Foolishness To The Greeks The Gospel And Western Culture

Lauren R. Ley

Foolishness To The Greeks The Gospel And Western Culture:

Foolishness to the Greeks Lesslie Newbigin, 1986 In this book Lesslie Newbigin attempts to look at modern Western culture through the eyes of an outsider and to ask What would it mean to confront this culture with the gospel Newbigin looks first at the broad issues raised by any cross cultural communication of the gospel He then focuses his discussion on modern Western culture examining its essential features and the present signs of its disintegration This leads to the main thrust of the book the question of how biblical authority can be a reality for those who are shaped by this culture Newbigin goes on to consider what would be involved in the encounter between the gospel and modern science politics and economics Finally he discusses the task of the church in bringing about this missionary encounter **Foolishness to the Greeks**

Lesslie Newbigin, 1986 A penetrating analysis of western culture in the light of Christian faith and values **Foolishness to the Greeks** James Edward Lesslie Newbigin, 1991 **Foolishness to the Greeks** Lesslie Newbigin, 1986 **Foolishness to the Greeks: the Gospel and Western Culture** , 1987

The Congregation as Hermeneutic of the Gospel Shawn P. Behan, 2024-10-31 Lesslie Newbigin's concept of the congregation as hermeneutic of the gospel has been used for over thirty years to discuss the overlap of mission and ecclesiology This book provides the contextual background to the congregation as hermeneutic of the gospel then discusses the important components of this concept and how they connect with Newbigin's lifetime of writings on the nature and identity of the church Within this discussion there are three key elements to Newbigin's ecclesiology as it pertains to the congregation as hermeneutic of the gospel the relationship between the Holy Spirit and the local congregation the kingdom of God and the local congregation and the local congregation within itself These three components can be found throughout Newbigin's discussions about the nature of the church ranging from the 1940s until the 1990s Pulling all these components together and showing how they shed light on Newbigin's intended meaning by calling the local congregation the hermeneutic of the gospel for their society provides a new interpretation of this concept that will both strengthen and challenge contemporary uses of this concept within the church today **The Story That Chooses Us**

George R. Hunsberger, 2015-04-09 Over the course of several decades missiologist George Hunsberger has written numerous essays on crucial themes for the church's recovery of its missional identity and practice The Story That Chooses Us brings these essays together for the first time The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society Hunsberger engages with well known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology The recurring themes in Hunsberger's essays provide both theological mooring and practical guidance for churches following Christ on the missional path **Gospel and Culture: Finding Ways To Engage The Culture With God's Enduring Message of Hope**

Michael Gunn, 2018-11-18 How has the culture affected the gospel of Jesus Christ and how has that affected the witness of the church in the 21st century This book intends to address those questions and then

work toward a healthy correction to recapture the truth of the gospel and the glory of God and help people engage the culture instead of separating from it **Theology in Missionary Perspective** Mark T. B. Laing, Paul Weston, 2012-10-24

Lesslie Newbigin was one of the most significant missionary strategists and theologians of the twentieth century. With the breakdown of confidence in some of the central philosophical and theological paradigms that have been shaped and sustained by the culture of modernity, Newbigin's approach to a genuinely missionary theology offers fresh insights and approaches providing something of a prophetic model for the global Christian community in new and challenging times. In this collection of essays, scholars and practitioners from around the world engage with aspects of Newbigin's continuing legacy. They explore Newbigin's approach to theological method, his theological and philosophical account of Western culture in the light of the gospel, and some of the implications of his thought for global mission in the third millennium. This collection is essential reading not just for Newbigin enthusiasts but also for all who are concerned to develop a genuinely missionary encounter with contemporary culture. Contributors: Ian Barns, John G. Flett, Michael W. Goheen, Kenneth D. Gordon, Eleanor Jackson, Veli-Matti Kärkkäinen, David J. Kettle, J. Andrew Kirk, Mark Laing, Murray Rae, Jürgen Schuster, Wilbert Shenk, Jenny Taylor, Geoffrey Wainwright, Ng Kam Weng, and Paul Weston [An Introduction to the Theology of Religions](#) Veli-Matti Kärkkäinen, 2009-08-20

How does Christianity relate to other religions? Beginning with a consideration of the biblical perspective, Veli-Matti Kärkkäinen offers a detailed and comprehensive survey of the diverse explanations proposed by teachers of the church down through the ages. This indispensable guide is for anyone seeking to grasp Christianity's relationship to world religions [Congregational Revival for America's Heartland](#) Lauren R. Ley, 2013-01-12

This manual provides lenses: geography, religion, politics, culture, economics, history, ethnicity, to better understand the complexity and depth of congregations as social institutions and as the body of Christ within a multi-layered context of life **Thoughtful Proclaimer** Elizabeth Wright Anderson, 2017-10-23

Thoughtful Proclaimer takes you from passage choice to proclamation. This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class. Aimed at those who proclaim the Word of God in a variety of church and parachurch settings, the Thoughtful Proclaimer method uses a contemplative, question-based technique to determine the Commander's intent. God's purpose for every passage of scripture; God's intent for a passage becomes the point for proclamation of a redemptive and relevant message. Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners **The Fabric of Theology** Richard Lints, 1993

After showing that today's evangelicals have not fared well in the crucible of modern pluralism, Lints argues that in order to regain spiritual wholeness, evangelicals must relearn how to think and live theologically. He provides a provocative new outline for the construction of a truly transformative evangelical theology in the modern age *Becoming a Missionary Church* Michael W. Goheen, Timothy M. Sheridan, 2022-07-19

This book offers a historical assessment and balanced critique of contemporary church movements.

especially in light of missional ecclesiology An expert on Lesslie Newbigin and an expert on contemporary church models show how Newbigin's ideas have been developed and contextualized in three popular contemporary church movements: missional, emergent, and center church In addition, the authors explain that some of Newbigin's insights have been neglected and need to be retrieved for the present day This book calls for the recovery of the missionary nature of the church and commends church practices applicable to any congregation

Vernacular Bibles in Africa through European Eyes Misheck Nyirenda, 2023-09-30 The translation of Scripture into non-European languages has been an essential undertaking of the modern missionary movement However, when translators cling to the ideal of scholarly objectivity or fail to interrogate the lenses through which they view Scripture and the world, they risk perpetuating a belief in the West's political, cultural, and epistemological superiority with dangerous consequences for the good news of the gospel This study provides detailed historical accounts of the origins of two of Africa's most revered vernacular Bibles: the Efik Bible of modern-day Nigeria and the Nyanja Bible of Southern Africa It illustrates the nature and challenges of early missionary translation work, highlighting the impact of particular translation theories and tracing the development of modern approaches Evaluating Hugh Goldie's and Robert Law's translation practices against the interwoven backdrop of imperialism, the modern missionary movement, and the Enlightenment's belief in objectivity, Dr. Misheck Nyirenda demonstrates how the missionaries' presuppositions often dominated their projects at the expense of African agency and epistemology Issuing a powerful warning for those involved in the vast ongoing task of translating Scripture into the world's vernacular languages, Nyirenda reminds us that we must first reckon with our social, cultural, and historical embeddedness when seeking to communicate gospel truth across linguistic or cultural barriers

The Mission of Preaching Patrick W. T. Johnson, 2015-02-25 We hear plenty of discussion about missional theology, missional leadership, and missional church planting But what about missional preaching In this groundbreaking work, Patrick W. T. Johnson develops a new missional homiletic to aid preachers in their witness to the gospel of Jesus Christ in this post-Christendom world

T&T Clark Handbook of Neo-Calvinism Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo-Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century, initiated by Abraham Kuyper (1837-1920) and Herman Bavinck (1854-1921), it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands, the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots, important original figures, historical contours, and the contemporary influence of neo-Calvinism across a diversity of fields

Exploring Ecclesiology Brad Harper, Paul Louis Metzger, 2009-03-01 In this introduction to ecclesiology, respected scholars Brad Harper and Paul Louis Metzger offer a solidly evangelical yet ecumenical survey of the church in mission and doctrine Combining biblical, historical,

and cultural analysis this comprehensive text explores the church as a Trinitarian eschatological worshipping sacramental serving ordered cultural and missional community It also offers practical application addressing contemporary church life issues such as women in ministry evangelism social action consumerism in church growth trends ecumenism and the church in postmodern culture The book will appeal to all who are interested in church doctrine particularly undergraduates and seminarians NIVAC Bundle 6: Gospels, Acts Michael J. Wilkins, David E. Garland, Darrell L. Bock, Gary M. Burge, Ajith Fernando, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

The Challenges of Cultural Discipleship Richard J. Mouw, 2011-11-21 Richard J Mouw is well known for his incisive views on the intersection of culture and Christianity and for his efforts to make the thought of major Dutch theologian Abraham Kuyper accessible to average Christians In this volume Mouw provides the scholarly backstory to his popular books as he interprets applies expands on and at times even corrects Kuyper s remarkable vision for faith and public life In thirteen essays Mouw explores and develops the Kuyperian perspective on key topics in Christian cultural discipleship including public theology sphere sovereignty education creation and more He deftly articulates an ecumenically enriched neo Calvinist or neo Kuyperian perspective that appropriates and contextualizes the ideas and insights of this important theologian and statesman for new challenges in Christian thought and service
