Risks, Identities and the Everyday Dr Jayne Raisborough,Dr Julie Scott Jones,2012-12-28 *Risks Identities and the Everyday* focuses on the individual and the lived experience of everyday risks a departure from the focus

on risk from a macro level The contributors look at risk and how perceptions of risk risk taking and risk assessment increasingly dominate our everyday lives and explore it in a variety of settings not previously associated with risk theory including plastic surgery teenage sub cultures ageing and independent travel The volume moves risk away from abstract theorising about what people may or may not fear about risks to focus on how it actually materialises and operates in everyday real social interactions and contexts It also interrogates the rational self at the heart of macro social theories by thinking through the construction of risk choices and the socio cultural dynamics that present some risks as acceptable appropriate and necessary

Close Encounters Laura K. Guerrero, Peter A. Andersen, Walid A. Afifi, 2013-03-05 Taking a relational approach to the study of interpersonal communication this best selling text helps students better understand their relationships with romantic partners friends and family members The authors offer research based insights and content illustrated with engaging scenarios to show how state of the art research and theory can be applied to specific issues within relationships with a focus on issues that are central to describing and understanding close relationships While maintaining the spotlight on communication the authors also emphasize the interdisciplinary nature of the study of personal relationships by including research from such disciplines as social psychology and family studies The book covers issues relevant to developing maintaining repairing and ending relationships Both the bright and dark sides of interpersonal communication within relationships are explored

The States and Urban Strategies: Oregon's state urban strategy, 1980 *Radicalisation, counter-radicalisation, and Prevent* Lee Jarvis, Andrew Whiting, Stuart

Macdonald,2024-03-05 This book offers the first sustained investigation into non elite understandings of radicalisation and counter radicalisation policy Drawing on original focus group research with students from universities across England and Wales the book explores how ordinary citizens understand radicalisation how they make sense of counter radicalisation initiatives like the UK Prevent Strategy and how they evaluate its functioning and effects across society Radicalisation counter radicalisation and Prevent demonstrates that these non elite insights often contradict and diverge from traditional elite security knowledge and thus shed new light on wider questions around the politics of security This has vitally important implications not only for counter radicalisation and counter terrorism policy but for the very study and practice of security
