Food For Life The Spirituality And Ethics Of Eating:

Food for Life Loyle Shannon Jung, 2004-01-01 Food for Life draws on L. Shannon Jung's gifts as theologian, ethicist, pastor, and eater extraordinaire. In this deeply thoughtful but very lively book, he encourages us to see our humdrum habits of eating and drinking as a spiritual practice that can renew and transform us and our world. In a fascinating sequence that takes us from the personal to the global, Jung establishes the religious meaning of eating and shows how it dictates a healthy order of eating. He exposes Christians' complicity in the face of widespread eating disorders we experience personally, culturally, and globally, and he argues that these disorders can be reversed through faith. Christian practices, attention to habitual activities like cooking and gardening, the church's ministry, and transforming our cultural policies about food. Of Widows and Meals Reta Halteman Finger, 2007 Though community has become a common byword in the contemporary Western church, the practice of communal sharing has effectively fallen by the wayside. Unfortunately, it is often the poor who are left wanting because we no longer come together. Reta Halteman Finger finds a solution to this modern problem by learning from the ancient Mediterranean Christian culture of community. In the earliest Jerusalem church, in holding the responsibility for preparing and serving communal meals, women were given a place of honor. With the table fellowship and goods sharing of the early church, Luke says there were no needy persons among them. Acts 4:34. Finger thoroughly examines this agape meal tradition, challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the communal sharing lasted for hundreds of years longer than previously assumed. Of Widows and Meals begins a discussion of need in community that can revolutionize the contemporary church's interaction with the world at large. The Fat Jesus Lisa Isherwood, 2008 We are living in a food and body image obsessed culture. We are encouraged to over-consume by the marketing and media that surround us, and then berated by those same forces for doing so. At the same time, we are bombarded with images of unnaturally thin celebrities who go to enormous lengths to retain an unrealistic body image, either by extremes of dieting or through plastic surgery or both. The spiritual realm is not immune from these pressures, as can be seen in the flourishing of biblically and faith-based weight loss programs that encourage women to lose weight physically and gain spiritually. Isherwood examines this environment in light of Christian tradition, which has often had a difficult relationship with sexuality and embodiment and which has promoted ideals of restraint and asceticism. She argues that part of the reason for our current obsession and bizarre treatment of issues around weight, size, and looks is that secular society has unknowingly absorbed many of its negative attitudes towards the body from its Christian heritage. Isherwood argues powerfully that there are resources within Christianity that can free us from this thinking and lead us towards a more holistic, incarnational view of what it is to be human. The Fat Jesus provides a fascinating study of the complex ways that food, women, and religion interconnect and proposes a theology of embrace and expansion, emphasizing the fullness of our incarnation.

Transcendence at the Table Julia Hurlow, 2020-10-29 When is the last time you sat down for a meal to break bread with

other people and experienced peace Throughout the arc of the scriptural narrative the word shalom is used as a way to speak of the way of peace This word shalom embodies the depiction of creation where all things would glorify to the Triune God as well as bear the image of the Triune God who seamlessly embraces love and belonging What if the universal space at a table is where shalom is experienced relationally What if the longing people have for love and belonging can be extended through hospitality at a table Unification can happen when invitations are extended to come participate and communicate at the table as a reflection of the Imago Dei

The ^AChristian Consumer Laura M. Hartman,2011-11-10 Consumption the flow of physical materials in human lives is an important ethical issue Be it fair trade coffee or foreign oil North Americans consumption choices affect the well being of humans around the globe in addition to impacting the natural world and consumers themselves In this book Laura Hartman seeks to formulate a coherent Christian ethic of consumption

Key Concepts in Practice Paul R. Katz,Stefania Travagnin,2019-05-20 In recent years the study of modern Chinese religions has developed into a highly innovative yet challenging field One of the main reasons for this involves an ongoing and largely unresolved debate regarding what methods and theories are appropriate for analyzing the wide range of beliefs and practices we encounter This series of three volumes is based on the conviction that in this critical period of research on modern Chinese religions it is time for scholars to review the development of our field reconsider its present state of theories and analytical models and open a new chapter in the understanding of methodologies we employ Our research is grounded on the need to re evaluate concepts and practices that inform both the religious sphere and contemporary scholarship including endogenous Chinese concepts and exogenous ideas from the West and Japan that have been foundational in shaping our knowledge of the Chinese religious landscape In this third volume of our series we examine a variety of key concepts through their praxis in modern Chinese lived religions

The Wiley Blackwell Companion to Practical Theology Bonnie J. Miller-McLemore,2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life

The Halal Frontier J. Fischer,2011-08-16 In The Halal Frontier Johan Fischer shows that halal literally lawful or permitted is no longer an expression of esoteric forms of production trade and consumption but part of an expanding globalised market This book explores modern forms of halal understanding and practice in the halal consumption of middle class Malays in the diaspora

Justice in a Global Economy

Pamela Brubaker, Rebecca Todd Peters, Laura A. Stivers, 2006-01-01 Today's complex social and economic problems leave many people in the affluent world feeling either overwhelmed or ambivalent. Even the small percentage of us who have examined the ethics behind our financial decisions and overcome the often deterring factors of self interest rarely know what to do to make any difference. By providing tools for examination and concrete actions for individuals, communities and society at large, *Justice in a Global Economy* guides its readers through many of today's complex societal issues including land use, immigration, corporate accountability and environmental and economic justice. Beginning with a basic introduction to the impact of economic globalization, the book provides both critical assessments of the current political economic structures and examples of people and communities who are actively working to transform society. Each chapter concludes with questions for discussion and reflection.

The Sense of the Call Marva J. Dawn, 2006-02-21 In *Keeping the Sabbath Wholly*, Dawn introduced the vital Sabbath aspects of resting, ceasing, feasting and embracing. Now she expands these into a way of life for serving God and the Kingdom every single day of the week. *Practical Life*

God in Your Body Jay Michaelson, 2007 Your body is the place where heaven and earth meet. The greatest spiritual achievement is not transcending the body but joining body and spirit together. But to do this you must break through assumptions that draw boundaries around the Infinite and wake up to the body as the site of holiness itself. This groundbreaking book is the first comprehensive treatment of the body in Jewish spiritual practice and an essential guide to the sacred. With meditation practices, physical exercises, visualizations and sacred text, you will learn how to experience the presence of the Divine in and through your body. And by cultivating an embodied spiritual practice, you will transform everyday activities—eating, walking, breathing, washing—into moments of deep spiritual realization, uniting sacred and sensual, mystical and mundane.

The Religion of Thinness Michelle M.

Lelwica, 2009-12-01 With so many women approaching their diets, body image and pursuit of a slender figure with slavish devotion, *The Religion of Thinness* is a timely addition to the discussion of our cultural obsession with weight loss. At the heart of this obsession is the belief that in order to be happy, one must be slim, and the attendant myths, rituals, images and moral codes can leave some women with severe emotional damage. Idealized images in the media inspire devotees of this religion to experience guilt for behaviors that are biologically normal and necessary, and Lelwica offers two ways to combat this dangerous cultural message. Advising readers to look hard at the societal cues that cause them to obsess about their weight and to remain mindful about their actions and needs, this book will not only help stop the cycle of guilt and shame associated with food, it will help readers to grow and accept their bodies as they are.

Soul Banquets John Koenig, 2007 There are many New Testament incidents that are concerned with food, the most famous being the Last Supper from which Holy Communion is derived. Food therefore has an important role to play in Christianity, not just as pure sustenance to keep us alive but with a deeper significance. Food is about God's gifts, his abundance to us, and gives us the chance to thank God for these gifts. John Koenig considers meals and hospitality from the perspective of different Christian denominations as well as

interviews with congregational leaders in places where meals are already being effectively integrated with mission *World Cinema, Theology, and the Human* Antonio Sison, 2012-05-04 Forging an open minded but reasoned dialogue between nine acclaimed titles of world cinema and a range of theological perspectives that touch on the theme of human experience *World Cinema Theology and the Human* offers fresh portals of insight for the interdisciplinary area of Theology and Film In Sison's approach it is the cinematic representation of vivid humanity not necessarily propositional statements about God and religion that lays down a bridge to a conversation with theology Thus the book's project is to look for the divine presence written not on tablets of stone but on tablets of human hearts depicted on screen by way of audiovisual language Seeking to redress the interdiscipline's narrow predilection for Hollywood blockbusters the book casts its net wider to include a culturally diverse selection of case studies from festival gems such as Singapore's *Be With Me* and South Africa's *Yesterday* to widely acclaimed sleeper hits such as Britain's *Slumdog Millionaire* and New Zealand's *Whale Rider* The book will appeal to scholars of theology and religious cultural studies interested in the Theology Religion Film interface and because of its commitment to an examination of film qua film a crossover readership from film studies

The Bloomsbury Handbook to Studying Christians George D. Chryssides, Stephen E. Gregg, 2019-11-14 Drawing on a range of methodologies editors George D Chryssides and Stephen E Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity This handbook is structured in four parts which include coverage of the following aspects of Christianity sacred space and objects cyber Christianity food prayer education family life fundamentalism and sexuality In addition issues of gender race and ethnicity are treated throughout The international team of contributors provide in depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop Clearly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a chronology of landmark events making it a unique resource to upper level students and researchers

Faith in America Charles H. Lippy, 2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing

women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world **Sacred Stories, Spiritual Tribes** Nancy Tatom Ammerman, 2014 Nancy Tatom Ammerman examines the stories Americans tell of their everyday lives from dinner table to office and shopping mall to doctor's office about the things that matter most to them and the routines they take for granted and the times and places where the everyday and ordinary meet the spiritual In addition to interviews and observation Ammerman bases her findings on a photo elicitation exercise and oral diaries offering a window into the presence and absence of religion and spirituality in ordinary lives and in ordinary physical and social spaces The stories come from a diverse array of ninety five Americans both conservative and liberal Protestants African American Protestants Catholics Jews Mormons Wiccans and people who claim no religious or spiritual proclivities across a range that stretches from committed religious believers to the spiritually neutral Ammerman surveys how these people talk about what spirituality is how they seek and find experiences they deem spiritual and whether and how religious traditions and institutions are part of their spiritual lives *Ex Auditu - Volume 27* Klyne Snodgrass, 2012-06-01 Introduction Klyne Snodgrass A Christian View of Wealth and Possessions An Old Testament Perspective Hugh G M Williamson Response to Williamson James K Bruckner Poverty and Paul's Gospel Bruce W Longenecker Response to Longenecker Aaron Kuecker A Patristic View of Wealth and Possessions Helen Rhee Response to Rhee Bradley Nassif Blessings Curses and the Cross Kelly Johnson Money and Possessions A Biblical Perspective Jonathan J Bonk Response to Bonk Liz Mosbo VerHage Decorum and Deeds in 1 Timothy 2 9 10 in Light of Ephesiaca by Xenophon of Ephesus Gary G Hoag Response to Hoag Lyn Nixon Wealth Lordless Powers and the Rule of Christ Mark Husbands Response to Husbands William Myatt Money and Possessions Will Willimon Ecological Footprints Dawn M. Nothwehr, 2012-11-01 The Franciscan Vision offers a powerful antidote to the moral malaise that prevents ordinary Christians from making the necessary choices to live more simply and share the world's goods more equitably This is the driving conviction behind Ecological Footprints Dawn M Nothwehr unfolds the theological spiritual and ethical treasure trove of Christianity especially as it has been developed and lived in Franciscan theology and tradition as it relates to our efforts to achieve sustainable living She succeeds admirably in presenting it all in a style that makes this book both accessible and compelling to no specialist readers **Recovering the Love Feast** Paul Fike

Stutzman, 2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In *Recovering the Love Feast* Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today's Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship
