Folktales Of Joha Jewish Trickster:

Folktales of Joha, Jewish Trickster Matilda Kon-Sarano, 2010-01-01 Joha has Janus's double face. On the one hand he is innocent and stupid on the other a trickster. He is a cheater and is cheated. He sets traps for others and falls into traps himself. He is simpleton and liar, victimizer and victim. But as a literary figure he never dies. The nearly 300 stories in this lovely volume are from Sephardic oral literature and ethnic culture. They were told to Matilda Kon-Sarano in their original language, Judeo-Spanish/Ladino, and documented over 21 years from 17 countries including the United States. They come together in this first ever collection of Joha stories to appear in English. Known in some places as Ladino, Judeo-Spanish is a living remnant of the Spanish spoken by the Spanish Jews at the end of the 15th century. Matilda Kon-Sarano, born to a Sephardic family, has devoted her life to the conservation and revitalization of this language, culture, and heritage. Joha, according to Ladino tradition, is a popular folklore character, one who is conniving yet also beguiling. He plays many roles. He makes us laugh, liberates us from taboos, makes it possible to tell the whole, sometimes painful truth in a humorous way, and helps us triumph over our enemies through laughter. These stories have entertained generations of Sephardic children and adults and will delight readers of any age. *Solomon and the Ant*, 2014-09-12 A treasure trove of forty-three religious wisdom, riddle, and trickster Jewish folktales that have been told near the hearth, at the table, and in the synagogue for centuries. Sheldon Oberman, a master storyteller, retells the tales with simplicity and grace, making them perfect for performing and reading aloud. Peninnah Schram herself, an acclaimed storyteller and folklorist, provides lively notes and commentary that examine the meaning of each tale and its place in history. **Folktales of the Jews, Volume 1** Dov Noy, Dan Ben-Amos, Ellen Frankel, 2006-09-03 Tales from the Sephardic Dispersion begins the most important collection of Jewish folktales ever published. It is the first volume in the Folktales of the Jews, the five-volume series to be released over the next several years in the tradition of Louis Ginzberg's classic *Legends of the Jews*. The 71 tales here and the others in this series have been selected from the Israel Folktale Archives, Named in Honor of Dov Noy, The University of Haifa IFA, a treasure house of Jewish lore that has remained largely unavailable to the entire world until now. Since the creation of the State of Israel, the IFA has collected more than 20,000 tales from newly arrived immigrants, long lost stories shared by their families from around the world. The tales come from the major ethno-linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs, especially rich in Jewish content and context. Each of the tales is accompanied by in-depth commentary that explains the tale's cultural, historical, and literary background and its similarity to other tales in the IFA collection, and extensive scholarly notes. There is also an introduction that describes the Sephardic culture and its folk narrative tradition, a world map of the areas covered, illustrations, biographies of the collectors and narrators, tale type and motif indexes, a subject index, and a comprehensive bibliography. Until the establishment of the IFA, we had had only limited access to the wide range of Jewish folk narratives. Even in Israel, the gathering place of the most wide

ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition *Harpo Marx as Trickster* Charlene Fix, 2013-02-07 The author invites readers to spend time in the pleasure of Harpo's cinematic company while comparing him to tricksters from folklore myth and legend The book demonstrates how Harpo the sweetest wildest most magical Marx brother accomplishes the archetypal trickster's work Thirteen chapters examine Harpo's trickster persona closely in each of the Marx Brothers films *The Cocoanuts* *Animal Crackers* *Monkey Business* *Horse Feathers* *Duck Soup* *A Night at the Opera* *A Day at the Races* *Room Service* *At the Circus* *Go West* *The Big Store* *A Night in Casablanca* and *Love Happy* Harpo as trickster embodies luck foolishness cleverness mania hunger lust stealing shape shifting gender bending alliance with underdogs attacks on the powerful musicality sympathy for animals magic and mischief His trickster behaviors in all the films are woven into a composite impression that with a little luck will resonate beyond the covers of this book and leak out into the world making it a more just flexible resilient amusing and magical place *The Jewish Story Finder* Sharon Barcan Elswit, 2012-08-10 Storytelling as oral tradition and in writing has long played a central role in Jewish society Family educators and clergy employ stories to transmit Jewish culture traditions and values This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion Some centuries old and others freshly imagined the tales include animal fables supernatural yarns and anecdotes for festivals and holidays Themes include justice community cause and effect and mitzvahs or good deeds This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey Morocco Libya Tunisia and Chile Subject cross references and a glossary complete the volume a living tool for understanding the ever evolving world of Jewish folklore **Djeha, the North African Trickster** Christa C. Jones, 2023-08-16 Djeha also known as Juha Jeh a and Ch ha among many variations is an iconic figure the trickster hero of an oral folktale tradition that has existed for centuries The famous Maghrebian prankster is a poor cunning and resourceful character that delights in immoral behavior Orientalists Auguste Mouli ras 1855 1931 and Ren Basset 1855 1924 were among the first Frenchmen to collect and translate popular Berber folktales Today trickster folktales from Algeria's mountainous Kabylia region are not well known in the Anglophone world even though they continue to be highly popular in France and in North Africa Djeha the North African Trickster is an annotated critical translation of Auguste Mouli ras's folktale collection *Les Fourberies de Si Djeh a* first published in French in 1892 The volume contains sixty tales and an in depth introduction in which Christa C Jones discusses jocular literature in Islam the widespread oral folktale tradition linked to Djeha and his Turkish twin brother Nasreddin Hoca and the impact of colonialism on the gathering and dissemination of the tales The trickster is at the center of six themed chapters Family and Kinship Animal Tales Faces Places or Daily Life in

the Village Foodways The Intricacies of Hospitality Beware of Friends and Foes and Religion Death and the Afterlife Each chapter contains ten folktales preceded by a short introduction that contextualizes the pieces using historical folkloristic literary and ethnographical sources Ultimately the book contributes to the preservation of an ancestral oral heritage delivering this enduring character to new audiences *Encyclopedia of Jewish Folklore and Traditions* Raphael Patai, 2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind

Best Jewish Books for Children and Teens Silver, 2011-01-01 Linda Silver selected the titles that represent the best in writing illustration reader appeal and authentically Jewish content in picture books fiction and non fiction for readers ranging from early childhood through the high school years P 4 of cover

The Trickster Figure in American Literature Winifred Morgan, 2013-10-23 This book analyzes and offers fresh insights into the trickster tradition including African American American Indian Euro American Asian American and Latino a stories Morgan examines the oral roots of each racial ethnic group to reveal how each group s history frustrations and aspirations have molded the tradition in contemporary literature

The Consolations of Humor and Other Folklore Essays Elliott Oring, 2023-11-01 The Consolations of Humor and Other Folklore Essays unfolds as a series of questions commentaries and criticisms of the analysis interpretation and explanation of folklore Can we confidently regard jokes as the catharsis of sexual and aggressive impulses What is the basis for characterizing a joke as Jewish or Scottish or Japanese What do we really know about dirty jokes How is a text or behavior constructed so that it is perceived as humorous Can we get a computer to reliably recognize jokes What is the relevance of memetics and a Darwinian paradigm to understanding folklore change over time Can we identify laws operating in the realm of folklore How can the marginalization extinction or continuity of traditions be explained In the course of addressing these questions Elliott Oring identifies some fundamental problems brings new evidence and observations to the discussion and proffers some original and startling insights While recognizing the study of jokes and other forms of folklore as a humanistic endeavor Oring believes in the relevance of a scientific perspective to the enterprise He values clear definitions tests of hypotheses and theories empirical evidence experiment and the search for laws Written in a sophisticated yet accessible style The Consolations of Humor and Other Folklore Essays stimulates both scholars and students alike and contributes to the creation of a more robust folkloristics in the twenty first century Routledge

Handbook of Jewish Ritual and Practice Oliver Leaman, 2022-07-08 Ritual and practice are some of the most defining features of religion linked with its central beliefs Discussing the wide range of Jewish ritual and practice this volume provides a contemporary guide to this significant aspect of religious life and experience Drawing on a wide range of disciplines this volume describes not only what takes place but the reasons behind this and the implications both the theory and practice have for our understanding of Judaism Organized in terms of texts periods practices languages and relationships with the other the book includes accounts of prayer food history synagogues and the various legal and ideological debates that exist

within Judaism with the focus on how they influence practice. Coming at a time of renewed interest in the role of the body in religion, this book aims to bring the theoretical and scriptural issues which arise in this area of Jewish life and culture up to date. This volume is aimed at students and researchers working in Jewish studies specifically and religious studies in general. Designed to be helpful to those on courses in relevant areas especially in the United States, this book includes substantial bibliographical material.

King Solomon and the Golden Fish Matilda Koén-Sarano, 2004. A collection of fifty-four Judeo-Spanish folktales taken from the rich heritage of Sephardic oral storytelling and translated into English for the first time. Orality has been central to the transmission of Sephardic customs, wisdom, and values for centuries. Throughout the Middle Ages, Spanish Jews were known for their linguistic skills, and as translators and storytellers, they were the main transmitters of Eastern Islamic culture to the Christian world. Derived from a distinguished heritage, Judeo-Spanish storytelling has evolved over a five-hundred-year historical journey. Constant contact with the surrounding societies of the past and with modern Israeli influences making it more universal than other Sephardic oral genres. Told in order to entertain but also to teach, Judeo-Spanish folktales convey timeless wisdom and a colorful depiction of Sephardic communities up to the first half of the twentieth century. *King Solomon and the Golden Fish* is a selection of fifty-four folktales taken from Matilda Koén-Sarano's collection of stories recorded in Ladino, Judeo-Spanish, and translated by Reginetta Haboucha into fluent and idiomatic English that preserves the flavor and oral nuances of each text. Haboucha provides commentary and annotations to the folktales that enlighten both the academic and the lay reader, making this book at once appealing to scholars and enjoyable for the general public. *King Solomon and the Golden Fish* is divided into six main thematic sections: Supernatural Tales, Tales of Fate, Tales of the Prophet Elijah, Romantic Tales, Tales of Cleverness and Wisdom, and Jokes and Anecdotes. These folktales remain a powerful link between modern-day Spanish Jews and the Hispano-Jewish legacy; this collection passes along that legacy and provides a source of the customs and values of Sephardic Jews.

The Power of Song Rita Roth, 2018-07. Meet Hanina, the daughter of a Jewish tailor who cures a sultan's only child by taming a lioness to get her milk. And Nahum Bilbas, the brave rabbi in training who dares to confront the great warrior El Cid in order to secure peace for the Jews of Valencia. These and countless other colorful characters will entertain and intrigue you in this delightful collection that contains lessons, truths, surprises, and happy endings. When the Jews fled the Iberian Peninsula in 1492 and scattered all over Europe, North Africa, and the Middle East, they took with them the folktales that were an integral part of their heritage. As they settled into their new homelands, they borrowed many of the literary devices and motifs from their adopted countries, adding varied flavor to the traditional Jewish stories. For ages eight and up. *The Power of Song* includes a glossary of foreign words, and each story is accompanied by a short commentary on its origin and meaning. The author's introduction gives special attention to the history of Jewish folktales and specifically those of the Sephardic Jews.

Sombreros and Motorcycles in a Newer South P. Nicole King, 2012-02-15. In 1949, Alan Schafer opened South of the Border, a beer stand

located on bucolic farmland in Dillon County South Carolina near the border separating North and South Carolina Even at its beginning the stand catered to those interested in Mexican themed kitsch sombreros toy pinatas vividly colored panchos salsas Within five years the beer stand had grown into a restaurant then a series of restaurants and then a theme park complete with gas stations motels a miniature golf course and an adult video shop Flashy billboards featuring South of the Border s stereotypical bandit Pedro advertised the locale from 175 miles away An hour south of Schafer s site lies the Grand Strand region sixty miles of South Carolina beaches and various forms of recreation Within this region Atlantic Beach exists From the 1940s onward Atlantic Beach has been a primary tourist destination for middle class African Americans as it was one of the few recreational beaches open to them in the region Since the 1990s the beach has been home to the Atlantic Beach Bikefest a motorcycle festival event that draws upward of 10 000 African Americans and other tourists annually Sombros and Motorcycles in a Newer South studies both locales separately and together to illustrate how they serve as lens for viewing the historical social and aesthetic aspects embedded in a place s culture over time In doing so author Nicole King engages with concepts of the Newer South the contemporary era of southern culture which integrates Old South and New South history and ideas about issues such as race taste and regional authenticity Tracing South Carolina s tourism industry through these locales King analyzes the collision of southern identity and place with national corporatized culture from the 1940s onward Sombros and Motorcycles in a Newer South locates campy but historic tourist sites that serve as important texts for better understanding how culture moves and more inclusive notions of what it means to be southern today *The Heart is a Mirror* Tamar Alexander-Frizer, 2008 In part 1 Alexander Frizer investigates the relationship between folk literature and group identity via the stories connection to Hebrew canonical sources their historical connection to the land of origin their treatment of prominent family members and historical events and their connection to the surrounding culture in the lands of the Spanish Diaspora Part 2 contains an analysis of several important genres and subgenres present in the folktales including legends ethical tales fairy tales novellas and humorous tales Finally in part 3 Alexander Frizer discusses the art of storytelling introducing the theatrical and rhetorical aspects of Sephardic folktales such as the storyteller the audience and the circumstances of time and place BOOK JACKET **La Lettre Sépharade** , 2005

Leaves from the Garden of Eden , 2010-09-23 In *Leaves from the Garden of Eden* Howard Schwartz a three time winner of the National Jewish Book Award has gathered together one hundred of the most astonishing and luminous stories from Jewish folk tradition Just as Schwartz s award winning book *Tree of Souls* collected the essential myths of Jewish tradition *Leaves from the Garden of Eden* collects one hundred essential Jewish tales As imaginative as the *Arabian Nights* these stories invoke enchanted worlds demonic realms and mystical experiences The four most popular types of Jewish tales are gathered here fairy tales folktales supernatural tales and mystical tales taking readers on heavenly journeys lifelong quests and descents to the underworld There is a dybbuk lurking in a well a book that comes to life and a world where Lilith

the Queen of Demons seduces the unsuspecting Here too are Jewish versions of many of the best known tales including Cinderella Snow White and Rapunzel Schwartz's retelling of one of these stories The Finger inspired Tim Burton's film Corpse Bride

101 Middle Eastern Tales and Their Impact on Western Oral Tradition Ulrich Marzolph, 2020-08-18 A comprehensive exploration of the Middle Eastern roots of Western narrative tradition Against the methodological backdrop of historical and comparative folk narrative research 101 Middle Eastern Tales and Their Impact on Western Oral Tradition surveys the history dissemination and characteristics of over one hundred narratives transmitted to Western tradition from or by the Middle Eastern Muslim literatures i.e. authored written works in Arabic Persian and Ottoman Turkish For a tale to be included Ulrich Marzolph considered two criteria that the tale originates from or at least was transmitted by a Middle Eastern source and that it was recorded from a Western narrator's oral performance in the course of the nineteenth or twentieth century The rationale behind these restrictive definitions is predicated on Marzolph's main concern with the long lasting effect that some of the Oriental narratives exercised in Western popular tradition those tales that have withstood the test of time Marzolph focuses on the originally Oriental tales that became part and parcel of modern Western oral tradition Since antiquity the Orient constitutes the quintessential Other vis-à-vis the European cultures While delineation against this Other served to define and reassure the Self the Orient also constituted a constant source of fascination attraction and inspiration Through oral retellings numerous tales from Muslim tradition became an integral part of European oral and written tradition in the form of learned treatises medieval sermons late medieval fabliaux early modern chapbooks contemporary magazines and more In present times when national narcissisms often acquire the status of strongholds delineating the Us against the Other it is imperative to distinguish document visualize and discuss the extent to which the West is not only indebted to the Muslim world but also shares common features with Muslim narrative tradition 101 Middle Eastern Tales and Their Impact on Western Oral Tradition is an important contribution to this debate and a vital work for scholars students and readers of folklore and fairy tales

Linguistic Labor and Literary Doulas Remy Attig, 2024-09-05 An examination of Spanglish Portuguese and Judeo Spanish literatures that builds on sociolinguistic understandings of the intersections of language nation and identity to develop the theoretical frameworks of linguistic labor and literary doulas Connecting the metaphor of labor to the human life cycle Remy Attig introduces the notion of literary doulas These doulas accompany a community as a body of literature is born akin to the doula as midwife or in the case of Judeo Spanish writes the language as a form of linguistic palliative care for a community whose historical language is facing imminent death the death doula Presenting three case studies of Spanglish Portuguese and Judeo Spanish the first part of Linguistic Labor and Literary Doulas places the emergence of these languages in their respective geographies and contexts Attig discusses the work of authors and literary doulas including Susana Chvez Silverman Gloria Anzaldúa Fabián Severo and Matilda Kohn Sarano The framework of linguistic labor relates the creation of a literary corpus in an undervalued or stigmatized language context to

other forms of domestic or gendered labor often the responsibility of women and queer people In the second part of the book Attig places these literatures and theories in discussion with emerging scholarship in translinguistics queer theories and translation studies By applying the notion of translinguistics to useful case studies that challenge traditional understandings of the frontiers between languages Linguistic Labor and Literary Doulas models productive ways that we can discuss real world linguistic practices as valuable aspects of culture and identity *Comic Performance in Pakistan* Claire Pamment, 2017-05-24 This book explores comic performance in Pakistan through the vibrant Indo Muslim tradition of the Punjabi bh nd which now holds a marginal space in contemporary weddings With irreverent repartee genealogical prowess a topsy turvy play with hierarchies and shape shifting the low status bh nd jostles space in otherwise rigid class and caste hierarchies Tracing these negotiations in both historical and contemporary sites the author unfolds a dynamic performance mode that travels from the Sanskrit jester and Sufi wise fool into Muslim royal courts and households weddings contemporary carnivalesque and erotic popular Punjabi theatre and satellite television news Through original historical and ethnographic research this book brings to life hitherto unexplored territories of Pakistani popular culture and Indo Muslim performance histories
