Fritz Lang Genre And Representation In His American Films:

Fritz Lang Reynold Humphries, 1989 In applying critical theory to Lang's Hollywood made film noirs melodramas Westerns and spy films Humphries provocatively complicates auteur theory and revitalizes in unjustly neglected phase in the career of one of cinema's boldest visionaries BOOK JACKET **The Films of Fritz Lang** Tom Gunning, 2019-07-25 In this volume Tom Gunning examines the films of Fritz Lang not only as a stylistically coherent body of work but as an attempt to portray the modern world through cinema The world of modernity in which systems replace individuals is conveyed by Lang's mastery of cinematic set design composition and editing Lang presents not only a decades long vision of cinematic narrative which can be compared to that of Alfred Hitchcock or Jean Renoir but a view of modernity that relates strongly to the ideas of Adorno Brecht Benjamin and Kracauer From the sweeping allegorical films of the 20s to the chilly and abstract thrillers of the 50s Lang's films Gunning claims are among the most precious records of the twentieth century The Films of Fritz Lang immeasurably enriches our understanding of a great artist and in so doing reimagines what a film artist is an author who fades away even in being recognised and interpreted an enigmatic figure at the junction of aesthetics history biography and theory A Companion to Fritz Lang Joe McElhaney, 2015-01-27 A Companion to Fritz Lang Fritz Lang's movie making spans a major part of the history of cinema across genres styles and national contexts With smartness and sharpness the essays in this essential volume come from many angles to capture the richness of Lang's cinema and bring great insight to its study Dana Polan Cinema Studies NYU Fritz Lang's influence on cinema cannot be overstated with a career that stretched from the silent era in Germany to the decline of the Hollywood studio system in the late 1950s from the Weimar Republic to Nazi Germany from Depression America to the McCarthy era One of the best known migrants from Germany's school of Expressionism Lang is also credited with influencing the emergence of film noir A Companion to Fritz Lang offers the first full scale collection of scholarship available in English on one of the most important filmmakers of all time Addressing much of Lang's voluminous body of work from Metropolis and M to lesser known titles such as Western Union and Clash by Night this volume offers a superb overview of Lang's cinema with revealing insights into his enduring influence on directors such as Godard Scorsese Chabrol and Tarantino The two dozen essays presented here are an unrivaled and up to the minute assessment of the prolific and resilient life and vision of one of cinema's greatest auteurs *In a Lonely Street* Frank Krutnik, 2006-10-19 Taking issue with many orthodox views of Film Noir Frank Krutnik argues for a reorientation of this compulsively engaging area of Hollywood cultural production Krutnik recasts the films within a generic framework and draws on recent historical and theoretical research to examine both the diversity of film noir and its significance within American popular culture of the 1940s He considers classical Hollywood cinema debates on genre and the history of the emergence of character in film noir focusing on the hard boiled crime fiction of Dashiell Hammett Raymond Chandler and James M Cain as well as the popularisation of Freudian psychoanalysis and the social and cultural upheavals of the 1940s The

core of this book however concerns the complex representation of masculinity in the noir tough thriller and where and how gender interlocks with questions of genre Analysing in detail major thrillers like *The Maltese Falcon* *Double Indemnity* *Out of the Past* and *The Killers* alongside lesser known but nonetheless crucial films as *Stranger on the Third Floor* *Pitfall* and *Dead Reckoning* Krutnik has produced a provocative and highly readable study of one of Hollywood most perennially fascinating groups of films Film Noir Reader 4 Alain Silver, James Ursini, 2004-11 This text identifies a handful of plot elements that consistently recur within film noir and analyses in depth the memorable pictures that while being vivid prototypes of certain cinematic themes bend and break their moulds to find new ways to enthrall and frighten us **Homographesis** Lee

Edelman, 2013-10-15 Brings provocative rigorous and controversial readings of literary and cultural texts to gay critical analysis Lee Edelman rearticulates the politics of sexuality addressing some of the most hotly debated issues of our time

Movies in American History Philip C. DiMare, 2011-06-17 This provocative three volume encyclopedia is a valuable resource for readers seeking an understanding of how movies have both reflected and helped engender America's political economic and social history *Movies in American History An Encyclopedia* is a reference text focused on the relationship between American society and movies and filmmaking in the United States from the late 19th century through the present Beyond discussing many important American films ranging from *Birth of a Nation* to *Star Wars* to the *Harry Potter* film series the essays included in the volumes explore sensitive issues in cinema related to race class and gender authored by international scholars who provide unique perspectives on American cinema and history Written by a diverse group of distinguished scholars with backgrounds in history film studies culture studies science religion and politics this reference guide will appeal to readers new to cinema studies as well as film experts Each encyclopedic entry provides data about the film an explanation of the film's cultural significance and influence information about significant individuals involved with that work and resources for further study *Art in the Cinematic Imagination* Susan Felleman, 2010-01-01 Bringing an art historical perspective to the realm of American and European film *Art in the Cinematic Imagination* examines the ways in which films have used works of art and artists themselves as cinematic and narrative motifs From the use of portraits in *Vertigo* to the cinematic depiction of women artists in *Artemisia* and *Camille Claudel* Susan Felleman incorporates feminist and psychoanalytic criticism to reveal individual and collective perspectives on sex gender identity commerce and class Probing more than twenty films from the postwar era through contemporary times *Art in the Cinematic Imagination* considers a range of structurally significant art objects artist characters and art world settings to explore how the medium of film can amplify reinvent or recontextualize the other visual arts Fluently speaking across disciplines Felleman's study brings a broad array of methodologies to bear on questions such as the evolution of the Hollywood Love Goddess and the pairing of the feminine with death on screen A persuasive approach to an engaging body of films *Art in the Cinematic Imagination* illuminates a compelling and significant facet of the cinematic experience Extra-ordinary Men Nicola Rehling, 2009-01-01

This book analyzes popular cinematic representations of normative masculinity exploring the idea that its positioning as the ordinary identity is a source of not only ideological and political strength but also considerable anxiety Rehling offers lucid accounts of contemporary theoretical debates on masculinity whiteness gender race and sexuality in popular cinema and detailed readings of films as diverse as *Fight Club* *Boys Don't Cry* and *The Matrix* *Czech It Out* Miloslav Rechcigl Jr., 2015-07-23 *Czech It Out* Czech American Biography Sourcebook provides a wealth of information on a variety of sources relating to biographical information on notable Americans with Czech roots Besides the national figures also included are information sources on significant individuals at the state regional and local levels Beyond that we saw it fit to also incorporate ethnic information sources which frequently contain a wealth of information on pioneer settlers and individuals active at the community level Having in mind the interests of genealogists in individual families and their descendants a listing has also been provided on family histories and genealogies Even though Czechs have been living in the US practically since colonial times no composite biographical dictionary exists about the accomplished Czech Americans Biographical information about them is scattered in a plethora of sources which are difficult to find and some are not readily accessible The present author who literally devoted several decades of his life to the study of Czech American history has canvassed hundreds of sources at national and local levels to identify not only notable individuals but also pioneer settlers who played a significant role in the growth and development of the US This publication should fill a great void in literature until a comprehensive biographical compendium about Czech Americans has been written *Textual Practice* Terence Hawkes, 2005-08-04 Since its launch in 1987 *Textual Practice* has established itself as Britain's leading journal of radical literary theory You cannot ignore *Textual Practice* Its international cast of contributors well known and new engages today's theoretical and practical debates from the roots of modernity into post modernism from the politics of sexual preference to the future of the Left from literature to activism with the lines crossing and recrossing Gayatri Spivak Professor of English and Comparative Literature Columbia University **Lynching and Spectacle** Amy Louise Wood, 2011-02-01 Lynch mobs in late nineteenth and early twentieth century America exacted horrifying public torture and mutilation on their victims In *Lynching and Spectacle* Amy Wood explains what it meant for white Americans to perform and witness these sadistic spectacles and how lynching played a role in establishing and affirming white supremacy Lynching Wood argues overlapped with a variety of cultural practices and performances both traditional and modern including public executions religious rituals photography and cinema all which encouraged the horrific violence and gave it social acceptability However she also shows how the national dissemination of lynching images ultimately fueled the momentum of the antilynching movement and the decline of the practice Using a wide range of sources including photos newspaper reports pro and antilynching pamphlets early films and local city and church records Wood reconfigures our understanding of lynching's relationship to modern life Wood expounds on the critical role lynching spectacles played in establishing and affirming white supremacy at the turn of

the century particularly in towns and cities experiencing great social instability and change She also shows how the national dissemination of lynching images fueled the momentum of the antilynching movement and ultimately led to the decline of lynching By examining lynching spectacles alongside both traditional and modern practices and within both local and national contexts Wood reconfigures our understanding of lynching s relationship to modern life **Exiles in Hollywood** Gene Phillips,1998-07 The book deals with five European film directors who were forced to remain in exile in the wake of the rise of Hitler and who subsequently enriched the American motion picture industry with a reservoir of new talent that had been nurtured in Europe The directors treated are Fritz Lang William Wyler Otto Preminger Fred Zinnemann and Billy Wilder **Historical Dictionary of German Cinema** Robert C. Reimer,Carol J. Reimer,2019-07-15 The History of German film is diverse and multi faceted This volume can only suggest the richness of a film tradition that includes five distinct German governments Wilhelmine Germany the Weimar Republic the Third Reich the Federal Republic of Germany West Germany and the German Democratic Republic East Germany s well as a reunited Germany two national industries Germany and Austria and a myriad of styles and production methods Paradoxically the political disruptions that have produced these distinct film eras as well as and the natural inclination of artists to rebel and create new styles allow for construction of a narrative of German film Disjuncture generates distinct points of separation and yet also highlights continuities between the ruptures This second edition of Historical Dictionary of German Cinema contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on directors actors films cinematographers composers producers and major historical events that greatly affected the direction and development of German cinema This book is an excellent resource for students researchers and anyone wanting to know more about German cinema The to Z of German Cinema Robert C. Reimer,Carol J. Reimer,2010-04 Outlining the richness of German film The A to Z of German Cinema covers mainstream alternative and experimental film from 1895 to the present through a chronology introductory essay appendix of the 100 most significant German films a bibliography and hundreds of cross

Traversing the Fantasy Jason Glynos,2017-11-30 Slavoj Zizek is one of the most provocative and important thinkers writing in contemporary philosophy This book is an engaged debate with Zizek It contains a series of specially commissioned critical essays from an impressive collection of contributors covering the full extent of his oeuvre Essays examine Zizek on cultural theory film studies ethics political theory social theory Kant and Lacanian psychoanalysis In the spirit of Zizek s own interventions these essays critically interrogate his ideas challenging him to respond directly which he does in an extended polemical reply that concludes the collection This volume represents an exciting and important contribution to contemporary theoretical debate and adds significantly to the growing literature on Zizek *Remembering Scottsboro* James A. Miller,2021-07-13 How one of the greatest miscarriages of justice in the United States continues to haunt the nation s racial psyche In 1931 nine black youths were charged with raping two white women in Scottsboro Alabama Despite meager and

contradictory evidence all nine were found guilty and eight of the defendants were sentenced to death making Scottsboro one of the worst travesties of justice to take place in the post Reconstruction South Remembering Scottsboro explores how this case has embedded itself into the fabric of American memory and become a lens for perceptions of race class sexual politics and justice James Miller draws upon the archives of the Communist International and NAACP contemporary journalistic accounts as well as poetry drama fiction and film to document the impact of Scottsboro on American culture The book reveals how the Communist Party NAACP and media shaped early images of Scottsboro looks at how the case influenced authors including Langston Hughes Richard Wright and Harper Lee shows how politicians and Hollywood filmmakers invoked the case in the ensuing decades and examines the defiant sensitive and savvy correspondence of Haywood Patterson one of the accused who fled the Alabama justice system Miller considers how Scottsboro persists as a point of reference in contemporary American life and suggests that the Civil Rights movement begins much earlier than the Montgomery Bus Boycott of 1955 Remembering Scottsboro demonstrates how one compelling provocative and tragic case still haunts the American racial imagination [Edgar G. Ulmer](#) Gary D. Rhodes, 2010-01-01 Edgar G Ulmer Detour on Poverty Row examines the full scope of the career of this often overlooked film auteur with essays exploring individual films groups of films such as his important work in film noir repetitive themes appearing across the spectrum of his work and a case study of three essays analyzing The Black Cat 1934 **Fifty Hollywood Directors** Suzanne Leonard, Yvonne Tasker, 2014-11-20 Fifty Hollywood Directors introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster By exploring the historical cultural and technological contexts in which each director was working this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights Each entry discusses a director's practices and body of work and features a brief biography and suggestions for further reading Entries include Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history Hollywood and the development of the role of the director [Film Noir and the Possibilities of Hollywood](#) Nathaniel Deyo, 2020-05-23 Built around close readings of 11 noir films this book seeks to refresh our understanding of film noir by returning to the films themselves Pushing against totalizing or generalizing approaches which may have the unintended effect of flattening out significant distinctions and differences between individual approaches Film Noir and the Possibilities of Hollywood argues for the importance of staying attuned the varied and variegated formal aesthetic and thematic strategies at work in individual films By focusing on these strategies the book invites readers to consider anew the enabling possibilities of Hollywood filmmaking in the studio era
