God in the New Testament Dr. Warren Carter,2016-11-01 Author Warren Carter addresses the ways in which New Testament writings present God by asking four questions about how God relates to others How is God presented in relation to Israel How is God presented in relation to

Jesus and the Spirit How is God presented in relation to believers disciples the church How is God presented in relation to the world Carter uses these questions to help draw out the most important factors in each of the New Testament writings discussed Rarely does one exclaim This is a real page turner when describing a book on the New Testament but I must say it With his characteristic concision and clarity not to mention wit and conversational style Carter leads us on a tour of God at Work in fifteen closely read texts What claims do the various texts make about God What questions or red flags do these texts raise What effect do or should these texts have upon us as readers today Carter intrepidly takes up some of the more challenging and cryptic NT texts and asks aloud many of the uncomfortable questions we've wondered about but might not have voiced so pointedly He does not provide tidy answers but his approach entices us not to give up but rather to dive even deeper into the texts their world and ours In reading this book I was variously educated entertained challenged and even moved Jaime Clark Soles Professor of New Testament and Altshuler Distinguished Teaching Professor Perkins School of Theology Southern Methodist University Dallas Texas *The Lutheran* George Washington Sandt, 1929 **Hurry Less, Worry Less at Christmas** Judy Christie, 2011-10-01 Judy Christie meets us where we are in a frenzied out of control frame of mind and helps us begin to have a deeper understanding of the joy of the Christmas season and its deep meaning for our lives overall and how that can be a starting point for a more abundant life in the new year In *Hurry Less Worry Less at Christmas* Christie guides us to a more helpful Christian understanding of this time of year Aspects of the liturgical calendar are introduced as part of this process including the Christian understandings of Advent Christmas and Epiphany She gives us practical tools for coping with holiday pressures but above all stresses the need for transformation from a secular perspective to a Christian one *Hurry Less Worry Less at Christmas* will assist in identifying what people love about the holiday season and what they want to change The book can also be used as a study book for church small groups or Sunday school classes leading up to the holidays This updated edition contains new content to help make the Christmas season even more joyful peaceful and meaningful In her delightful contemporary and practical book Judy Christie takes the Grinch out of holiday preparations She enabled me to see Christmas as a sacred joyful journey rather than a difficult demanding marathon Nell W Mohny Author of *Slay Your Giants* Judy Christie must have been reading my mind I've already started planning a simpler calmer holiday season this year Cynthia Bond Hopson Author of *Bad Hair Days Rainy Days and Mondays* Judy Christie provides a welcome reminder to wait upon the Lord and some practical real life steps toward comfort joy and simplicity Rob Weber Co author of *Beginnings The Spiritual Life* *International Sunday School Evangel*, 1904 **The Congregationalist and Christian World**, 1906 *The Sunday-school Times*, 1887 *Matthew-John* William Jenks, 1859 **The Gospel According to Matthew** Franklin Johnson, 1873 *Bible Stories about Jesus* Darlene Hoffa, 1997-07 Children will learn about Jesus life and teachings through the activities in this series Coloring pasting crafts puzzles and puppets are all used to help teachers explain God's plan for our lives *Life Application Study Bible Devotional*
