Tales and Novels — Volume 1 Maria Edgeworth, 2018-04-18. Excerpt PREFACE: It has been somewhere said by Johnson that merely to invent a story is no small effort of the human understanding. How much more difficult is it to construct stories suited to the early years of youth and at the same time conformable to the complicated relations of modern society: fictions that shall display examples of virtue without initiating the young reader into the ways of vice; narratives written in a style level to his capacity without tedious detail or vulgar idiom. The author, sensible of these difficulties, solicits indulgence for such errors as have escaped her vigilance.
