Scott,2009-06-30 As Louisiana and Cuba emerged from slavery in the late nineteenth century each faced the question of what rights former slaves could claim Degrees of Freedom compares and contrasts these two societies in which slavery was destroyed by war and citizenship was redefined through social and political upheaval Both Louisiana and Cuba were rich in sugar plantations that depended on an enslaved labor force After abolition on both sides of the Gulf of Mexico ordinary people cane cutters and cigar workers laundresses and labor organizers forged alliances to protect and expand the freedoms they had won But by the beginning of the twentieth century Louisiana and Cuba diverged sharply in the meanings attributed to race and color in public life and in the boundaries placed on citizenship Louisiana had taken the path of disenfranchisement and state mandated racial segregation Cuba had enacted universal manhood suffrage and had seen the emergence of a transracial conception of the nation What might explain these differences Moving through the cane fields small farms and cities of Louisiana and Cuba Rebecca Scott skillfully observes the people places legislation and leadership that shaped how these societies adjusted to the abolition of slavery The two distinctive worlds also come together as Cuban exiles take refuge in New Orleans in the 1880s and black soldiers from Louisiana garrison small towns in eastern Cuba during the 1899 U S military occupation Crafting her narrative from the words and deeds of the actors themselves Scott brings to life the historical drama of race and citizenship in postemancipation societies Plateaus of Freedom Mark

Kristmanson,2003-12-15 Canadians are not accustomed to thinking of censorship secret intelligence and propaganda as a single entity Much less do they consider that these covertly militaristic activities have anything to do with culture So writes Mark Kristmanson in this important study of the intertwining activities and careers of those involved in Canada s security agencies and in the state sanctioned culture industry during the delight of the Cold War The connections between secret intelligence and culture might appear to be merely coincidental Both the spies and the arts people worked with words with symbols and hidden meanings with ideas They had regular informal luncheons together in Ottawa Some members of the intelligence community even found careers in the arts Less than a decade after defecting the Russian Igor Gouzenko wrote a pulp fiction Cold War spy novel for which he received a Governor General s award And Peter Dwyer Britain s top security official in North America during World War II was a playwright who after the war worked in Canada s intelligence community before drafting the founding for the Canada Council and becoming its first director But Plateaus of Freedom details much more than a casual relationship between security and the arts As Kristmanson demonstrates the censorship intelligence

propaganda complex that proliferated in Canada after World War II played a counterpoint between national culture and state security with the result that freedom especially intellectual freedom plateaued on the principle of nationality The security and cultural policy measures examined here from the RCMP investigations at the National Film Board that led to numerous firings to the harassment of the extraordinary African American singer and Soviet sympathizer Paul Robeson attest to the fragility and the enduring power of art to effect social change

Shadow of Freedom Louise Yvonne Dean,2013-12-10 From the Shadow of Freedom is a collection of poems and prayers that I wrote during a very difficult time in my life due to physical mental and sexual abuse After surviving multiple attempts of suicide I gave up on death and just dealt with the pain I lived and wrote in the shadow of freedom with the dream that someday I would become free and soar like an eagle to be the person I was created to be in this lifetime To express oneself verbally was wrong and for me to pen the words of these poems I would always have to hide somewhere in the shadows in order not to be caught and punished for expressing my thoughts and feelings Today I no longer live in that prison of abuse nor do I live in the shadows I can openly express my thoughts and feelings I have found that freedom is a beautiful thing and today I soar as that eagle I always dreamed of I pray these poems and prayers will penetrate the darkest shadows of all who read them and bring light peace freedom and healing to their dark wounded heart soul and spirit Freedom From the Shadow of L
