This 1999 revised work published by University of Hawai'i Press includes material that builds on issues and concerns raised in the first edition: Native Hawaiian student organizing at the University of Hawai'i the master plan of the Native Hawaiian self-governing organization Ka Lahui Hawai'i and its platform on the four political arenas of sovereignty the 1989 Hawai'i declaration of the Hawai'i ecumenical coalition on tourism and a typology on racism and imperialism. Brief introductions to each of the previously published essays brings them up to date and situates them in the current Native Hawaiian rights discussion.
