History Of Male Infertility And Its Surgical Treatment: Historical Essays (In 2 Volumes) Yefim R Sheynkin,2025-01-10

Infertility in men has been a longstanding issue throughout history In the past infertility was commonly thought to be solely the fault of females while the complex history of male infertility was often overlooked Currently there is limited literature on the subject with only a few review articles and introductory chapters in textbooks or specialized books discussing the clinical features of male infertility but failing to address its historical societal cultural political and philosophical implications This book aims to fill this gap and offer readers a comprehensive historical perspective on the development of male infertility into a clinical entity
