## **Following Directions Specific Skills Series E:**

**SRA Specific Skill Series** Richard A. Boning,1997      **Specific Skills Series, Following Directions, Book G** Richard Boning,1996-10-10 For over 25 years this program from Barnell Loft has been proven to successfully build comprehension skills The Specific Skill Series increases the proficiency of all students in all skill areas although it works especially well for remedial instruction This updated classic with reading selections and contemporary artwork builds 9 essential skills Working Within Words Using the Context Getting the Facts Drawing Conclusions Identifying Inferences Following Directions Locating the Answer Getting the Main Idea Detecting the Sequence Features Each skill is developed through individual books tailored for each reading level Short reading passages capture students interest Consistent format promotes rapid skill acquisition Can be used one on one in small groups or with your entire class      **Specific Skill Series** Richard A. Boning,1976

*Following Directions* Richard A. Boning,1997 Following directions is designed to develop skill in reading understanding and following instructions and directions Proficiency in this basic skill is essential for success in every school subject and in nonacademic activities as well      Job Corps Graded Reading Competencies Course Guide United States. Employment and Training Administration,1989      **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office,1965

The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc      *Specific Skill Series: Getting the facts* Richard A. Boning,1963      *Specific Skill Series* Richard A. Boning,1962      *Specific Skill Series: Using the context* Richard A. Boning,1962      **Piecing It Together** Martha Frimer Cheslow MS CCC-SLP,2015-02-04 Speech language pathologists are always rethinking their standards about what constitutes language and about their part in students academic and social success But what has been lacking is a clearer more orderly way to work with language learning disorders Building on decades of experience in the field author Martha Frimer Cheslow presents just that in *Piecing It Together* Designed for SLPs working with language impaired children this practical guide considers the abstract and sometimes puzzling world of language therapy It focuses on teaching systematically in a clear and organized way and includes features such as valuable background information on each language area fourteen language skills broken down into manageable objectives and strategies that SLPs can use to guide themselves through individual goals an actionable effective and customizable methodology for language disordered clients the author presents a systematic approach to teaching the most basic components of a skill She explains her methodology with laser like precision as it pertains to skill areas such as pragmatic language skills phonological awareness expressive language skills and many others US Review of Books A reliable resource for therapists at all levels this manual can be used in either special education or mainstream population environments *Piecing It Together* provides therapists with methods for making good intervention choices and making therapy easier and more satisfying for their clientele and for themselves The personal

compassionate touch to this manual is what makes it more humane less technical and more applicable in its sincerity She manages to be informative without becoming preachy Piecing It Together should be required reading for language therapists as well as traditional classroom teachers Pacific Book Review

**Slow Learners** Diane Griffin,2005-08-02 First Published in 1978 In the case of slow learners the first and most critical thing to do is to recognise that children are individuals and then to break the circle of failure they expect to tread All the ideas and suggestions in this book therefore are governed by this belief Each chapter is self contained in so far as it can be read by itself and as a reference if a teacher or parent is meeting a particular difficulty in that field Some chapters are pertinent to both primary and secondary school teachers some more to one age group than another but all are related The appendices are itemised separately so that their information may be used on its own All the materials ideas and suggestions are from practising teachers and have been or are being at the present time used in schools

**SRA Specific Skill Series: Using the context** Richard A. Boning,1997

**Advances in Clinical Child Psychology** Benjamin B. Lahey,Alan E. Kazdin,2012-12-06 Advances in Clinical Child Psychology is a serial publication designed to provide researchers and clinicians with a medium for discussing new and innovative approaches to the problems of children In this fourth volume a group of highly distinguished authors have described advancing knowledge in a number of critical areas of applied child psychology These include childhood depression drug abuse social skills deficits community living skills the genetics of childhood behavior disorders and affective states in children In addition major statements on new approaches to the assessment of dysfunctional family systems and the social skills of children as well as the increasingly important methodology of epidemiology are included in this volume These chapters provide a synopsis of many of the most important advances in the field of clinical child psychology The quality of a series of this sort is of course due to the quality of the contributing authors We feel very fortunate indeed therefore to have been able to entice such a distinguished group of authors to contribute to this volume We are also most appreciative of the guidance and assistance of the consulting editors who provided us with ideas for chapter topics and authors and who carefully reviewed and edited each chapter We also express our hearty thanks to Leonard R Pace of Plenum whose expertise and support has always been generously given
