Broken Gods Dr. Greg K. Popcak, Ph.D., 2015-06-02 You are gods Blasphemy No those mysterious words spoken by Jesus in the Gospel of John and alluded to in Psalm 82 point to a holy longing deep in our hearts that tells each of us that we were created for more Imagine that you were to wake up tomorrow to discover that by some miracle you had become a god overnight writes Dr Gregory Popcak Not THE God omnipresent all knowing all powerful but a god in the classic sense That is to say you woke to find that you were perfect immortal utterly confident in who you are where you were going in life and how you were going to get there It might seem ridiculous to consider at first but allow yourself to imagine this truly miraculous transformation What would it be like to live without fear How would it feel to be completely at peace with yourself and the people in your life Imagine what it would be like to be able to resolve once and for all the tension that currently exists between all your competing feelings impulses desires and demands What would change in your life as a result of your having become that sort of divinely actualized person Bold questions are in need of bold answers And in *Broken Gods* a work that is both practical and inspirational Dr Greg explores what our deepest desires and even our darkest desires tell us about our ultimate destiny and reveals a commonsense approach to fulfilling our true purpose in life

promise to be present in their day to day lives and he wants to give them the grace to live out a covenantal love that mirrors the love of the Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today Beyond the Birds and the Bees Greg Popcak, Lisa Popcak, 2014-06-26 The Talk It s one of the most daunting prospects parents face Communicating the richness of Catholic teaching on sexuality in a faithful and effective way can be an overwhelming responsibility But does it have to be so In this thoroughly revised version of Beyond the Birds and the Bees Greg and Lisa Popcak empower you with the tools needed to move well beyond the Talk by offering a comprehensive guide to raising sexually whole and holy children Using the riches of Blessed John Paul II s Theology of the Body the Popcaks help you safely navigate your children from infancy through the teenage years and beyond This book answers the questions parents may have including What lessons must my children learn at each stage to develop a healthy Christian sexuality How can I have age appropriate conversations about sensitive issues with my children How can I teach my children what it takes to be a true Catholic man or woman How can I help my children have healthy Christian dating relationships and much more **The First Society: The Sacrament of Matrimony and the Restoration of the Social Order** Scott Hahn, 2018-06-29 Everyone seems to agree that Western Civilization is in trouble The problem is that no one agrees on what has gone wrong or what to do about it Some think we have too much government some not enough some think we have too much capitalism some not enough some think we have too much sexual freedom some not enough But what if the problem is much more fundamental What if the problem goes to the very foundations of who we are as human beings in relationship with God In The First Society The Sacrament of Matrimony and the Restoration of the Social Order Scott Hahn makes the startling claim that our society s ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony Man he argues is social in his very nature We were created for community As it was in the beginning so it remains today The family formed through the Sacrament of Matrimony is the most basic building block of every society whether we like it or not We ve corrupted marriage and so we have a corrupt society If we get marriage right our society through God s grace will flourish This is so because Matrimony like all the sacraments heals and elevates human nature Without marriage our ambitions toward a just social order will remain forever foolhardy With it the seemingly impossible a truly peaceful and humane civilization becomes possible Living Your Happily Ever After Dr. Robert W.
