From Fallow Fields to Hallowed Halls John Dillenberger, 2004 How do I get out of here So begins John Dillenberger's account of his journey from a small Illinois farm overlooking the Mississippi to Princeton Harvard Columbia Drew San Francisco Theological Seminary and ultimately the presidencies of the Graduate Theological Union and Hartford Seminary Along the way he served as a colleague of such notable scholars as Reinhold Niebuhr and Paul Tillich From Fallow Fields to Hallowed Halls is at once an account of the unfolding of a life and a picture of academic and cultural religious currents of the twentieth century John Dillenberger was shaped by the times that he also shaped at critical junctures *A Church Wide Enough for Everyone* Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God *A Church Wide Enough for Everyone* follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century *A Church Wide Enough for Everyone* and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible *American Book Publishing Record*, 2003
