Jeffrey G. Karam

From Abdullah To Hussein Jordan In Transition:

From Abdullah to Hussein Robert Barry Satloff, 2023 A study of the six year period in modern Jordanian political history when the Hashemite kingdom was in crisis Based on interviews and archival resources it provides an examination of the early years of King Hussein's rule when power rested in the hands of the King's advisors *From Abdullah to Hussein* Robert B. Satloff, 1994-02-17 This book examines the most turbulent period in the history of Jordan's ruling house the six years following the assassination of the kingdom's founder Abdullah 1951-1957 Those years witnessed the country's lone episode of weak monarchy when the king the novice Hussein or his ill-starred father Talal was not the preeminent political actor in the land Rather it was during that time at the regime was left in the hands of a mix of Palestinian Transjordanian and Circassian royalists who had never before wielded executive authority inside the kingdom Based on exclusive interviews and newly released archival resources this book traces the only two royal successions in Jordanian history the eleven month reign of the little known Talal and the early years of King Hussein *Jordan in Transition* Curtis R. Ryan, 2002 Jordan has long been regarded as a pivotal country in the Middle East one whose policy choices carry strong implications for regional stability *Jordan in Transition* offers a cogent and compelling analysis of the country's domestic and international politics Ryan argues that there have been four dramatic transitions in Jordan's recent past ambitious economic restructuring efforts toward political liberalization realignments in foreign relations culminating in the 1994 peace agreement with Israel and the succession of King Abdullah II Exploring these transitions and how each in turn affects the others he provides a major contribution to our understanding of Jordan *A History of Jordan* Philip Robins, 2004-02-09 Publisher Description **From Hussein to Abdullah** Robert Barry Satloff, 1999 **The Middle East in 1958** Jeffrey G. Karam, 2020-09-17 The revolutionary year of 1958 epitomizes the height of the social uprisings military coups and civil wars that erupted across the Middle East and North Africa in the mid twentieth century Amidst waning Anglo-French influence growing US-USSR rivalry and competition and alignments between Arab and non-Arab regimes and domestic struggles this year was a turning point in the modern history of the Middle East This multi and interdisciplinary book explores this pivotal year in its global regional and local contexts and from a wide range of linguistic geographic academic specialties The contributors draw on declassified and multilingual archives reports memoirs and newspapers in thirteen country specific chapters shedding new light on topics such as the extent of Anglo-American competition after the Suez War Turkey's efforts to stand as a key pillar in the regional Cold War the internationalization of the Algerian War of Independence and Iran and Saudi Arabia's abilities to weather the revolutionary storm that swept across the region The book includes a foreword from Salim Yaqub which highlights the importance of Jeffrey G. Karam's collection to the scholarship on this vital moment in the political history of the modern middle east **The Struggle for the State in Jordan** Jamie Allinson, 2015-01-05 Why do the states of the Arab world seem so unstable Why do alliances between them and with outside powers change Jamie Allinson argues that the answer lies in the

expansion of global capitalism in the Middle East Drawing out the unexpected way in which Jordan's Bedouin tribes became allied to the British Empire in the twentieth century and the legacy of this for the international politics of the Middle East he challenges the existing views of the region Using the example of Jordan this book traces the social bases of the struggles that produced the country's foreign relations in the latter half of the twentieth century to the reforms carried out under the Ottoman Empire and the processes of land settlement and state formation experienced under the British Mandate By examining the attempts of Jordan to create foreign alliances during a time of upheaval and instability in the region Allinson offers wider conclusions concerning the nature of the interaction between state and society in the wider Middle East

Nationalist Voices in Jordan Betty S. Anderson, 2009-09-15 According to conventional wisdom the national identity of the Jordanian state was defined by the ruling Hashemite family which has governed the country since the 1920s But this view overlooks the significant role that the Arab street in this case ordinary Jordanians and Palestinians played and continues to play in defining national identity in Jordan and the Fertile Crescent as a whole Indeed as this pathfinding study makes clear the street no less than the state has been a major actor in the process of nation building in the Middle East during and after the colonial era In this book Betty Anderson examines the activities of the Jordanian National Movement JNM a collection of leftist political parties that worked to promote pan Arab unity and oppose the continuation of a separate Jordanian state from the 1920s through the 1950s Using primary sources including memoirs interviews poetry textbooks and newspapers as well as archival records she shows how the expansion of education new jobs in the public and private sectors changes in economic relationships the establishment of national militaries and the explosion of media outlets all converged to offer ordinary Jordanians and Palestinians who were under the Jordanian government at the time an alternative sense of national identity Anderson convincingly demonstrates that key elements of the JNM's pan Arab vision and goals influenced and were ultimately adopted by the Hashemite elite even though the movement itself was politically defeated in 1957

Networks of Privilege in the Middle East: The Politics of Economic Reform Revisited S. Heydemann, 2004-08-20 This volume explores the role of informal networks in the politics of Middle Eastern economic reform The editor's introduction demonstrates how network based models overcome limitations in existing approaches to the politics of economic reform The following chapters show how business state networks in Egypt Morocco Tunisia Syria Lebanon and Jordan have affected privatization programs and the reform of fiscal policies They help us understand patterns and variation in the organization and outcome of economic reform programs including the opportunities that economic reforms offered for reorganizing networks of economic privilege across the Middle East

Government and Politics of the Middle East and North Africa Sean Yom, 2019-10-30 The latest edition of this renowned textbook explores the states and regimes of the Middle East and North Africa Presenting heavily revised fully updated chapters contributed by the world's leading experts it analyzes the historical trajectory political institutions economic development and foreign policies of the region's nearly two dozen countries The volume can be used in

conjunction with its sister volume *The Societies of the Middle East and North Africa* for a comprehensive overview of the region. Chapters are organized and structured identically giving insightful windows into the nuances of each country's domestic politics and foreign relations. Data tables and extensive annotated bibliographies orient readers towards further research. Whether used in conjunction with its sister volume or on its own, this book provides the most comprehensive and detailed overview of the region's varied politics. Five new experts cover the critical country cases of Turkey, Lebanon, Jordan, Saudi Arabia, and Iran. All chapters cover the latest events including trends that have remarkably changed in just a few years like the gradual end of the Syrian civil war. As such, this textbook is invaluable to students of Middle Eastern politics. The ninth edition brings substantial changes. All chapters also have a uniform streamlined structure that explores the historical context, social and economic environment, political institutions, regime dynamics, and foreign policy of each country. Fact boxes and political maps are now far more extensive, and photographs and images also help illustrate key points. Annotated bibliographies are vastly expanded, providing nothing short of the best list of research references for each country.

Modern Conflict in the Greater Middle East Spencer C. Tucker, 2017-04-17. This reference work covers the history of Middle East nations, addressing military, political, diplomatic, and ideological trends in each respective country and enabling readers to better understand the factors behind the crises shaping the Middle East today. *Modern Conflict in the Greater Middle East: A Country By Country Guide* is a concise reference for students exploring the importance of each nation-state in the Middle East and their level of involvement in major conflicts in the region. It supplies the broad historical background necessary for readers to understand each country's unique role in the conflicts that have characterized the region since the end of World War I. The book also enables readers to grasp the various motives and ideologies that have shaped each nation's military objectives and to appreciate the political and social climates of each of these countries that propelled them into various wars. The book presents a chapter-by-chapter discussion of the origins and impacts of war on specific Middle Eastern countries, giving readers an in-depth understanding of the global importance of the conflicts within the region. These chapters, along with detailed timelines, sidebars, and primary source documents, will help readers grasp the connections between individuals, developments, and conflicts in the Middle East and events and developments such as European imperialism, World Wars I and II, U.S. foreign policy during and after the Cold War, the formation of the state of Israel, Arab nationalism, the emergence of the oil industry in the region, and the origins of radical Islam.

The Management of Islamic Activism Quintan Wiktorowicz, 2000-10-19. *The Management of Islamic Activism* examines the relationship between the changing nature of state power and patterns of Islamic activism in Jordan. Using extensive fieldwork, the author demonstrates how regimes continue to constrain the organization of Islamic opposition even after the advent of political liberalization. In the case of the Jordanian regime, control has been maintained through the management of collective action, the regulation of opposition through a complex array of bureaucratic and legal mechanisms. More specifically, laws governing civil society organizations

are manipulated to encourage the formation of moderate Islamic groups while disempowering more radical activists As a result the radical activists have formed informal social networks that operate outside the state s control Composed of like minded Islamists these networks evade attempts to manage Islamic activism through a loose web of personal relationships small group interactions and informal meetings A comparison of the Salafis and the Muslim Brotherhood in Jordan demonstrates how state management strategies shape these patterns of social movement mobilization **Jordanian-Israeli Relations** Mutayyem al O'ran,2008-11-14 This book charts Jordanian Israeli relations from a Jordanian perspective since 1994 and explores the reasons as to why a warmer peace hasn t developed as a product of the peacebuilding process

Democracy in the Arab World Ibrahim Elbadawi,2011 Despite notable socio economic development in the Arab region a deficit in democracy and political rights has continued to prevail This book examines the major reasons underlying the persistence of this democracy deficit over the past decades and touches on the prospects for deepening the process of democratization in the Arab World Contributions from major scholars in the region give a cross country analysis of economic development political institutions and social factors and the impact of oil wealth and regional wars and present a model for democracy in the Arab world Case studies are drawn from Algeria Egypt Iraq Jordan Lebanon Syria Sudan and the Gulf region building on these cross country analyses and probing beyond the model e tm s main global variables Looking beyond the effect of oil and conflicts the chapters illustrate how specific socio political history of the country concerned fear of fundamentalist groups collusion with foreign powers and foreign interventions and the co option of the elites by the state contribute to these problems of democratization Situating the democratic position of the Arab World in a global context this book is an important contribution to the field of Middle Eastern politics development studies and studies on conflict and democracy **The Statesman's Yearbook 2001** B. Turner,2016-12-29 For the last 137 years The Statesman s Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in 137 years brought enhancements to the 1998 99 edition and these have been continued since then Internet usage figures are included Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change A fold out colour section provides a political world map and flags for the 191 countries of the world The task of monitoring the pattern or flow of world change is never ending However the annual publication of The Statesman s Yearbook gives all the information needed in one easily digestible single volume It will save hours of research and cross referencing between different sources A prestigious and popular book The Statesman s Yearbook is updated every 12 months In a world of continual change The Statesman s Yearbook is a necessary annual purchase The Statesman's Yearbook 2000 B. Turner,2016-12-28 For the last 136 years The Statesman s Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment

of the new editor only the seventh in 136 years brought enhancements to the 1998 99 edition and these are continued in the 2000 edition Internet usage figures are included Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change A fold out colour section provides a political world map and flags for the 191 countries of the world The task of monitoring the pattern or flow of world change is never ending However the annual publication of The Statesman s Yearbook gives all the information needed in one easily digestible single volume It will save hours of research and cross referencing between different sources A prestigious and popular book The Statesman s Yearbook is updated every 12 months In a world of continual change The Statesman s Yearbook is a necessary annual purchase The Statesman's Yearbook 2003 Barry Turner,2016-12-30 For nearly one hundred and forty years The Statesman s Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in the book s history brought enhancements to the 1998 99 edition and these have been continued since then The 2003 edition is fully updated and contains more information than ever before including for the first time websites for national governments and international organizations A foldout colour section provides a political world map and flags for the one hundred and ninety two countries of the world In an endlessly changing world the annual publication of The Statesman s Yearbook gives all the information you need in one easily digestible single volume It will save hours of research and cross referencing between different sources and it is an essential annual purchase **The End of the British Empire in the Middle East, 1952--1971** Wm. Roger Louis,2025-03-28 A comprehensive account of the decline and fall of the British Empire in the Middle East from 1952 to 1971 **Iraq, Its Neighbors, and the United States** Henri J. Barkey, Scott Lasensky, Phebe Marr,2011 This book examines how Iraq s evolving political order affects its complex relationships with its neighbors and the United States The book depicts a region unbalanced shaped by new and old tensions struggling with a classic collective action dilemma and anxious about Iraq s political future as well as America s role in the region all of which suggest trouble ahead absent concerted efforts to promote regional cooperation In the volume s case studies scholars review Iraq s bilateral relationships with Turkey Iran Saudi Arabia the Gulf Arab states Syria and Jordan and explore how Iraq s neighbors could advance the country s transition to security and stability The volume also looks at the United States relations with and long term strategic interests in Iraq and offers recommendations for how the United States can help Iraq strengthen and grow Page 4 of cover **Colonial Effects** Joseph Andoni Massad,2001 This text analyses how modern Jordanian identity was created and defined The author studies two key institutions the law and the military and uses them to create an analysis of the making of modern Jordanian identity

However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to From Abdullah To Hussein Jordan In Transition, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some From Abdullah To Hussein Jordan In Transition books or magazines might include. Look for these in online stores or libraries. Remember that while From Abdullah To Hussein Jordan In Transition, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow From Abdullah To Hussein Jordan In Transition eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the From Abdullah To Hussein Jordan In Transition full book , it can

give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of From Abdullah To Hussein Jordan In Transition eBooks, including some popular titles.

FAQs About From Abdullah To Hussein Jordan In Transition Books

What is a From Abdullah To Hussein Jordan In Transition PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a From Abdullah To Hussein Jordan In Transition PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a From Abdullah To Hussein Jordan In Transition PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a From Abdullah To Hussein Jordan In Transition PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a From Abdullah To Hussein Jordan In Transition PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
