Robert Hugh Benson

For Christ And The Church:

The Humble Church Martyn Percy ,2021-03-31 In this bold and provocative invitation Martyn Percy imagines what the post pandemic Church might look like and sets out what it needs to learn It argues that the Church needs to stop obsessing about itself its size its strategies to shore up decline its waning public influence and rediscover how to live as the body of Christ In other words what does it need to do in order to become more like Christ As Christ poured out his life for the sake of others he considers ways in which the Church might imitate Christ in practice today Whenever Jesus visited anywhere beyond the confines of the Jewish community he immediately became socially useful and so this extols such virtues as humble service in the community not because it is an effective way to grow the Church but because it is faithful to Christ s own example Avoiding responses such as exasperation righteous anger at shortcomings or wishful thinking about returning to the past he sets out a vision for the Church s future that is both biblical and christological Incisive imaginative and engagingly written this will resonate deeply with many lay and ordained members of the Church *Christ in the Church* Robert Hugh Benson,1920

His Glorious Bride Pierre Viret,2020-02-11 What is the Church What are its true marks How should the roles of pastors elders and deacons be defined What is church discipline and when should it be employed And what is the Church s role in relation to the civil government From questions regarding church membership and the proper role of preaching to excommunication and the jurisdictional bounds between Church and State 16th century Reformer Pierre Viret offers solid Biblical clarity and wisdom to the contemporary church in his writings on Christ s glorious Bride Dealing with sacraments the proper presentation of the Law and the Gospel and brotherly reconciliation and the communion of the saints His Glorious Bride presents an easily understood practical study on the Church and its various aspects and responsibilities

Christ in the Church... Robert Hugh Benson,1911 [The Church of Christ](#) Peter Finlay,1928 **Christ's Church** Bo Giertz,2010-10-04 Description The Church who is she asks Bo Giertz in this book which he adds is first of all for those who have some notion of the life which is present within the church walls and also have some desire to understand that life better and know more about it If you re among the tens of thousands who ve read Giertz s bestselling novel The Hammer of God about ordinary people in their relation to the Church and her message then you know his ability to engage you in the dramatic events of everyday life Giertz shows the same engaging ability when he in Christ s Church takes you on a walk from her biblical roots toward her glorious future Endorsements Christ s Church demonstrates the resilient vigor of Bo Giertz s literary work First published under the dark clouds of an erupting world war in 1939 Christ s Church has not lost its power to convict and comfort If anything the vitality of Giertz s book is even more potent in our day of pluralism doctrinal indifference and inbred suspicion of all religious institutions Confident of the church s oneness in Christ built secure on the foundation of the apostolic Word Giertz sees the church as a living legacy of God s faithfulness This is a book that speaks with clarity and conviction to seasoned Christians at home in the Father s house as well as to those who stand outside but peep in the window

University Kyoto Japan He is an Oxford graduate and author of *The Writers of English Literature* **A Vindication of the Keys of the Kingdom of Heaven into the Hands of the Right Owners** Daniel Cawdrey, 2007-07-09 Over 10 000 documents on the subject of church government during the time of the Westminster Assembly were written and published Daniel Cawdrey was among the most able writers in defense of Presbyterian Government In this work Cawdrey deals with the issue of authority power rule ordination church planting and lawful preaching He writes against the prolific writer and minister of New England congregationalism John Cotton Cotton had written a number of tracts and Cawdrey answers them ably In following Cawdrey's lucid arguments one must take notice of the quandary that John Cotton falls quickly into contradiction and downright confusion Cawdrey is looking to unite the churches of Jesus Christ not separate them He is writing against schism Cawdrey's writings were always laced with hard truth but filled with a desire for people to think rightly about the topic with fairness and desire to see Christ's church united not ripped apart *Sacrifice Unveiled* Robert J. Daly, 2009-04-13 Most ideas of sacrifice even specifically Christian ideas as we saw in the Reformation controversies have something to do with deprivation or destruction But this is not authentic Christian sacrifice Authentic Christian sacrifice and ultimately all true sacrifice whether one is conscious of it or not begins with the self offering of the Father in the gift sending of the Son continues with the loving response of the Son in his humanity and in the Spirit to the Father and for us and finally begins to become real in our world when human beings in the power of the same Spirit that was in Jesus respond to love with love and thus begin to enter into that perfectly loving totally self giving relationship that is the life of the triune God The origins of this are in the Hebrew Bible its revelatory high points in Jesus and Paul and its working out in the life of the Church especially its Eucharistic Prayers Special attention will be paid to the atonement not just because atonement and sacrifice are often synonymous but also because traditional atonement theology is the source of distortions that continue to plague Christian thinking about sacrifice After exploring the possibility of finding a phenomenology of sacrificial atonement in Girardian mimetic theory the book will end with some suggestions on how to communicate its findings to people likely to be put off from the outset by the negative connotations associated with sacrifice **Journal of the ...
