Friendly Rivals Bargaining And Burden Shifting In Nato:

Friendly Rivals Wallace J. Thies, 2015 *Friendly Rivals* Wallace J. Thies, 2015-03-27 Viewing the behavior of NATO members through the prism of bargaining theory reveals them as states intent on obtaining the benefits of membership at the least cost to themselves This book shows how NATO members use a variety of strategies and tactics to try to get the better of each other without wrecking an alliance that realizes their shared goals and from which they all benefit The book examines the original design of the alliance patterns of bargaining during the Cold War and post Cold War periods how their rivalries impact members domestic policies of defense and welfare and what this history suggests about NATO s future prospects Recent interventions in the Balkans and the Middle East make this virtually a playbook for following current events

Defense of the West Stanley R. Sloan, 2020-09-11 Written in a lively and readable style by the world s leading authority on the North Atlantic Treaty Organization and US European relations *Defense of the West* is the history of a transatlantic security relationship that has endured for over seventy years This latest edition of a classic work looks at how developments inside NATO and European Union member states affect their ability to defend against external threats while preserving Western values in the era of Trump and Brexit Sloan frankly addresses the failures and shortcomings of Western institutions and member states But the book emphasizes the continuing importance of value based transatlantic security cooperation as a vital element of the defense and foreign policies of NATO and EU member states At a time of heightened tension and political turmoil at home and abroad Stan Sloan s lucid and far sighted analysis is more necessary than ever Research Handbook on NATO Sebastian Mayer, 2023-07-01 This timely Research Handbook provides novel insights into the institutional complexities of the North Atlantic Treaty Organization NATO Through a defined focus on the post Cold War evolution of NATO it provides various theoretical perspectives on the Alliance and assesses wider research efforts within NATO studies

Understanding NATO in the 21st Century Graeme P. Herd, John Kriendler, 2013-02-15 *Understanding NATO in the 21st Century* enhances existing strategic debates and clarifies thinking as to the direction and scope of NATO s potential evolution in the 21st century The book seeks to identify the possible contours and trade offs embedded within a potential third Transatlantic Bargain in the context of a U S strategic pivot in a Pacific Century To that end it explores the internal adaptation of the Alliance evaluates the assimilation of NATO s erstwhile adversaries and provides a focus on NATO s operational future and insights into the new threats NATO faces and its responses Each contribution follows a similar broad tripartite structure an examination of the historical context in which the given issue or topic has evolved an identification and characterization of key contemporary policy debates and drivers that shape current thinking and on that basis a presentation of possible future strategic pathways or scenarios relating to the topic area This book will appeal to students of NATO international security and international relations in general **What's Wrong with NATO and How to Fix it** Mark Webber, James Sperling, Martin A. Smith, 2021-03-16 NATO the most successful alliance in history is beset by unresolved

tensions and divergent interests that are undermining its cohesion credibility and capability In this new book Mark Webber James Sperling and Martin Smith explore four key post Cold War developments that threaten NATO s survival an overextended geostrategic reach and an unwieldy security policy portfolio a failure to address capability short falls and meet defence spending benchmarks US weariness and European wariness that call NATO into question and intra alliance discord over Russia s place in the European security order and how to deal with Moscow s destabilization of Georgia and Ukraine The authors propose in response a range of policy options that could reinvigorate NATO but conclude with a note of caution Alliances come and go and most are cast into the dustbin of history If NATO is to avoid this fate it must not only address the major problems that trouble it but also get to grips with future challenges to alliance cohesion and credibility from Brexit to the emerging contest with China

The Oxford Handbook of NATO James Sperling, Mark Webber, 2025-01-21 The North Atlantic Treaty Organization NATO has since its foundation in 1949 been the principal body of the Western security order and remains as important in the 2020s as it was in the 1950s This Handbook offers the most extensive treatment of the Alliance published in the last two decades providing detailed coverage of NATO allies policies and organizational structures It brings together internationally renowned scholars who interrogate NATO s actions from historical theoretical and empirical perspectives The Handbook is divided into nine parts Following an introductory part offering a thematic overview of NATO framed by different approaches to domestic politics and global order the second part explores three broad questions what is NATO for who is NATO for and whither NATO Part Three is more expressly theoretical providing multi perspectival analyses of the Alliance Part Four then turns to how NATO works as a political military alliance Parts Five and Six are concerned with what NATO does in practical terms how it addresses a wide range of security threats and what operations it has mounted in response Part Seven looks at some of NATO s most significant allies including France Germany Italy Poland Turkey the United Kingdom and the United States Part Eight meanwhile is concerned with partnerships and key relationships beyond NATO s membership looking at Australia Georgia Ukraine Russia China the European Union and the European neutrals as well as ties to states in the Gulf the Middle East and North Africa The final part of the volume offers reflections on NATO s recent past and possible lines of future development

NATO, the European Union, and the Atlantic Community Stanley R. Sloan, 2005-07-28 Provides an interpretive history of the trans atlantic alliance and explores critical developments in US European relations The author considers the ongoing pattern of US unilateralism and its consequences as the trans atlantic and intra European debate over Iraq produced deep splits among the allies and eroded European trust in US leadership

Theorising NATO Mark Webber, Adrian Hyde-Price, 2015-11-19 Scholarship on NATO is often preoccupied with key episodes in the development of the organisation and so for the most part has remained inattentive to theory This book addresses that gap in the literature It provides a comprehensive analysis of NATO through a range of theoretical perspectives that includes realism liberalism and constructivism and lesser known approaches centred on

learning public goods securitisation and risk Focusing on NATO's post Cold War development it considers the conceptualisation purpose and future of the Alliance This book will be of interest to students and scholars of international organisation international relations security and European Politics *Newcomers No More? Contemporary NATO and the Future of the Enlargement from the Perspective of "Post-Cold War" Members* Robert Czulda, Marek Madej, 2015 The central aims of the book is to present in the form of a collection of papers a variety of views on NATO from member states formerly known as new and to assess in this context the prospects for NATO enlargement Therefore the book consists of two parts The main objective of the first part is to present how NATO is now perceived in Central and South Eastern Europe Papers collected here offer an opportunity to reflect on the impact of the enlargements starting from 1999 on NATO functioning and evolution roles tasks and capabilities The issue of how accession has transformed accessioning states will also be discussed Last but not least the perspective of new members on NATO's future will be presented The authors of the articles in this part mainly come from those countries that joined the Alliance after the end of the Cold War The second part is devoted strictly to the topic of enlargement In this part we asked experts from NATO members both old and new potential candidates and other NATO partners including Russia Georgia Ukraine Azerbaijan Sweden Finland etc how they view the future of NATO cooperation with external partners in Europe and the prospects for enlargement of the Alliance

Intelligence and Propaganda in the Cases of Bosnia and Herzegovina and Afghanistan Murat Aslan, 2022-06-20 This book questions the efficiency of propaganda and the affiliated intelligence functions of international organisations by sampling NATO and to some extent the UN in peace operations It examines NATO operations in Bosnia Herzegovina and Afghanistan in detail as comparative analysis and considers the commitment of the US military since this is the main driver of the bulk of NATO activities In addition the book covers the communication and intelligence activities of the opposing elements in both Bosnia and Afghanistan to offer another comparative approach

Why NATO Endures Wallace J. Thies, 2009-06-29 Why NATO Endures examines military alliances and their role in international relations developing two themes The first is that the Atlantic Alliance also known as NATO has become something very different from virtually all pre 1939 alliances and many contemporary alliances The members of early alliances frequently feared their allies as much if not more than their enemies viewing them as temporary accomplices and future rivals In contrast NATO members were almost all democracies that encouraged each other to grow stronger The book's second theme is that NATO as an alliance of democracies has developed hidden strengths that have allowed it to endure for roughly 60 years unlike most other alliances which often broke apart within a few years Democracies can and do disagree with one another but they do not fear each other They also need the approval of other democracies as they conduct their foreign policies These traits constitute built in self healing tendencies which is why NATO endures

Future NATO John Andreas Olsen, 2020-10-07 Future NATO looks at the challenges facing NATO in the 21st century and examines how the Alliance can adapt to ensure its continued success For more than 70 years

the North Atlantic Alliance has helped to preserve peace and stability in the Euro Atlantic area It has been able to adjust to varying political and strategic challenges We must ensure that NATO continues to be effective in the future This requires looking ahead challenging habitual approaches exchanging ideas and advancing new thinking I highly recommend Future NATO to policymakers military professionals and scholars alike as it offers necessary critical and constructive analysis of current and future challenges posed to our security and defence Annegret Kramp Karrenbauer Minister of Defence Germany Since 1949 NATO has successfully upheld common principles and adapted to new realities As Future NATO examines the Alliance is facing a new set of external and internal challenges in the decades to come The Alliance and its partners need to remain committed to future changes I recommend this excellent study to all but especially to the younger generation of scholars and future policymakers Trine Bramsen Minister of Defence Denmark Over the last 70 years Europe has lived in peace and prosperity because of NATO with unity as our most important weapon We may have our differences but we will continue to work on our common cause to promote peace security and stability To effectively do so NATO needs to continuously adapt to changing security situations An important current challenge is to ensure European Allies take more responsibility for their security But we also need to look at future challenges and find innovative solutions for them Future NATO offers a useful analysis that can help us prepare for what is to come for the Alliance Ank Bijleveld Minister of Defence The Netherlands

The End of European Security Institutions? Benjamin Zyla, 2020-03-06 This book discusses Brexit s implications for the two most important security institutions in Europe the EU s Common Foreign and Security Policy CFSP and the North Atlantic Treaty Organization NATO While Brexit is still unfolding this book asks what it would mean for the future embedding of the UK into CFSP and NATO as well as how it will most likely affect the inner mechanics of the transatlantic alliance NATO and CFSP in particular in the years to come The book is divided into two parts Part I provides a historical overview of the evolution of the relationships between the UK and NATO and the EU respectively Part II discusses the geopolitical contexts and potential impacts of Brexit focusing on the contemporary security environment as well as the options that the EU has in the event an agreement is concluded Using both predictive and normative arguments this book provides likely scenarios for an event that continues to be a source of much uncertainty for the global community Making an important contribution to one of the most important policy debates in international security affairs today this book is of interest to students and researchers of international security affairs European politics and global governance as well as policymakers and practitioners working on the Brexit file

NATO's Post-Cold War Trajectory M. Webber, J. Sperling, M. Smith, 2012-08-20 Two decades since the watershed of the Cold War this book investigates NATO s staying power This book investigates how the Alliance has adapted and managed to attend to new roles and purposes through the lens of International Relations theory The Alliance will continue but will remain subject to ongoing crises and challenges of change

European Union and NATO Expansion A. Lasas, 2010-05-10 Following the disintegration of the Soviet bloc many Central and Eastern

European Countries launched a vigorous return to Europe campaign which primarily focused on accession to NATO and the European Union By 2007 ten countries became members of the Euro Atlantic community personifying the long awaited reunification of Europe NATO Sten Rynning,2024-01-01 A wide ranging new history of NATO from its origins to the present day published for the alliance s seventy fifth anniversary For seven decades NATO s stated aim has been the achievement of world peace but playing great power politics always involves conflict Russia s war on Ukraine and on Europe s security order puts the alliance under threat but also demonstrates why transatlantic cooperation is so necessary But how did NATO get to where it is today and what does its future hold In this incisive new account Sten Rynning traces the full history of the North Atlantic Treaty Organisation from its origins to the present Across its seventy five years NATO has navigated the twists and turns of Cold War diplomacy and nuclear deterrence and has grown its membership The alliance has become a guarantor of peace but Rynning explores how its complex inner workings alongside Russian and Chinese opposition are now shaping its direction At a time of strategic competition and geopolitical upheaval Rynning offers us a clear sighted account of the alliance s intriguing history and asks what its ambitions might be for the future Permanent Alliance? Stanley R. Sloan,2010-07-15 This book is an interpretive analysis of transatlantic security relations from the preparation of the North Atlantic Treaty to the Obama administration Where is Nato Going? Martin Smith,2013-09-13 Since the end of the Cold War and especially since September 11 2001 the future of NATO has been the subject of intense debate This book brings together a group of international relations specialists in order to offer fresh perspectives on the Alliance s current and future purposes and roles Rather than revisiting long standing debates in areas such as NATO enlargement the contributors focus instead on relevant contemporary issues These include the prospects for NATO going global NATO s role in the US led war on terror and the challenges posed by the transatlantic capabilities gap and the emergence of a military dimension to the European Union The paradox facing NATO today is that whilst it is busier than it has ever been before it still does not appear to many observers to have found a viable core role or roles in the contemporary international security arena By exploring key issues and debates on NATO s current agenda this book helps us to better understand the prospects for its long term survival and viability This book was previously published as a special issue of the leading journal Contemporary Security Policy

The Burden-Sharing Dilemma Brian D. Blankenship,2023-11-15 The Burden Sharing Dilemma examines the conditions under which the United States is willing and able to pressure its allies to assume more responsibility for their own defense The United States has a mixed track record of encouraging allied burden sharing while it has succeeded or failed in some cases it has declined to do so at all in others This variation Brian D Blankenship argues is because the United States tailors its burden sharing pressure in accordance with two competing priorities conserving its own resources and preserving influence in its alliances Although burden sharing enables great power patrons like the United States to lower alliance costs it also empowers allies to resist patron influence Blankenship identifies three factors that determine the severity of this

burden sharing dilemma and how it is managed the latent military power of allies the shared external threat environment and the level of a patron's resource constraints Through case studies of US alliances formed during the Cold War he shows that a patron can mitigate the dilemma by combining assurances of protection with threats of abandonment and by exercising discretion in its burden sharing pressure Blankenship's findings dismantle assumptions that burden sharing is always desirable but difficult to obtain Patrons as the book reveals can in fact be reluctant to seek burden sharing and attempts to pass defense costs to allies can often be successful At a time when skepticism of alliance benefits remains high and global power shifts threaten longstanding pacts The Burden Sharing Dilemma recalls and reconceives the value of burden sharing and alliances

This Engaging World of E-book Books: A Thorough Guide Revealing the Benefits of Kindle Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and ease of availability, have freed readers from the constraints of physical books. Gone are the days of carrying bulky novels or meticulously searching for specific titles in shops. Kindle devices, sleek and portable, effortlessly store an wide library of books, allowing readers to immerse in their favorite reads anytime, anywhere. Whether commuting on a busy train, relaxing on a sunny beach, or simply cozying up in bed, Kindle books provide an exceptional level of ease. A Literary World Unfolded: Exploring the Vast Array of Kindle Friendly Rivals Bargaining And Burden Shifting In Nato Friendly Rivals Bargaining And Burden Shifting In Nato The Kindle Shop, a digital treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to every readers preference and choice. From gripping fiction and thought-provoking non-fiction to classic classics and contemporary bestsellers, the E-book Store offers an unparalleled variety of titles to explore. Whether seeking escape through immersive tales of fantasy and adventure, delving into the depths of past narratives, or broadening ones knowledge with insightful works of scientific and philosophical, the Kindle Shop provides a doorway to a literary universe brimming with endless possibilities.
