From Ditches To Discipleship:

From Ditches to Discipleship David Ronald Ritchie,1974-01-01 **Authentic Discipleship** Martin Harris,2019-02-06

Authentic discipleship is a step by step method for achieving Christian spiritual maturity It is a Bible based process using 2 Peter chapter 1 as its source The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well being of his flock The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it The people were first called Christians at Antioch because they followed the teachings of Christ The term was meant to be derogatory but was never considered so by them They not only followed Him but also actually intended to allow the Living Savior to express Himself through them even as John the Baptist cried out He must increase but I must decrease The more Christlike we can become the greater our discipleship is realized It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits *In the Image of God* Shirley Mayhood,2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God s Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God s kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God s amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father s law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451 [Catalog of Copyright Entries.
