Following Jesus In Our Times Meditations And Other Writings:

Following Jesus in our times : meditations and other writings Lucy Holt, 1999 The Compleat Works of ... Mr. Isaac Ambrose, Consisting of These Following Treatises, Viz. Prima, Media, Et Ultima, Or, the First, Middle and Last Things ... with a Sermon Added, Concerning Redeeming the Time, Looking Unto Jesus ... War with Devils ; Ministration Of, and Communion with Angels Isaac Ambrose, 1759 **Christian Herald and Signs of Our Times**, 1885 **My Writings: Personal Essays** Colonel Ben L. Walton, US Army (Retired), 2017-10-13

My Writings Personal Essays is a collection of 57 essays from among hundreds of narratives the author wrote over a 30 year period as a freelance scribe. The book fills a knowledge void with vital information that readers from all levels of society can use in their daily life. Most of the commentaries were published in periodicals throughout the U S. The book with a foreword by Dr Lawrence T Coulehan M D has seven parts: Aging, Christianity, History, Relationships, Service, Quality and Participation, and Self Help. Born in a small community in central Texas, Colonel Ben L Walton, US Army Retired, grew up in Waco, Texas, where he lived in a four room house without electricity or running water. A wood burning stove was used to cook food and for heat. The nearest house to where I lived was four miles away. Besides where I lived was across the street from a graveyard. He was motivated to write the book based on writings in the Bible.

Selected Essays 1917-1932 by T S Eliot and *Things That Matter* Three Decades of Passions, Pastimes and Politics by Charles Krauthammer. For more than 400 years, as documented in *The Art of the Personal Essay: Anthology from the Classical Era to the Present* by Phillip Lopate, personal essays have been one of the richest and most vibrant of all literary forms. Based on history, *Essays* by Michel de Montaigne, the title of an assemblage of 107 essays the author wrote and published in 1580, astonishingly is rated by experts today as among the greatest nonfiction books of all time. Furthermore, Montaigne is credited with inventing the writing style of an essay, meaning the short subject treatment of a given subject. *My Writings: Personal Essays* aims to provide readers with a poignant and useful self-reliance publication worthy of their time that is captivating, interesting, and stimulating. But most importantly, it is a permanent resource that can be referred to as needed, treasured, and passed on to others for generations.

I Am With You Always Benedict C.F.R. Groeschel, 2011-02-18. A Study of the History and Meaning of Personal Devotion to Jesus Christ for Catholic, Orthodox, and Protestant Christians. The devotional life of Christians over the two millennia since Jesus' birth has been one of motion, changing and growing in response to the challenges presented to the Church, the temperaments of newly baptized nations, and controversies about how we can and should relate to God. And yet the core of authentic Christian devotion has not changed; it remains today as it was in the time of the Church Fathers: the trusting and personal encounter with Christ that is both open and foundational to the life of all Christian believers. In this book, the well-known spiritual writer and teacher Fr Benedict Groeschel C F R surveys the development and trials of Christian devotion from the days of the martyrs until the twentieth century. Tracking it through the centuries and among sadly divided branches of Christianity, he finds a commonality of experience and even of language that

is constantly ignored among Christians themselves By observing what image of Christ the canvas of common devotion portrays he hopes we will move not to discredit this image but to sharpen it and make it more consistent with the New Testament and the ancient Church Though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always The answer instead is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and daily life of the devout Begun on a pilgrimage to the Holy Land and the result of years of preparation and a whole life of guiding people as priest public preacher psychologist and spiritual director this book will help Catholic Orthodox and Protestant believers gain not only a comprehensive view of how pious Christians over the centuries have lived out their devotion to God but the examples and perspective they need to live more devoutly today **National Council of Churches Review** ,2001
