Variety's Complete Home Video Directory, 1989 *Casper the Friendly Ghost* Leslie Cabarga, Jerry Beck, 2007 It's amazing how many comics fans who grew up admiring Spider Man Batman and Nick Fury still retain warm places in our hearts for Casper the Friendly Ghost Now Dark Horse is delighted to participate in the revival of Casper who remains among the most beloved of cartoon and comic book icons Casper the Friendly Ghost made his first appearance as a star of Paramount's Famous Cartoons in 1947 and entered the comics in 1949 But after five issues publisher St John's gave up the title That's when Harvey Comics stepped in and where this book begins [2008 Comic Book Checklist & Price Guide](#) Maggie Thompson, Brent Frankenhoff, Peter Bickford, 2007-10-08 Did you know that comic books are being promoted by noted organizations including American Library Association and many educators as a tool for engaging young readers *Graphic Encounters* Dale Jacobs, 2013-08-29 With the recent explosion of activity and discussion surrounding comics it seems timely to examine how we might think about the multiple ways in which comics are read and consumed Graphic Encounters moves beyond seeing the reading of comics as a debased or simplified word based literacy Dale Jacobs argues compellingly that we should consider comics as multimodal texts in which meaning is created through linguistic visual audio gestural and spatial realms in order to achieve effects and meanings that would not be possible in either a strictly print or strictly visual text Jacobs advances two key ideas one that reading comics involves a complex multimodal literacy and two that by studying how

comics are used to sponsor multimodal literacy we can engage more deeply with the ways students encounter and use these and other multimodal texts Looking at the history of how comics have been used by churches schools and libraries among others will help us as literacy teachers best use that knowledge within our curricula even as we act as sponsors ourselves
