Friends In Palestine:

The American Friend, 1926 **Friends in Palestine** Christina H. Jones, 1981-01-01 *Quakers in the Israeli Palestinian Conflict* Nancy Gallagher, 2007-09-01 The Israeli Palestinian conflict has resulted in the longest standing refugee crisis in the world today Based on new archival research and interviews with surviving participants this book considers one early effort to resolve that crisis while offering helpful lessons for current efforts at conflict resolution in the Middle East and elsewhere When war broke out in Palestine in 1948 the American Friends Service Committee AFSC a Quaker service organization had just won the Nobel Peace Prize for its peacemaking endeavors and its service to war refugees during the Second World War On the basis of that experience the United Nations invited the highly visible AFSC to provide humanitarian relief to Arab refugees in Gaza The AFSC also sent volunteers to work in Israel where they hoped to serve both Arabs and Jews Its long term goal was repatriation of the refugees and conciliation and coexistence between Israelis and Palestinians As eyewitnesses to some of the major events of the conflict the AFSC volunteers came to understand it better than most outsiders at the time By examining these early efforts at peacemaking and assistance historian Nancy Gallagher has uncovered essential insights for today's peacemakers human rights activists and humanitarian NGOs Negotiating Palestinian Womanhood Enaya Hammad Othman, 2016-09-30 Negotiating Palestinian Womanhood Encounters between Palestinian Women and American Missionaries 1880s 1940s is the first analytical study to examine the American Quaker educational enterprise in Palestine since its establishment in the late nineteenth century during the Ottoman rule and into the British Mandate period This book uses the Friends Girls School as a site of interaction between Arab and American cultures to uncover how Quaker education was received translated internalized and responded to by Palestinian students in order to change their position within their society's structural power relations It examines the influence of Quaker education on Palestinian women's views of gender and nationalism Quaker education in addition to ongoing social and political transformations produced mixed results in which many Palestinian women showed emancipatory desires to change their roles and responsibilities in either radical moderate or conservative ways As many of their writings in the 1920s and 1930s illustrate Quaker ideals of internationalism peace and nonviolent means in conflict resolution influenced the students advocacy for cultural nationalism Arab unity across tribal and religious lines and responsible citizenship Civil Society, Post-Colonialism and Transnational Solidarity Marie-Violaine Louvet, 2016-06-28 Civil Society Post Colonialism and Transnational Solidarity originates from Louvet's observation of the strong commitment of a layer of Irish civil society from the man on the street to political parties associations and trade unions to the defence of one antagonist or the other in the Israeli Palestinian conflict beginning with the Six Day War in 1967 and increasingly so after the Lebanon Wars at the start of the 1980s and the Second Intifada 2000 2005 This book observes how this phenomenon is particularly striking in Northern Ireland where Israeli and Palestinian flags have been flown by Unionists and Nationalists as signs of solidarity and

identification Louvet sheds light on the dynamics and strategies at play in the Middle East conflict in Northern Ireland but also in the Republic of Ireland a country considered to be widely sympathetic to the Palestinian cause With an overarching perspective highlighting the influence of Irish colonial history over the motives and discourse of the different levels of mobilization in civil society this book shows the global movement towards the fragmentation and specialization of transnational solidarity actions in Ireland **The Maccabean** ,1919 **Friends' Review** Samuel Rhoads,Enoch Lewis,1879 *Friends in Palestine* Christina Jones,1981-05 **The Oriental Church and the Latin** Jonas King,1865

Biblical Narrative and Palestine's History Thomas L. Thompson,2014-09-11 Modern biblical scholarship s commitment to the historical critical method in its efforts to write a history of Israel has created the central and unavoidable problem of writing an objective and critical history of Palestine through the biblical literature with the methods of Biblical Archaeology Biblical Narrative and Palestine s History brings together key essays on historical method and the archaeology and history of Palestine The essays employ comparative and formalistic techniques to illuminate the allegorical and mythical in Old Testament narrative traditions from Genesis to Nehemiah In so doing the volume presents a detailed review of central and radical changes in both our understanding of biblical traditions and the archaeology and history of Palestine The study offers an analysis of Biblical narrative as rooted in ancient Near Eastern literature since the Bronze Age Eastern Star Magazine ,1928 **The Friend** ,1869 **Singing the Land** Eli Sperling,2024-03-04 Singing the Land Hebrew Music and Early Zionism in America examines the proliferation and use of popular Hebrew Zionist music amongst American Jewry during the first half of the twentieth century This music one part in a greater process of instilling diasporic Zionism in American Jewish communities represents an early and underexplored means of fostering mainstream American Jewish engagement with the Jewish state and Hebrew national culture as they emerged after Israel declared its independence in 1948 This evolutionary process brought Zionism from being an often polemical notion in American Judaism at the turn of the twentieth century to a mainstream component of American Jewish life by 1948 Hebrew music ultimately emerged as an important means through which many American Jews physically participated in or performed aspects of Zionism and Hebrew national culture from afar Exploring the history events contexts and tensions that comprised what may be termed the Zionization of American Jewry during the first half of the twentieth century Eli Sperling analyzes primary sources within the historical contexts of Zionist national development and American Jewish life Singing the Land offers insights into how and why musical frameworks were central to catalyzing American Jewry s support of the Zionist cause by the 1940s parallel to firm commitments to their American locale and national identities The proliferation of this widespread American Jewish Zionist embrace was achieved through a variety of educational religious economic and political efforts and Hebrew music was a thread consistent among them all **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1992 The Nation ,1922 **Publication** ,1994 **Friends' Intelligencer** ,1918
