Fonda, Her Life in Pictures James Spada, 1985 Fonda Outlet, Outlet Book Company Staff, Rh Value Publishing, 1988-02-24 **American Labyrinth** Raymond Haberski, Jr., Andrew Hartman, 2018-12-15 American Labyrinth contains a stimulating and useful collection of essays by historians reflecting on American intellectual history As a whole the book convinces the reader that the field of intellectual history is enjoying a renaissance The book will be especially prized by intellectual historians but historians of many different persuasions will find these essays rewarding too Choice Intellectual history has never been more relevant and more important to public life in the United States In complicated and confounding times people look for the principles that drive action and the foundations that support national ideals American Labyrinth demonstrates the power of intellectual history to illuminate our public life and examine our ideological assumptions This volume of essays brings together 19 influential intellectual historians to contribute original thoughts on topics of widespread interest Raymond Haberski Jr and Andrew Hartman asked a group of nimble sharp scholars to respond to a simple question How might the resources of intellectual history help shed light on contemporary issues with historical resonance The answers all rigorous original and challenging are as eclectic in approach and temperament as the authors are different in their interests and methods Taken together the essays of American Labyrinth illustrate how intellectual historians operating in many different registers at once and ranging from the theoretical to the political can provide telling insights for understanding a public sphere fraught with conflict In order to understand why people are ready to fight over cultural symbols and political positions we must have insight into how ideas organize enliven and define our lives Ultimately as Haberski and Hartman show in this volume the best route through our contemporary American labyrinth is the path that traces our practical and lived ideas Leaders from the 1960s David De Leon, 1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical culture and visions of alternative societies Leaders from the 1960s includes entries on a wide selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but the focus of the entries is on the person's basic concepts or the essence of his or her work and the public response it generated Included are extensive bibliographies on the individuals and the period **Moving Picture World and View Photographer** , 1915 **Notable Women in American History** Lynda G.

Adamson,1999-08-30 This unique guide will enable students librarians teachers and general readers to easily identify the best biographies and autobiographies of 500 of the most notable women in American history Spanning from colonial America through 1998 the guide features entries on historical and contemporary women who have achieved recognition in more than 100 fields of endeavor It annotates approximately 1350 recommended books published since 1970 about these women The compilation of works selected here is unavailable in any other reference Adamson author of the acclaimed companion volume *Notable Women in World History A Guide to Recommended Biographies and Autobiographies* provides the most up to date information on each woman s life biographies and autobiographies Each entry contains a brief biographical sketch of the woman and an annotated list of up to five recommended biographies autobiographies letter collections or journals concerning her life Three appendixes listing the women according to year of birth occupation and ethnicity will help researchers easily locate women from specific time periods professions or ethnic backgrounds Fit Nation Natalia

Mehlman Petrzela,2024-04-05 How is it that Americans are more obsessed with exercise than ever and yet also unhealthier *Fit Nation* explains how we got here and imagines how we might create a more inclusive stronger future If a shared American creed still exists it s a belief that exercise is integral to a life well lived A century ago working out was the activity of a strange subculture but today it s almost impossible to avoid exhortations to exercise Walk 5K to cure cancer Awaken your inner sex kitten at pole dancing class Sweat like or even with a celebrity in spin class Exercise is everywhere Yet the United States is hardly a fit nation Only 20 percent of Americans work out consistently over half of gym members don t even use the facilities they pay for and fewer than 30 percent of high school students get an hour of exercise a day So how did fitness become both inescapable and inaccessible Spanning more than a century of American history *Fit Nation* answers these questions and more through original interviews archival research and a rich cultural narrative As a leading political and intellectual historian and a certified fitness instructor Natalia Mehlman Petrzela is uniquely qualified to confront the complex and far reaching implications of how our contemporary exercise culture took shape She explores the work of working out not just as consumers have experienced it but as it was created by performers physical educators trainers instructors and many others For Petrzela fitness is a social justice issue She argues that the fight for a more equitable exercise culture will be won only by revolutionizing fitness culture at its core making it truly inclusive for all bodies in a way it has never been Examining venues from the stage of the World s Fair and Muscle Beach to fat farms feminist health clinics radical and evangelical college campuses yoga retreats gleaming health clubs school gymnasiums and many more *Fit Nation* is a revealing history that shows fitness to be not just a matter of physical health but of what it means to be an American

A Life in Movies Irwin Winkler,2019-05-07 A lively memoir a first hand work of cinema history the testament of a pivotal figure in American moviemaking Martin Scorsese The list of films Irwin Winkler has produced in his more than fifty year career is extraordinary *Rocky Goodfellas Raging Bull De Lovely The Right Stuff Creed and The Irishman* His films have been
