Encyclopedia of Asian-American Literature Seiwoong Oh,2015-04-22 Presents a reference on Asian American literature providing profiles of Asian American writers and their works **The Art of Symbolic Resistance** Joanne N. Smith Finley,2013-09-12 Against the background of the r mchi riots July 2009 this book provides a longitudinal study of contemporary Uyghur identities and Uyghur Han relations Previous studies considered China s Uyghurs from the perspective of the majority Han state or people Conversely *The Art of Symbolic Resistance* considers Uyghur identities from a local

perspective based on interviews conducted with group members over nearly twenty years Smith Finley rejects assertions that the Uyghur ethnic group is a creation of the Chinese state suggesting that contemporary Uyghur identities involve a complex interplay between long standing intra group socio cultural commonalities and a more recently evolved sense of common enmity towards the Han This book advances the discipline in three senses from a focus on sporadic violent opposition to one on everyday symbolic resistance from state to local representations and from a conceptualisation of Uyghurs as victim to one of creative agent
