Victorian Poetry and the Culture of the Heart Kirstie Blair, 2006-04-27 This study considers why and how the heart became a vital image in Victorian poetry It argues that the intense focus on heart imagery in the period highlights anxieties about the ability of poetry to act upon its readers It covers key poems by authors such as Tennyson and the Brownings and contextualizes them with reference to lesser known works

The Poet's Heart Pamela S. Mullins, 2009-08-19 A book compiled of many poems composed by a poet at heart

Soul of a Poet's Heart Terrence D. Richburg, 2022-11-03 So when you first woke up this morning what was the first thought that popped into your head Maybe you said a quick prayer Or perhaps you felt an overwhelming sensation in your mind like floodgate doors being thrown open to all your plans appointments and expectations Like with the law of gravity set parameters are so quickly established in the real world by others as well as ourselves They dictate what we can or cannot do But do they really Do we have to succumb to what life seems to command of us or can we decide to embrace the gravity of our life experiences both good and bad and use them as our teachers Soul of a Poet's Heart lays out the unique experience of going back in time to reflect on one's decisions experiences and feelings And as a true gallery on display it offers messages of profound inspiration and value to see ponder and ultimately understand Whether it's about matters of love relationships family forgiveness spirituality wisdom encouragement or even art culture politics and philosophy all of these broad topics impact and speak to our core with both complexity and revelation Soul of a Poet's Heart unveils an innate secret that we're all poets and artists by the act of living and we all create a virtual gallery of experiences emotions and thoughts too precious and intense to ignore or hide from sharing It's time to get away even for a moment and embark on something new and different yet oddly familiar to explore being a student of yourself and use that knowledge to learn and take flight into the essence of becoming all that God meant for you to be

The Contemplative Poetry of Gerard Manley Hopkins Maria R. Lichtmann, 2014-07-14 In 1989 the centenary of his death Gerard Manley Hopkins continues to provoke fundamental questions among scholars what major poetic strategy informs his work and how did his reflections on the nature of poetry affect his writing While form meant a great deal to Hopkins it was never mere form Maria Lichtmann demonstrates that the poet a student of Scripture all his life adopted Scripture's predominant form parallelism as his own major poetic strategy Hopkins saw that parallelism struck deep into the heart and soul tapping into unconscious rhythms and bringing about a healing response that he identified as contemplation Parallelism was to him the perfect statement of the integrity of outward form and inner meaning Other critics have seen the parallelism in Hopkins's poems only on the auditory level of alliterations and assonances Lichtmann however builds on the views held by Hopkins himself who spoke of a parallelism of

words and of thought engendered by the parallelism of sound She distinguishes the integrating Parmenidean parallelisms of resemblance from the disintegrating Heraclitean parallelisms of antithesis The tension between Parmenidean unity and Heraclitean variety is resolved only in the wordless communion of contemplation This emphasis on contemplation offers a corrective to the overly emphasized Ignatian interpretation of Hopkins's poetry as meditative poetry The book also makes clear that Hopkins's preference for contemplation sharply differentiates him from his Romantic predecessors as well as from the structuralists who now claim him Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Poetic**

Labyrinth Forrest Hiler, 2015-04-20 Poetry is a dying art One lost to the pages of time However in one man's mind Poetry is a way of life Take a journey into the maze To find the one piece of the puzzle As to why one's actions mean nothing In the storm that rages The first door is an illusion Pulling you into the maze After that It's all downhill from Voices from the Heart: A Tapestry of Poetry and Prose Pasquale De Marco, 2025-05-12 Voices from the Heart: A Tapestry of Poetry and Prose is a captivating anthology of poetry that explores the depths of the human experience capturing the essence of our hopes dreams fears and triumphs Within its pages a diverse array of poets share their unique perspectives offering a kaleidoscope of voices that resonate with raw emotion and profound insight This collection defies easy categorization encompassing a breathtaking range of styles forms and themes From the lyrical beauty of nature to the complexities of social injustice from the depths of personal loss to the transformative power of love Voices from the Heart: A Tapestry of Poetry and Prose offers a mirror to our shared humanity reflecting both our triumphs and our struggles The poets featured in this anthology are united by their unwavering commitment to the written word their ability to capture the elusive essence of life and their belief in the transformative power of poetry Their voices are as diverse as the experiences they illuminate yet they share a common thread a deep understanding of the human heart Through their words we are transported to distant lands and forgotten eras we witness the birth of dreams and the unraveling of illusions we feel the weight of sorrow and the ecstasy of joy Voices from the Heart: A Tapestry of Poetry and Prose is an invitation to experience the world anew to see it through the eyes of poets who dare to dream to question and to celebrate the indomitable spirit that resides within us all As you delve into this collection allow yourself to be swept away by the rhythm of language the power of imagination and the timeless truths that poetry reveals Within these pages you will find solace inspiration and a renewed appreciation for the beauty and complexity of life Voices from the Heart: A Tapestry of Poetry and Prose is more than just a book of poems it is a testament to the enduring power of human expression It is a reminder that even in the darkest of times the human spirit has the capacity to

soar to find hope and to create beauty If you like this book write a review on google books *A Poet's Heart* Donna Solitario,2011-06 Poets Heart Is both heartwarming and poignantly disquieting Captivating with a strong artistic voice which will indelibly speak to ones soul With a powerful connection to the authors thoughts feelings words and images Leaving upon the heart a lasting presence of love *The Religious Spirit in the Poets* William Boyd Carpenter,1901 **The Pen & the Patriot Poet** Richard Allen Hulbert,2014-10-22 The Pen each poem refreshes the heart and the soul Richard Allen Hulbert has given his most personal and intimate work which will help you find the same source of intrigue and revelation in your life
