

FOLK CULTURE

The defining feature of folk culture is that it is a localized form of culture. It is based on longstanding regional traditions.

DEFINITION

We can contrast folk culture with popular culture because folk culture is not mainstream. In fact, whereas mass media promotes popular culture, it tends to suppress folk cultures. Thus, globalization is the nemesis of folk culture, which is drowned out by global culture. Folk culture is resistant to change and is usually traditional and longstanding.

2. Oral Folklore
