and Gay Men educates practitioners about the special needs of gay and lesbian patients and how to look critically at the impact of homophobia and heterosexism on the provision of care It provides an overview of critical health care issues for lesbians and gay men and offers concrete suggestions to health practitioners and social workers on how to address these issues in order to guarantee the best care for their patients and clients Authors in Health Care for Lesbians and Gay Men give health care providers and mental health workers practical interventions suggestions for advocacy social change grassroots efforts and alternative programs and lessons about how to use existing procedures to more effectively meet the unique health care needs of gays and lesbians Practitioners also learn how to utilize legal action in securing and protecting patients and clients personal health care wishes Chapters in this book cover how homophobia and negative attitudes can directly compromise the care given to lesbians and gay men heterosexism and biases which exclude the partners of gay men and lesbians from participating in the care of their loved ones legal issues and the need for legal recognition of gay and lesbian relationships both to enhance the provision of

care and for financial access to health care presently available to only heterosexual married couples legal protection and special legal documents that ensure that the wishes of gay men and lesbians are honored and the integrity of their relationships not violated Health Care for Lesbians and Gay Men starts with special issues confronting adolescents and the special role health care providers can play in supporting the struggles of lesbian and gay adolescents It then continues to look at these issues over the life cycle Three themes emerge as authors try to explain problems and possible solutions for lesbians and gay men seeking health care the pervasive homophobia and heterosexism found throughout the health care system and the impact these attitudes and beliefs have on the health care of lesbians and gay men the need for education in professional programs on special health issues of gay men and lesbians and the critical role that social workers can play in both educating others about the special needs of their gay and lesbian clients and in advocating for their clients in various health care settings Health Care for Lesbians and Gay Men is essential reading for social work and social service practitioners and students working in the health care field advanced undergraduates and graduate students of social work professionals and students of nursing and medicine and others concerned with the quality and equality of health care services It urges students and professionals to challenge and evaluate their own attitudes beliefs and behaviors in order to ensure quality services to all clients and patients
