Smail, 2005-05-02 To articulate a credible doctrine of the atonement in today's cultural situation is fraught with difficulties How can we do justice to the central New Testament claim that the work of Christ at one point in history is decisive for God's relationship to the whole of humanity at every other point in history Tom Smail takes the connection between the atonement and the Trinity as the underpinning of Once and for All If we recognize that the work of the cross has to be seen to involve all three persons and their relationships to one another we have a structure that enables us to deal with the problems the doctrine of the atonement raises This presentation of Christ's atoning work in his cross and resurrection both does justice to its decisive character as a once and for all historical event and at the same time explores the sense in which a long past historical act can be universally relevant to and effective for everyone Tom Smail makes contemporary theological thinking on this subject accessible and also in investigating the spiritual and pastoral dimensions of the gospel of the cross gives expression to his personal struggle with it throughout fifty years of ministry It is his own confession of the cross guided by the Scriptures and the many diverse strands of the Christian tradition that are precious to him Once and for All will help us all to understand better and to enter into the unique and enduring mystery at the heart of our faith The Four Seasons

Collection: It Happens Every Spring / Summer Breeze / Falling for You Again / Winter Turns to Spring Catherine Palmer, Gary Chapman, 2017-07-04 This collection bundles together all 4 of the Four Seasons novels by popular authors Catherine Palmer and Gary Chapman into one e book for a great value The series is based on the marriage principles found in Gary Chapman's non fiction book The Four Seasons of Marriage Similar in tone and light hearted quirky humor as Jan Karon's Mitford series Fannie Flagg's books or Steel Magnolias Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that volume's story 1 It Happens Every Spring Meet the characters that live work dream and love in the community of Deepwater Cove Four married couples all in different stages in life experience the joys and hardships of marriage as examined in Gary Chapman's The Four Seasons of Marriage In book one Steve and Brenda face a common problem among middle age couples empty nest syndrome Steve works too much and with their two children out of the house Brenda feels lonely and unfulfilled In order to save their marriage the two must learn to reconnect Readers are
